Edwin Arlington Robinson The Life Of:

Edwin Arlington Robinson Louis Coxe,1962 Critically examines the motifs structure and metaphysical content of the poems in which Robinson expressed his transcendental views of life *Edwin Arlington Robinson* Scott Donaldson,2007 The best of Edwin Arlington Robinson s poetry rings with a lyrical and emotional purity and singularity that should assure his place as one of the treasured poets of his generation Scott Donaldson s book should help to revive appreciation for this solitary figure and the unique resonance of his work W S Merwin Edwin Arlington Robinson Louis O. Coxe,1969 Presenting Robinson as both a man and a poet with some emphasis on the split between the two the book delves deeply into Robinson s life and works brilliantly characterizes the era and the region to which he belonged and reveals how Robinson obeyed yet transcended the exigencies of both as well as those of his personal heritage and experience The author surveys the entire canon of Robinson s poetry from the earliest works the masterful vignettes through the Arthurian poems on to the last poems the long narratives such as *Amaranth* and *King Jasper* The book offers enriching new perspectives on both Robinson and his poetry and a new understanding of his poetic vision What he saw he saw steadily what often redeems a flawed poem and ensures a sound one is his awareness of other people and his Wordsworthian conviction that the poet was only a man like other men but in a particular way more so The more so is what counts A Study of the Life and Poetry of Edwin Arlington Robinson William H. Richardson,1933* *Edwin Arlington Robinson* Scott Donaldson,2007-01-09 At the time of his death in 1935 Edwin Arlington Robinson was regarded as the leading American poet the equal of Frost and Stevens In this biography Scott Donaldson tells the intriguing story of this poet s life based in large part on a previously unavailable trove of more than 3 000 personal letters and recounts his profoundly important role in the development of modern American literature Born in 1869 the youngest son of a well to do family in Gardiner Maine Robinson had two brothers Dean a doctor who became a drug addict and Herman an alcoholic who squandered the family fortune Robinson never married but he fell in love as many as three times most lastingly with the woman who would become his brother Herman s wife Despite his shyness Robinson made many close friends and he repeatedly went out of his way to give them his support and encouragement Still it was always poetry that drove him He regarded writing poems as nothing less than his calling what he had been put on earth to do Struggling through long years of poverty and neglect he achieved a voice and a subject matter all his own He was the first to write about ordinary people and events an honest butcher consumed by grief a miser with eyes like little dollars in the dark ancient clerks in a dry goods store measuring out their days like bolts of cloth In simple yet powerful rhetoric he explored the interior worlds of the people around him Robinson was a major poet and a pivotal figure in the course of modern American literature yet over the years his reputation has declined With his biography Donaldson returns this remarkable talent to the pantheon of great American poets and sheds new light on his enduring legacy **Friendship in the Life and Poetry of Edwin Arlington Robinson** Don Ballew Graham,1964 **Consistency**

in the Life and Poetry of Edwin Arlington Robinson Marjorie Robinson,1939 *Edwin Arlington Robinson* Louis O. Coxe,1962-12-30 Critically examines the motifs structure and metaphysical content of the poems in which Robinson expressed his transcendental views of life *Edwin Arlington Robinson* Michael E.
