Effective Schooling For Pupils With Emotional And Behavioural Difficulties:

Effective Schooling for Pupils with Emotional and Behavioural Difficulties John Visser, 2013-10-23 First Published in 1998 Increasing pressure and new demands on LEAs schools and their staff have led to an overall reduction in the number of special schools for children with EBD and a questioning of their place within the range of provision for these pupils Recent attention has also been drawn by HMCI to the number of these schools which have failed to pass the OFSTED inspection process This book is based on a national examination of special schools providing for pupils with EBD The authors identify factors associated with good practice and offer advice on how schools can become more effective in providing for the country's most troubled and challenging pupils They also highlight aspects of successful provision which can be applied in mainstream schools and pupil referral units

Handbook of Emotional and Behavioural Difficulties Peter Clough, 2005 The book reveals itself to be both a scholarly and practical resource that will be indispensable to anyone seeking insight and direction for understanding and responding to EBD in the 21st century Professor Paul Cooper The University of Leicester

Effective Schools for Disaffected Students Paul Cooper, 2002-03-11 Disaffected pupils respond well in circumstances where they feel secure where they have a sense of being valued and respected and where they perceive there to be opportunities for them to succeed *Effective Schools for Disaffected Students* offers insights into how these outcomes might be achieved in both mainstream and segregated settings The investigation is based on the views of pupils who have been excluded from mainstream schools for pupils with emotional and behavioural difficulties The author relates the pupils' experiences of the different types of school to research in the area of school effectiveness He offers some practical guidelines on ways in which teachers and managers can work towards reducing disaffection in schools within the real life contexts in which they occur The book will appeal to anybody whose concerns are with the everyday realities of schooling

The Routledge International Companion to Emotional and Behavioural Difficulties Ted Cole, Harry Daniels, John Visser, 2012-10-12 Responding to disruptive or troubled pupils with emotional and behavioural difficulties EBD remains a highly topical issue The challenges these children present relate to wider issues of continuing political concern the perceived declining discipline in schools school and social exclusion the limits to inclusion for children with special needs increasing mental health difficulties in children youth crime and parenting skills It's little wonder that the EBD often known as BESD or SEBD category is one of the most common forms of SEN around the world This topical and exhaustively researched Companion examines the difficulties of defining EBD and the dangers of allocating this imprecise label to children Bringing together the work of contributors from fifteen countries and across four continents this book features the research of leading experts in the global field of EBD who discuss and debate educators' key concerns by looking at the overlaps between EBD ADHD and mental health difficulties outlining the types of appropriate schooling for children with EBD urging readers to look beyond pupils' challenging behaviour in order to understand and respond to the social biological and psychological causation

considering the key areas of assessment whole school and targeted approaches that help pupils with EBD in mainstream and in special settings outlining helpful work with families the crucial contribution of effective multi agency working and the importance of supporting and developing teachers who work with challenging pupils Containing contrasting views on controversial topics this Companion s approachable style makes it an essential reference book for academics policy makers practitioners educators and students who are working towards a higher degree in education *'Problem' Girls* Gwynedd Lloyd,2005 The author of this book uses a perspective which recognises current thinking about emotional and behavioural difficulties but crucially acknowledges the gender specific difficulties faced by girls and young women Promoting Change through Action Research Franz Rauch,Angela Schuster,Thomas Stern,Maria Pribila,Andrew Townsend,2014-11-04 Bringing a different world into existence Action Research as a trigger for innovations was the overarching theme and vision of the international CARN Conference 2011 in Vienna The chapters in this book are drawn mainly from conference contributions The authors share practical knowledge which has arisen from their work and reflect on development processes in schools in teacher education and professional development social work social pedagogy health care and community development This book offers what some critics believe has been missing in recent action research literature namely first person accounts of action researchers who endeavour to change working conditions and social relations in their environment through the conduct of action research This book is also distinguished by assembling contributions from people who are linking action research to a broad diversity of differing contexts and who are exploring topics or issues across various applications of action research **The SAGE Handbook of Emotional and Behavioral Difficulties** Philip Garner,James Kauffman,Julian Elliot,2013-12-18 This important revision with updated material will inform professionals students and the interested public of evolving international perspectives on EBD New chapters consider causation the influence and role of social contexts and social support ADHD teacher knowledge and parental engagement The new content presents us with fresh ideas and approaches Katherine Bilton University of Alaska USA This new edition of The Handbook of Emotional and Behavioural Difficulties first published in 2004 has been completely reworked and refreshed by a new editorial team led by Philip Garner A thorough revision of existing content together with new material bring the volume firmly up to date and offers guidance and recommendations for future research and practice Covering a range of important issues in EBD chapters are organized into five main parts Contexts Definitions and Terminologies Roots Causes and Allegiances Strategies and Interventions Training and Professional Development Enhancement EBD Futures Challenges and Opportunities With an impressive array of UK US and other international contributors the Handbook will be indispensable for undergraduate and Master s level students pursuing Teacher Training Educational and Developmental Psychology and Special Education courses It will also be valuable to social workers counsellors school educational psychologists and other practitioners in relevant fields
