the chance to move to the global business arena yet also much more risk Small businesses not only have less employment but
also less annual revenue than a regular sized business With the growth of large corporations and chain businesses it has
become harder to maintain the survival of a small business The COVID 19 pandemic has also brought more pressure onto the
already unsteady survival of small businesses due to forced closures decreased agility fewer technological innovations and
smaller customer bases The Research Anthology on Small Business Strategies for Success and Survival offers current
strategies for small businesses that can be utilized in order to maintain equal footing during challenging times With the
proper strategies available to small business owners small businesses could not only survive but also excel despite the
environment that surrounds them Covering topics including decision management new supportive technologies sustainable
development and micro financing this text is ideal for small business owners entrepreneurs startup companies family owned
