Eighteenth Century Women An Anthology By Hill Bridget:

Eighteenth-Century Women Poets Moira Ferguson,1995-11-16 This book examines the poems of three Englishwomen washerwoman Mary Collier middle class feminist polemicist Mary Scott Bristol milkwoman Ann Yearsley and Scottish dairywoman from Ayrshire Janet Little It questions how national identity might have influenced gender and class affiliations and reciprocally how gender might have determined a nationalist impulse particularly as it played out during the revolutionary period 1770 1800 in which most of the texts were written

Female Playwrights and Eighteenth-Century Comedy M. Anderson,2002-02-22 Aphra Behn Susannah Centlivre Hannah Cowley and Elizabeth Inchbald were the only four female playwrights in England with multiple comic successes from 1670 1800 Behn s interest in the body Centlivre s fascination with written contracts Cowley s nationalism and Inchbald s discussion of divorce emerge in the comic events that are animated by the psychological mechanisms of humor Attending to the dialogue between these comic events and the plays more predictable comic endings illuminates the philosophical political and legal arguments about women and marriage that fascinated both female playwrights and the theatergoing public

The Complete Poems Gaspara Stampa,2010-10-30 Gaspara Stampa was lauded for her singing during her lifetime but her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice s famous courtesans they can also be read as a rebuttal of typical assumptions about women s roles Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention This is a translation of Stampa into English

Meditations on the Incarnation, Passion, and Death of Jesus Christ Catharina Regina von Greiffenberg,2010-04-15 Read by Protestants and Catholics alike Catharina Regina von Greiffenberg 1633 94 was the foremost German woman poet and writer in the seventeenth century German speaking world Privileged by her social station and education she published a large body of religious writings under her own name to a reception unequalled by any other German woman during her lifetime But once the popularity of devotional writings as a genre waned Catharina s works went largely unread until scholars devoted renewed attention to them in the twentieth century For this volume Lynne Tatlock translates for the first time into English three of the thirty six meditations restoring Catharina to her rightful place in print These meditations foreground women in the life of Jesus Christ including accounts of women at the Incarnation and the Tomb and in Scripture in general Tatlock s selections give the modern reader a sense of the structure and nature of Catharina s devotional writings highlighting the alternative they offer to the male centered view of early modern literary and cultural production during her day and redefining the role of women in Christian history

Idleness, Indolence and Leisure in English Literature M. Fludernik,M. Nandi,2014-11-11 Idleness Indolence and Leisure in English Literature is the first study

to provide transhistorical perspectives and cutting edge critical analyses of debates concerning idleness in English literature The topicality of the subject is emphasized by two pieces of sociological analysis

Women and Literature in Britain, 1700-1800 Vivien Jones, 2000-03-09 This book first published in 2000 is an authoritative volume of new essays on women's writing and reading in the eighteenth century

Historical Dictionaries in their Paratextual Context Roderick McConchie, Jukka Tyrkkö, 2018-09-24 Both dictionary and paratext research have emerged recently as widely recognised research areas of intrinsic interest This collection represents an attempt to place dictionaries within the paratextual context for the first time This volume covers paratextual concerns including dictionary production and use questions concerning compilers publishers patrons and subscribers and their cultural embedding generally This book raises questions such as who compiled dictionaries and what cultural linguistic and scientific notions drove this process What influence did the professional interests life experience and social connexions of the lexicographer have Who published dictionaries and why and what do the forematter backmatter and supplements tell us Lexicographers edited adapted and improved earlier works leaving copies with marginalia which illuminate working methods Individual copies offer a history of ownership through marginalia signatures dates places and library stamps Further questions concern how dictionaries were sold who patronised them subscribed to them and how they came to various libraries

Pagodas in Play Adrienne Ward, 2010 Pagodas in Play analyzes the treatment of China in the imaginative and spectacular world of eighteenth century Italian opera It shows how Italians used perceptions of Chinese culture to address local and transnational developments particularly Enlightenment and secular reform initiatives Its focus on the texts and performance practices of opera an entertainment form accessible to a wide public reveals cultural operations and identities harder to detect in non fictional reformist writings the texts traditionally privileged to explain Italian mediations of Enlightenment ideas In its close reading of nine libretti of the most salient Settecento operas treating China *opere serie* and *opere buffe* by authors including Metastasio Zeno Goldoni and Lorenzi Pagodas in Play differentiates Italian iterations of Chinese culture from French and English counterparts It further challenges certain tenets of orientalism showing how it operates when nationalist and or colonialist projects are absent and how orientalist practices in eighteenth century Italy exhibit early on the complexity some scholars locate only in the twentieth century Adrienne Ward teaches Italian literature and culture at the University of Virginia

The Single Homemaker and Material Culture in the Long Eighteenth Century David Hussey, Margaret Ponsonby, 2016-03-03 The Single Homemaker and Material Culture in the Long Eighteenth Century represents a new synthesis of gender history and material culture studies It seeks to analyse the lives and cultural expression of single men and women from 1650 to 1850 within the main focus of domestic activity the home Whilst there is much scholarly interest in singleness and a raft of literature on the construction and apprehension of the home no other book has sought to bring these discrete studies together Similarly scholarly work has been limited in evaluating gendered consumption practices during the long eighteenth

century because of an emphasis on the homes of families Analysing the practices of single people emphasises the differences but also amplifies the similarities in their strategies of domestic life *Gender in Eighteenth-Century England* Hannah Barker, Elaine Chalus, 2014-06-17 A new collection of essays which challenges many existing assumptions particularly the conventional models of separate spheres and economic change All the essays are specifically written for a student market making detailed research accessible to a wide readership and the opening chapter provides a comprehensive overview of the subject describing the development of gender history as a whole and the study of eighteenth century England This is an exciting collection which is a major revision of the subject *Consensual Fictions* Wendy S. Jones, 2005-01-01 In *Consensual Fictions* Wendy S Jones focuses on the English novel of the period to explore the relationship between married love classic liberal thought and novelistic form **Women Founders of the Social Sciences** Lynn McDonald, 2013-12-01 Ground breaking and original this book debunks the myth that empirical social science has been dominated by its male founders and methodologists The author re analyses the critical role British French and American women played in creating the field from the 16th through the early 20th centuries Included are Mary Astell Mary Wollstonecraft Harriet Martineau Beatrice Webb Catharine Macauley Florence Nightingale Madame de Sta l and Jane Addams *Shirts, Shifts and Sheets of Fine Linen* Pam Inder, 2023-12-14 *Shirts Shifts and Sheets of Fine Linen* explores how the jobs of the seamstress evolved in scope and status between 1600 1900 In the 17th and early 18th centuries seamstressing was a trade for women who worked in linen and cotton making men s shirts women s chemises underwear and baby linen some of these seamstresses were consummate craftswomen able to sew with stitches almost invisible to the naked eye Few examples of their work survive but those that do attest to their skill However as the ready to wear trade expanded in the 18th century women who assembled these garments were also known as seamstresses and by the 1840s most seamstresses were outworkers for companies or entrepreneurs paid unbelievably low rates per dozen for the garments they produced notorious examples of downtrodden exploited womenfolk Drawing on a range of original and hitherto unpublished sources including business diaries letters and bills *Shirts Shifts and Sheets of Fine Linen* explores the seamstress s change of status in the 19th century and the reasons for it hinting at the resurgence of the trade today given so few women today are skilled at repairing and altering clothes Illustrated with 60 images the book brings seamstresses into focus as real people granting new insights into working class life in 18th and 19th century Britain *Anne Finch and Her Poetry* Barbara McGovern, 1992 *Anne Finch and Her Poetry* is the first major critical examination of the life and works of the foremost English woman poet of the eighteenth century This biography places Anne Finch 1661 1720 in her social and literary milieu and includes discussion of such topics as love and marriage female friendships melancholy and nature as they relate both to Finch s life and to her poetry Barbara McGovern gives considerable attention to the methods by which Finch developed her artistry and molded a largely masculine literary tradition to her own designs through a variety of rhetorical and stylistic devices She examines the entire body of Finch s work including two verse

plays and a number of previously unpublished poems and letters and corrects numerous misconceptions about the poet and her work Though recognized in her lifetime as a talented poet for nearly two hundred years Finch has been overlooked or when anthologized misrepresented McGovern focuses on the historical place and displacement of Finch in Restoration and early eighteenth century England in terms of her involvement with Britain's most critical religious and political controversies An Anglican and Royalist who along with her husband was attached to the Stuart court at the time of the Glorious Revolution Finch was an outsider because of her politics and religion as well as her gender Despite her marginal status in society Anne Finch was able to develop her poetic identity in part by defining her relationships with other early women writers including Katherine Philips and Aphra Behn Her female friendships as well as aristocratic family ties and titled position gave her access to a number of the most famous literary figures of her age including Alexander Pope and Jonathan Swift A thoroughly researched well written and compelling work Anne Finch and Her Poetry will no doubt become the standard biography of the finest woman poet in England before the nineteenth century **Busks, Basques and Brush-Braid** Pam Inder, 2020-06-11

The dressmaking trade developed rapidly during the 18th and 19th centuries changing the lives of thousands of British workers Busks Basques and Brush Braid focuses on the trade and the people within it from their working conditions and earnings to their training services and relationships with customers Exploring the lives of dressmakers in fact and fiction the book looks at representations of the trade in the plays and novels of the time while surveying the often harsh realities of the workers lives From the arrival of the sewing machine to the influence of the department store it explores the impact of mechanization commercialization and modernity on a historical trade Pamela Inder illuminates a new world of dressmaking enabled by goods like paper patterns and magazines and sets out to investigate the increasing monopoly of female dressmakers in an industry once dominated by male tailors Drawing on a range of original and hitherto unpublished sources including business records diaries letters bills and newspaper articles Busks Basques and Brush Braid reveals the untold story of the dressmaking trade Beautifully illustrated with over 80 images the book brings dressmakers into focus as real people granting new insights into working class life in 18th and 19th century Britain *Promises Broken* Ginger Suzanne Frost, 1995

COURTSHIP CLASS AND GENDER IN VICTORIAN ENGLAND **Selected Philosophical and Scientific Writings** Emilie Du Châtelet, 2009-09-15 Though most historians remember her as the mistress of Voltaire Emilie Du Châtelet 1706-49 was an accomplished writer in her own right who published multiple editions of her scientific writings during her lifetime as well as a translation of Newton's Principia Mathematica that is still the standard edition of that work in French Had she been a man her reputation as a member of the eighteenth century French intellectual elite would have been assured In the 1970s feminist historians of science began the slow work of recovering Du Châtelet's writings and her contributions to history and philosophy For this edition Judith P Zinsler has selected key sections from Du Châtelet's published and unpublished works as well as related correspondence part of her little known critique of the Old and New Testaments and a

treatise on happiness that is a refreshingly uncensored piece of autobiography making all of them available for the first time in English The resulting volume will recover Chatelet's place in the pantheon of French letters and culture Women In England 1500-1760 Anne Laurence, 2013-07-25 Drawing on a wide range of recent research WOMEN IN ENGLAND is an intimate social history of women who experienced life between the Reformation and the Industrial Revolution Anne Laurence writes about marriage sex childbirth work within and outside the household education religion and women's activity in the community and the wider world A marvellously rich and fresh survey of English women from the Reformation to the dawn of the Industrial Revolution Roy Porter The Sunday Times Eighteenth-century Women Bridget Hill, 1984-01-01 *The Women's Movements in the United States and Britain from the 1790s to the 1920s* Christine Bolt, 2014-09-25 This book presents a study of the development of the feminist movement in Britain and America during the 19th century Acknowledging the similar social conditions in both countries during that period the author suggests that a real sense of distinctiveness did exist between British and American feminists American feminists were inspired by their own perception of the superiority of their social circumstances for example whereas British feminists found their cause complicated by traditional considerations of class Christine Bolt aims to show that the story of the American and British women's movement is one of national distinctiveness within an international cause This book should be of interest to students and teachers of American and British political history and women's studies
