**Life-Changing Attitudes That Will Make You a Financial Success!** Rich Brott,2007-07 A proper attitude and approach to your financial affairs is not only exemplary but also necessary In this book you will find 10 life changing attitudes that will make you a financial success They are the I Can attitudes Not only are they life changing but also very attainable With the right guidance you can become debt free With the proper attitude you can break bad spending habits With enough self discipline you can pay cash instead of using credit You can renew your thinking change your flawed value system and rise above your burden of debt If you are financially accountable you can enjoy life without spending massive amounts of money Author Rich Brott wants to help you discover financial solutions and change your improper attitudes so that you can change your life *The 8 Steps to Strategic Success* Gerben van den Berg,Paul Pietersma,2014-01-03 All organizations recognise the importance of strategy creation and execution strategy is the process of developing the corporate future Unfortunately it often doesn t generate the required results This book presents a new 8 step process for creating a strategy that really delivers For each step the book describes the key parts of the process shows how to avoid the potential pitfalls and points to the most useful strategic models and frameworks Readers can see the process in action by following the intriguing case study that unfolds throughout the book One of the critical determinants of strategic success is to see strategy not just as planning but as a process that involves dialogues with multiple stakeholders both within and outside the company This concept is integrated into every phase of the 8 step approach and is at the heart of its effectiveness in creating strategy that delivers in practice **Biblical Principles That Create Success Through Productivity** Rich Brott,2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be

successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author s belief that God s method for success is to bless the good productive work ethics of ordinary people
