

FAREWELL SPEECH

Firstly, I would like to say a very big thank you to the Almighty God who has given us the grace to hold yet another big occasion in this great school, who has also made us pass through all our struggles, challenges and difficulties during the school calendar year; we say may his name be glorified now and forever, Amen.

Also without forgetting, I would also say thank you to the Planning Committee who organized this great event to mark our graduation and made it what it is today.

Most importantly I would like to acknowledge the presence of the Director, the Principal and her Vice, our beloved parents, our most knowledgeable and dedicated teachers, and as well my corporative and supportive students, I say welcome to you all and also thank you for making out time to be here today, especially our parents who not minding their tight schedule, graced us with their presence on this wonderful occasion. I personally say a big thank you to you all, welcome and God bless you.

Actually it has not entirely being easy to spend six whole academic years in this great school. At first, when I enrolled into this school, my academic strength was low to be honest, but from my SS1, specifically third term, I started improving and then in SS2 there came the teachers I never knew, who gave me and my fellow student vast knowledge and academic strength through teachings and words of encouragement. Most especially my English Language teacher Miss Jane who made me love and embrace English wholeheartedly without a second thought. While teaching, she made sure we all in class understood exactly what she was teaching and by so doing, gave us all good grades in our exams. Also our Mathematics teacher, Mr. Okeke Chinedu who also made sure we all in class understood and knew Math at heart and at the tip of our fingers, not exempting also other teachers who worked tirelessly in ensuring that our academic standard is at least at an acceptable level, I say thank you to all and God bless you all. Also the Director and her Management team, I say a big thank you for making this great school what it actually is today, may you efforts continue to move you forward and may God also bless and keep you strong.

I would also like to say thank you to all my fellow student for supporting me throughout my years in office as the Head Boy of this gracious school, may you all grow academically, physically, and spiritually strong throughout your remaining years in this school, Amen.

Lastly, I would like to give an advice to the newly elected\selected senior prefect of this great school. You all should be diligent throughout your term in office, you should also be attentive to your fellow students and classmates and do your various duties efficiently without regrets so as to leave good footprints on the sand of this school and live also as role models to your fellow student and may God
