**Lines from the Times** Guy Kent, 2009 Real life is the birthplace of the best stories The tales related in *Lines From the Times* are drawn from real life Lacking the length of a short story these tales are pithy reflections on life as it is encountered by the author From a little girl's conversation on a park bench a grown man flying a kite in the church yard a daughter's attempts to rein in an indulgent grandfather a homeless man or a drug influenced woman seeking direction an adventure getting children off to school strangers passed along life's journey all combine to entertain and delight These are not sermons by any means but they are parables of life where one finds a lesson

taught a prejudice challenged or a value uplifted Lines From the Times is a mirror held up to our age reflecting our beauty and our blemishes There s love in these pages there s sadness for love not shown There s acceptance here there s rejection We can find ourselves tucked inside the stories ourselves at our best and at our worse      **Introduction to Literature**

Baldwin,1991      **E. E. Cummings' Modernism and the Classics** J. Alison Rosenblitt,2016-09-22 This volume is a major ground breaking study of the modernist E E Cummings engagement with the classics With his experimental form and syntax his irreverence and his rejection of the highbrow there are probably few current readers who would name Cummings if asked to identify 20th century Anglophone poets in the Classical tradition But for most of his life and even for ten or twenty years after his death this is how many readers and critics did see Cummings He specialised in the study of classical literature as an undergraduate at Harvard and his contemporaries saw him as a pagan poet or a Juvenalian satirist with an Aristophanic sense of humour In E E Cummings Modernism and the Classics Alison Rosenblitt aims to recover for the contemporary reader this lost understanding of Cummings as a classicizing poet The book also includes an edition of previously unpublished work by Cummings himself unearthed from archival research For the first time the reader has access to the full scope of Cummings translations from Horace Homer and Greek drama as well as two short pieces of classically related prose a short Alcaics and a previously unknown and classicizing parody of T S Eliot s The Waste Land This new work is exciting in its own right and essential to understanding Cummings development as a poet      *Annals of the Wing Family of America*
