**Educating Egypt** Linda Herrera, 2022-03-01 The everyday practices policy ideas and ideological and political battles that have shaped Egyptian education from the era of nation building in the twentieth century to the age of digital disruption in the twenty first From the 1952 revolution onward a main purpose of formal education in Egypt was to socialize children and youth into adopting certain attitudes and behaviors conducive to the regimes in power Control by the state over education was never entirely hegemonic National education came increasingly under pressure due to a combination of the growing privatization of the education sector the growth of political Islam and rapidly changing digital technologies *Educating Egypt* traces the everyday practices policy ideas and ideological and political and economic contests over education from the era of nation building in the twentieth century to the age of global change and digital disruption in the twenty first Its overarching theme is that schooling and education broadly defined have consistently mirrored larger debates about what constitutes the model citizen and the educated person Drawing on three decades of ethnographic research inside Egyptian schools and among Egyptian

youth Linda Herrera asks what happens when education actors harbor fundamentally different ideas about the purpose provision and meaning of education Her research shows that far from serving as a unifying social force education is in reality an ongoing battleground of interests ideas and visions of the good society *Livingstone Lost and Found* Josiah Tyler,1873

**Egypt's Lost Spring** Sherif Khalifa, 2015-07-20 An Egyptian diplomat turned scholar provides a detailed analysis of events from the fall of Mubarak through the aftermath of the 2013 military move to oust Egypt's first democratically elected president The Arab Spring caught the world by surprise and was truly inspiring Then many watched with bewilderment as the process unfolded in unforeseen directions This lively and well documented book tells the story of events in Egypt from the end of the Mubarak era in 2010 through the revolution in 2011 and the military interference in the summer of 2013 Written from an insider's perspective it discusses what occurred and analyzes the motives of the parties involved putting each incident in context so the reader can see and understand the big picture The author's background as an Egyptian diplomat provides insights that fuel a nuanced and richly detailed study Among other topics the book sheds light on the Egyptian military and economy the life and written opinions of the military leader Al Sisi and ties between the United States and the Egyptian armed forces It reveals evidence of a conspiracy against the first elected civilian administration in Egypt details the conflict between the Islamists and the deep state and examines the rise and fall of political Islam A final chapter speculates about possible scenarios for the future of Egypt

**Egypt - The Lost Homeland: Exodus from Egypt, 1947-1967** Alisa Douer, 2015-09-25 In the twentieth century the political Zionist movement and Egyptian rulers completely uprooted the country's thriving Jewish community a goal the Pharaohs tried to realize as early as 3500 years ago Mostly comprised of descendants of Sephardim from the Iberian Peninsula the world's oldest Jewish community totaled 85 000 members in 1948 No more than 100 to 200 Jews live in Egypt today This book tells the story of Egypt's Jewish history from Biblical times to 1967 the year of one of the last major Jewish emigration waves from Egypt It highlights the First Exodus in ca 1500 BCE and the Second Exodus which was triggered by the foundation of the State of Israel and three successive wars in 1948 1956 and 1967 Throughout the narrative it becomes evident that the Jewish community consistently was subject to the arbitrary will of Egyptian rulers Starting in 1948 members of this community were forced to leave the country without any of their belongings on short notice Like other Jews from the Arab world Egyptian Jews were not Zionists in the Eurocentric Ashkenazi sense Their arrival in Israel was met with prejudice and disdain Even though they were discriminated against in matters of housing and education they still managed to integrate well into Israeli society and are now members of the country's upper and middle class The evidence presented in this book is based on

interviews with ninety six Egyptian Jews in Israel and the United States

*Lost Technologies of Ancient Egypt* Christopher

Dunn, 2010-06-24 A unique study of the engineering and tools used to create Egyptian monuments Presents a stone by stone analysis of key Egyptian monuments including the statues of Ramses II and the tunnels of the Serapeum Reveals that highly refined tools and mega machines were used in ancient Egypt From the pyramids in the north to the temples in the south ancient artisans left their marks all over Egypt unique marks that reveal craftsmanship we would be hard pressed to duplicate today Drawing together the results of more than 30 years of research and nine field study journeys to Egypt Christopher Dunn presents a stunning stone by stone analysis of key Egyptian monuments including the statue of Ramses II at Luxor and the fallen crowns that lay at its feet His modern day engineering expertise provides a unique view into the sophisticated technology used to create these famous monuments in prehistoric times Using modern digital photography computer aided design software and metrology instruments Dunn exposes the extreme precision of these monuments and the type of advanced manufacturing expertise necessary to produce them His computer analysis of the statues of Ramses II reveals that the left and right sides of the faces are precise mirror images of each other and his examination of the mysterious underground tunnels of the Serapeum illuminates the finest examples of precision engineering on the planet Providing never before seen evidence in the form of more than 280 photographs Dunn s research shows that while absent from the archaeological record highly refined tools techniques and even mega machines must have been used in ancient Egypt

Egypt Lost And Found: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Egypt Lost And Found : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
