Suffolk County Farm and Home Bureau News ,1927 Honey, Do You Need a Ride?

Jennifer Graham,2014-04-28 The hardest thing about running isn t the running It s getting yourself out the front door This is particularly true for anyone who is overweight who doesn t look like a runner but more like someone who ran out of gas on the way to pick up a pizza Someone who looks like she needs a ride home Jennifer Graham s been there She s still there actually She started running to lose weight and she did lose a little but not enough to ever fit in the size 12 silk dress that still hangs in her closet apparently doomed to be forever unworn But no matter Along the way Graham learned that running not weight loss is the fast track to joy It s also the best way to motor over the speed bumps of life whether they be excessive procreation a difficult divorce or runaway donkeys headed for the school bus Graham a columnist for The Boston Globe writes candidly about the indignities of being a plus sized runner in a sport dominated by long lean shirtless wonders But she believes that everyone who can run should run and if they can t they should walk as long and as fast as they can How It s this simple Put on your most comfortable clothes and

your most comfortable shoes and walk somewhere even if it's just to the mailbox Then run back to where you started slowly The next day do it again only go a little bit farther And farther yet the next day Keep it up listening carefully to your body about when it needs to work and when it should rest One day you'll run a 5K or a marathon or at least will be able to retrieve your mail with lightning speed But first buy a copy of this book and let Jennifer Graham entertain you every step of the way Praise for Honey Do You Need a Ride Jennifer writes like an old friend speaks in a voice you know and love Her descriptions of running heavy whether with added weight or added burdens make her experience universal to runners and non runners alike Her overcoming spirit makes you want to cheer for her run with her or eat a pint of ice cream with her Ultimately it's not the size of the body but the size of the heart that counts And this runner's heart is huge Kristin Armstrong mother of three Contributing Editor for Runner's World Mile Markers The 26.2 Most Important Reasons Why Women Run Here's to the mid pack runners the back of the pack shufflers the start slowly and taper off champions Just remember there's a lot more of us than there are of them those tall skinny Shirtless Wonders And Jennifer Graham tells our story beautifully with unflinching honesty and laugh out loud humor John the Penguin Bingham author of The Courage to Start No Need for Speed and An Accidental Athlete Jennifer Graham might be surprised when the sinewy running tribe she longs to conform to becomes readers of her book because you don't have to be a fat runner to enjoy this moving memoir If you've ever fallen in love with running if running is a constant companion if running has been a lifeline through bad times then you'll identify with Graham's story Okay maybe not the donkeys or the paranormal coaching but when you're done reading you'll wish you could join Graham on a run just so you can hear more Kara Douglass Thom author of Becoming an Ironman and Hot Sweaty Mamas Five Secrets to Life as a Fit Mom Jennifer Graham is the hilarious pee your pants running partner you wish you had She'll make you want to move to Boston just to pound out a few miles alongside her and slam down a ginormous hot fudge sundae with her post run If you love running laughing eating and reading in equal measure you'll love this book Eileen Button author of The Waiting Place Learning to Appreciate Life's Little Delays Hearings Before ... the Committee on Agriculture United States.
