WHAT IS NEW TO THIS EDITION In the modern business world where speed and ease of communication is very important E mails have become widely prevalent An E mail can even make or break a career Detailed discussions have been shared in this Edition on how to write the perfect E mail A completely new chapter has been added on social media tools like LinkedIn Facebook and Twitter Job seekers would learn how to upload their portfolios and highlight their skills and achievements and connect with prospective employers and collaborators

Book Reviews I have been a regular user of the book by Prof Nira Konar and found it a very reliable resource The chapters on Group Discussion and Body Language are particularly helpful Besides the chapter on Communication Theory has been relevantly and effectively explained keeping in mind the needs of the students Overall the book is very accessible by all levels of students It is a part of recommended reading for my students

Nandini Mukherjee
Course Coordinator Department of Communicative English St Xavier s College Kolkata

An extremely concise lucidly written and reader friendly book that serves as a handy reference manual for all in service English language teachers of degree engineering colleges The B Tech Communicative English syllabus has been closely followed with detailed sections on grammar writing and comprehension The chapters on vocabulary take an insightful look at etymology word origins synonymy and antonymy Detailed word lists and practice exercises make the section extremely helpful for practicing teachers The sections on grammar are fairly detailed offering a thorough analysis of Verbs Tenses Voice Narration Transformation of Sentences and Error Correction There are plenty of practice exercises for the teacher to choose from Reading skills are well discussed and technical writing is given all the importance and predominance it usually occupies in any course on technical communication The section on report writing is extremely useful as a guide for teachers for teaching students the formatting and writing essentials in documenting reports There is a section on professional speaking too which enriches the content of the book

On the whole the book is of continuing usefulness and relevance in any technical English course and will be used by teachers and students alike for many years to come

Dr Indrajit Bose Assistant Professor of English GNIT Kolkata

Dr Konar s book acts as a comprehensive guide to the students of professional technical as well as basic courses to hone their language skills The language of the book is persuasive fluid and student friendly which makes it useful even to the first generation

learners of English The scope of this book extends from word building to report writing and covers almost all the thrust areas of language training in a nutshell Hence it deserves a shelf space in the library of any institution Ayushman Banerjee Assistant Professor in English Haldia Government College Kolkata This is one of the best books on Communication available in the market Dr Nira Konar is a brand by herself whenever English Language Teaching ELT comes into discussion This compact edition discusses in detail the various aspects of language ranging from Vocabulary Grammar Syntax to effective communication in business The book gives a clear reading of LSRW skills such as writing reading listening and public speaking It further confers different means of effective communication situational dialogues body language and group discussions The book follows the present MAKAUT curriculum of English for B Tech 1st year 2nd Semester HM HU 201 HM HU 291 thoroughly It not only gives an overview of the Theory syllabus but also provides details of Language Laboratory activities as well Communication Skills for Professionals enables the readers to express themselves clearly and communicate effectively at the workplace This book not only deals with the rudiments of communication but also gives insights into the body language and provides important tips on how to be successful at interviews and group discussions Primarily intended for students of engineering and technology the book will also be useful for Management students and the students of all disciplines who want to acquire the skill in corporate communication and excel in their respective professional areas Sohini Datta Assistant Professor Department of Management IEM Sector V Salt Lake Kolkata Easy and in depth writing on the subject is the aim of this book The author has put in here the fruits of teaching the students from the wide ranging and first hand knowledge of business speaking and writing and listening in a friendly way It is enriched with extensive references On every page of the book the students will see how a simpler style of English is balanced with their need Dalia Sen Assistant Professor Bengal Institute of Technology Under Techno India Group Kolkata **Successful Public Meetings, 2nd ed.** Elaine Cogan, 2018-01-12 The author explains why it is essential to begin the preparations by deciding what the meeting is intended to accomplish That in turn determines what kind of meeting you should conduct informational advisory or problem solving The author breaks down the essential tasks involved and even suggests the right type of person to handle each one She describes various types of troublesome meeting attendees from accusers and apathetics to fence sitters and know it alls and offers advice on how to deal tactfully but firmly with them all The author also tackles working effectively with the media a subject that terrifies most planners True stories of public meetings both good and bad add humor to her no nonsense narrative Follow her step by step checklist and leave nothing to chance Transforming Theological Education, 2nd Edition Perry Shaw, 2022-01-31 For several decades concern has been expressed about the need for greater integration and contextual significance in the curricular design of theological education In addition there has been a growing awareness of the role theological schools should play in strengthening the missional vision and practice of local churches Drawing on Dr Perry Shaw's experience as faculty member educational engineer and acting academic dean for Arab Baptist Theological

Seminary Transforming Theological Education provides theoretical foundations and practical principles for purposeful curriculum design as well as tools for facilitating integrated and contextually significant learning in the classroom. This updated second edition has been reorganized for thematic clarity and expanded to provide a stronger foundation for thinking theologically rather than just educationally about theological education. It also contains a wider range of curricular examples from innovative theological programs around the world along with practical advice for implementing change in change resistant environments. This handbook continues to be a one of a kind resource for theological educators and all those involved in Christian leadership training.

The Fundamentals of Small Group Communication Scott A. Myers, Carolyn M. Anderson, 2008-01-17 From the Publisher With a focus on the individual group member The Fundamentals of Small Group Communication encourages readers to reflect on how their communication behaviors and practices contribute to their current small group experiences. In this easy to read text authors Scott A Myers and Carolyn M Anderson introduce students to the fundamental issues faced by all small groups such as socialization development ethics and diversity and the procedures utilized by effective small groups. The book is organized around three overarching themes characteristics of small group communication and the individual group member the group task and group member relationships. Each chapter opens with a case study and includes an Ethically Speaking box that allows readers to reflect on how ethics is central to the small group communication process. It is intended for undergraduate courses that introduce students to the basic fundamentals of small group communication.
