**Whitaker's Books in Print**, 1998      **English Caroline Script and Monastic History** D. N. Dumville, 1993 An analysis and study of Caroline script from 200 years of ecclesiastical and secular records reveals important historical detail relating to late Anglo Saxon England      **Women and Property** Amy Louise Erickson, 2002-11-01 This ground breaking book reveals the economic reality of ordinary women between the late 16th and early 18th centuries Drawing on little known sources Amy Louise Erickson reconstructs day to day lives showing how women owned managed and inherited property on a scale previously unrecognised Her complex and fascinating research which contrasts the written laws with the actual practice completely revises the traditional picture of women's economic status in pre industrial England **Women and Property** is essential reading for anyone interested in women law and the past      **Family History and Local History in England** David Hey, 2014-01-14 This is a book for those thousands of family historians who have already made some progress in tracing their family tree and have become interested in the places where their ancestors lived worked and raised children It emphasises the diversity and extraordinary complexity of the rural and urban communities in provincial England even before the great changes associated with the Industrial Revolution      **History After Hobsbawm** John Arnold, Matthew Hilton, Jan Rüger, 2018 What does it mean and what might it yet come to mean to write history in the twenty first century **History After Hobsbawm** brings together leading historians from across the globe to ask what being an historian should mean in their particular fields of study Taking their cue from one of the previous century's greatest historians Eric Hobsbawm and his interests across many periods and places the essays approach their subjects with an underlying sense of what role an historian might seek to play and attempt to help twenty first century society understand how we got here They present new work in their sub fields but also point to how their specialisms are developing how they might further grow in the future and how different areas of focus might speak to the larger challenges of history both for the discipline itself and for its relationship to other fields of academic inquiry Like Hobsbawm the authors in this collection know that history matters They speak to both the past and the present and in so doing introduce some of the most exciting new lines of research in a broad array of subjects from the medieval period to the present      **The Routledge History of Poverty, c.1450-1800** David Hitchcock, Julia McClure, 2020-12-30 The Routledge History of Poverty c 1450 1800 is a pioneering exploration of both the lives of the very poorest during the early modern period and of the vast edifices of compassion and coercion erected around them by individuals institutions and states The essays chart critical new directions in poverty scholarship and connect poverty to the environment debt and downward social mobility material culture empires informal economies disability veterancy and more The volume contributes to the understanding of societal transformations across the early modern period and places poverty and the poor at the centre of these transformations It also argues for a wider definition of poverty in history which accounts for much more than economic and social circumstance and provides both analytically critical

overviews and detailed case studies By exploring poverty and the poor across early modern Europe this study is essential reading for students and researchers of early modern society economic history state formation and empire cultural representation and mobility *The Story of the Fens* Frank Meeres,2019-03-29 Lincolnshire Cambridgeshire Norfolk and Suffolk as well as Peterborough City Council all lay claim to a part of the Fens Since Roman times man has increased the land mass in this area by one third of the size It is the largest plain in the British Isles covering an area of nearly three quarters of a million acres and is unique to the UK The fen people know the area as marsh land reclaimed from the sea and fen land drained from flooding rivers running from the uplands The Fens are unique in having more miles of navigable waterways than anywhere else in the UK Mammoth drainage schemes in the seventeenth and eighteenth changed the landscape forever leading slowly but surely to the area so loved today Insightful entertaining and full of rich incident here is the fascinating story of the Fens *Routledge Library Editions: Rural History* Various,2021-07-14 The volumes in this set originally published between 1969 and 1990 draw together research by leading academics in the area of the rural history and provide an examination of related key issues The volumes examine social change in rural communities approaching the industrial revolution whilst also providing an overview of the history of rural populations in England France Germany Mexico and the United States This set will be of particular interest to students of history business and economics **Electing Cromwell** Andrew Barclay,2015-10-06 Popular interest in Cromwell has often exceeded the originality of what has been written about him Barclay s study comes out of meticulous research on a huge range of newly discovered primary sources transforming our understanding of the life and career of Oliver Cromwell during the period from his birth in 1599 until 1642

*A Dictionary of Slang and Unconventional English* Eric Partridge,2006-05-02 The definitive work on the subject this Dictionary available again in its eighth edition gives a full account of slang and unconventional English over four centuries and will entertain and inform all language lovers *The House of Commons, 1660-1690: Introductory survey. Members A-B* Basil Duke Henning,1983 *Catalogue of the Books in the Central Lending Department* Public Libraries (Newcastle-upon-Tyne),1880 *England's Other Cathedrals* Paul Jeffery,2012-03-05 England s great cathedrals are widely considered to be the country s finest and most beautiful possessions Few people realise however that in addition to these famous buildings there are many others that share or once shared some of that greatness These other cathedrals have very varied origins There were cathedrals established in Anglo Saxon times that subsequently lost that status Further cathedrals founded after the Norman Conquest also later ceased Henry VIII had plans to elevate many great monastic churches to cathedral status but most were unfulfilled From the nineteenth century onwards many new cathedrals have been created both by the Church of England and by other Churches Altogether eight groups are discussed containing in total well over a hundred buildings Most are fine and many are or were in their size and magnificence fully comparable with the great cathedrals themselves Some today stand complete and glorious Others are now mutilated or in ruin Some have been

completely destroyed but even these may stir us by their lost glories Paul Jeffery explores the often fascinating episodes of history that lie behind these groups of magnificent and frequently forgotten buildings The spotlight is then turned on each one revealing many architectural and historical treasures     **The Nation and Athenæum** ,1912     *T.P.'s and Cassell's Weekly* ,1926     **The Old Rectory** Anthony Jennings,2009-10-28 Pevsner described the pairing of church and parsonage as a feature of the English village unparalleled on the Continent John Betjeman saw the design of rectories and vicarages as highly influential on our architecture Forsaken by the Church but coveted by the private buyer this is the story of these quintessentially English houses with their combination of fine architecture charm and character large gardens and often splendidly rural locations The Old Rectory examines their history their evolution through the centuries their many and varied styles of architecture and their place in our heritage It also explores the contribution made to our culture by the clerical families who once occupied these houses and the famous people and eccentrics who have been associated with them Finally it considers their current role and what the future might hold     **Christian Culture and Society in Later Catholic England** ,2024-08-05 This book in memory of F Donald Logan explores different aspects of Christian culture and society in England from the twelfth to the sixteenth century Although this period has traditionally been interpreted in terms of decline and decay this excessively gloomy picture has slowly given way over the last eighty years or so to a more positive view of Christian civilization during these centuries The twenty two studies brought together here seek to build on this ongoing reassessment of Later Catholic England especially in those areas in which Professor Logan himself had done so much to deepen our understanding of Christian English society Contributors are Travis Baker Caroline Barron Nicholas Bennett Barbara Bombi Paul Brand Janet Burton James G Clark Karen Corsano Virginia Davis Charles Donahue Jr Anne J Duggan Joan Greatrex Diana Greenway Michael Haren R H Helmholz Philippa Hoskin Henry Ansgar Kelly Frederik Pedersen Seymour Phillips Michael J P Robson Jens R hrkasten Jane Sayers R N Swanson Daniel Williman and Patrick Zutshi     *The Builder* ,1878     **The Agrarian History of England and Wales: Volume 2, 1042-1350** H.
