Edwardian Family Album:

An Edwardian Family Album Lesley Richmond, 1991 **The Romanov Family Album** Anna Aleksandrovna Vyurbova, 1982 Photographs of the life of the Russian Imperial family *The English Seaside in Victorian and Edwardian Times* John Hannavy, 2011-11-20 Through a collection of coloured holiday photographs covering all the major and several minor resorts around England's coast linked to selected written commentaries from Charles Dickens and many others this book celebrates the heyday of the seaside holiday **Francis Frith's Victorian & Edwardian Maritime Album** Clive Hardy, 2002-07-18 Approximately 150 photographs from the Francis Frith Collection with a maritime theme dating from around 1860 to 1910 **Britain's Working Coast in Victorian and Edwardian Times** John Hannavy, 2011-11-20 The coastline of Victorian and Edwardian Britain provided beauty entertainment and the venue for most people's holidays But it was also a thriving centre of industry shipbuilding and fishing plus the numerous trades associated with dockyards coastal transport and the leisure industry This book travels around Britain's coast clockwise from London looking at the industries that could be found at many of the cities and towns en route Illustrated with an amazing collection of coloured postcards and other early photographs the working coast of Britain is brought to life in all its bustling detail **Theatres of Memory** Raphael Samuel, 2012-09-11 When *Theatres of Memory* was first published in 1994 it transformed the debate about what is to be considered history and questioned the role of heritage that lies at the heart of every Western nation's obsession with the past Today in the age of *Downton Abbey* and *Mad Men* we are once again conjuring historical fictions to make sense of our everyday lives In this remarkable book Samuel looks at the many different ways we use the unofficial knowledge of the past Considering such varied areas as the fashion for retrofitting the rise of family history the joys of collecting old photographs the allure of reenactment societies and televised adaptations of Dickens Samuel transforms our understanding of the uses of history He shows us that history is a living practice something constantly being reassessed in the world around us **Death, Grief and Poverty in Britain, 1870-1914** Julie-Marie Strange, 2005-07-25 With high mortality rates it has been assumed that the poor in Victorian and Edwardian Britain did not mourn their dead Contesting this approach Julie Marie Strange studies the expression of grief among the working class demonstrating that poverty increased rather than deadened it She illustrates the mourning practices of the working classes through chapters addressing care of the corpse the funeral the cemetery commemoration and high infant mortality rates The book draws on a broad range of sources to analyse the feelings and behaviours of the labouring poor using not only personal testimony but also fiction journalism and official reports It concludes that poor people did not only use spoken or written words to express their grief but also complex symbols actions and significantly silence This book will be an invaluable contribution to an important and neglected area of social and cultural history **Railway Photographic Advertising in Britain, 1900-1939** Alexander Medcalf, 2018-03-06 This book explores the phenomenal resources dedicated to understanding and encouraging passengers to consume travel from 1900 to

1939 analysing how place and travel were presented for sale Using the Great Western Railway as a chief case study as well as a range of its competitors both on and off the rails Alexander Medcalf unravels the complex and ever changing processes behind corporate sales communications This volume analyses exactly how the company pictured passengers in the countryside at the seaside in the urban landscape and in the company s vehicles This thematic approach brings transport and business history thoroughly in line with tourism and leisure history as well as studies in visual culture **An Edwardian Family Album** David Price,Heather Price,2009 **The Miss Silver Mysteries Volume Six** Patricia Wentworth,2018-12-18 Three mysteries featuring governess turned sleuth Miss Silver who has her place in detective fiction as surely as Lord Peter Wimsey or Hercule Poirot Manchester Evening News Retired governess Maud Silver is about as unlikely a sleuth that Scotland Yard has ever seen but her unassuming manner only helps her unravel their most mystifying cases in some of the best examples of the British country house murder mystery Alfred Hitchcock s Mystery Magazine Miss Silver Comes to Stay While visiting an old school chum in the rustic town of Melling Miss Silver soon finds that its bucolic charm hides undercurrents of murderous vengeance When Melling s prodigal son returns with a lot of money and a long held grudge against the town he intends to sell his manor house and be done with Melling forever But this cozy English hamlet isn t finished with him and it may be about to finish him off Mr Brading s Collection Jewel collector Lewis Brading leaves little to chance housing his gems in a concrete annex protected by the latest security system and his own watchful eye But he still suspects something might be wrong He consults Maud Silver who tells him to send his collection to a museum as soon as possible Ignoring her advice may be the last mistake Brading ever makes The Ivory Dagger Bill Waring had a promising career and the love of a young beauty until a freak train accident puts him in the hospital for a month When he gets out he is stunned to learn that his beloved has become engaged to another Determined to win her back Bill follows her and her charmless new fianc on a weekend in the country When her new betrothed is stabbed to death blame falls squarely on Bill and only the brilliant demure Maud Silver can clear his name These charming British mysteries featuring the unstoppable Miss Silver whose stout figure fondness for Tennyson and passion for knitting belie a keen intellect and a knack for cracking even the toughest cases are sure to delight readers of Agatha Christie Ellis Peters and Dorothy L Sayers Back in Fashion Giorgio Riello,2020-04-07 This engaging analysis of Western fashion explores the influence of fashion taste and style on people s actions and beliefs since the Middle Ages Suspended Conversations Martha Langford,2021-10-13 In Suspended Conversations Martha Langford shows how photographic albums tell intimate and revealing stories about individuals and families Rather than isolate the individual photograph treat albums as texts or argue that photography has supplanted memory she demonstrates that the photographic album must be taken as a whole and interpreted as a visual and verbal performance that extends oral consciousness Exhibiting a collection of photographic travelogues memoirs thematic collections and family sagas compiled between 1860 and 1960 and held by the McCord Museum of Canadian History this

second edition includes a revised and expanded preface along with new photographs of the Notman albums Printed in colour throughout the enhanced material draws out the distinct nuances and details of each album giving them new life to tell their stories Albums are treasured by families collected as illustrations of the past by museums of social history and examined by scholars for what they can reveal about attitudes and sensibilities but when no one is left to tell the tale the intrigue of the album becomes a puzzle a suspended conversation Langford argues that oral consciousness provides the missing key Correlating photography and orality she explains how albums were designed to work as performances and how we can unlock their mysteries A fascinating glimpse of the preoccupations of previous centuries Suspended Conversations brings photography into the great conversation of how we remember and how we send our stories into the future **Country Life**

writer turned academia into art how deeply friendship supports and wounds us and how the death and disillusionment that characterized World War I inspired Tolkien's lush saga Detroit Free Press Outlaw Fathers in Victorian and Modern British Literature Helena Gurfinkel, 2014-03-27 Outlaw Fathers in Victorian and Modern British Literature Queering Patriarchy traces the representations of outlaw fathers or queer patriarchs and their relationships with their queer sons in a particular literary tradition mid to late Victorian and twentieth century British fiction and memoir Specifically I look at such representations in Anthony Trollope's Doctor Thorne 1858 and The Prime Minister 1875-76 while also drawing on An Autobiography 1883 and The Duke's Children 1880 Samuel Butler's The Way of All Flesh published in 1901 Henry James's The Lesson of the Master 1888 J.R. Ackerley's My Father and Myself written in the 1930s and published in 1968 E.M. Forster's Little Imber 1961 with an occasional detour into The Longest Journey 1907 Howards End 1909 and Maurice published in 1971 and Alan Hollinghurst's The Spell 1998 In the coda I consider the implications of including transgender transnational female to male fathers of color in the ranks of queer patriarchy and discuss two contemporary novels Jackie Kay's Trumpet 1998 Scotland and Patricia Powell's The Pagoda 1998 Jamaica and the United States as well as briefly an episode an episode of the television show The L Word 2008 and the documentary U People 2007 The term queer patriarchy has two components The first one is a non traditional primarily but not exclusively non heterosexual pervasively present and culturally important paternal subjectivity The second one is the bond between such queer paternal figures and their sons biological and non biological This study pays attention primarily to the relationship between psyche language and ideology but it will join a larger conversation about the changing roles of men in general and fathers in particular which is taking place outside of the field of literary studies **Men and Menswear** Laura Ugolini, 2007 This book investigates the changing nature of the retailing of menswear and illuminates wider aspects of masculine identity as well as patterns of male consumption between the years 1880 and 1939 It considers the relationship between men and activities which were widely considered to be at least potentially unmanly selling as well as buying clothes thus shedding new light on men's lives and identities in this period
