Ralph Philip Rosenberg, 1956 **The Act of Reading Georg Büchner's Dantons Tod** John Hart, 1993 *The Moral Conflict in Georg Büchner's Dantons Tod* H. Maclean, 1957 *Dantons Tod* Georg Büchner, 1969 The play follows the story of Georges Danton a leader of the French Revolution during the lull between the first and second terrors Georges Danton created the office of the Revolutionary Tribunal as a strong arm for the Revolutionary Government With this to be accused of anything real or imagined was to be condemned to death without trial proofs evidence or witnesses Within months he knew this power was a terrible mistake and fought to have it ended Robespierre stopped him and used the Tribunal to have Danton and all opposition killed consolidate his power and slaughter uncounted thousands of French men women and children Ultimately he followed Danton to the guillotine Witnesses describe Danton as dying bravely comforting other innocents executed with him Wikipedia *The Rehearsal of Revolution* Terence Michael Holmes, 1995 Georg Buchner was one of the most radical revolutionaries of his time but his drama Dantons Tod is often interpreted as an expression of political disillusionment because of its focus on the corruption and collapse of the French Revolution This study shows that the failure of the French Revolution was a central theme of ideological controversy amongst the increasingly communist orientated French republicans of the early 1830s In the context of Buchner's close relationship with this movement Dantons Tod is seen as a distinctive contribution to the doctrinal and operational debate on the extreme left This book demonstrates how Buchner's dramatization of history served to develop and clarify his own revolutionary perspectives not to put them in doubt **Georg**

Mosaic and Flux: Georg Büchner and the Marion Episode in Danton's Tod John Reddick, 1980 *A History of Nihilism in the Nineteenth Century* Jon Stewart, 2023-03-30 Nihilism the belief that life is meaningless is frequently associated with twentieth century movements such as existentialism postmodernism and Dadaism and thought to result from the shocking experiences of the two World Wars and the Holocaust In his rich and expansive new book Jon Stewart shows that nihilism's beginnings in fact go back much further to the first half of the

nineteenth century He argues that the true origin of modern nihilism was the rapid development of Enlightenment science which established a secular worldview This radically diminished the importance of human beings so that in the vastness of space and time individuals now seemed completely insignificant within the universe The author s panoramic exploration of how nihilism developed not only in philosophy but also in religion poetry and literature shows what an urgent topic it was for thinkers of all kinds and how it has continued powerfully to shape intellectual debates ever since *The Sentence of Death and the Execution of Wit in Georg Büchner's Dantons Tod* Paul Levesque,1989 Satire, Caricature and Perspectivism in the Works of Georg Büchner Henry J.
