George Cukor Master Of Elegance:

George Cukor Emanuel Levy,1994 With access to Cukor's personal correspondence dating from the 1930s and in depth interviews with over 100 legendary Hollywood figures including Katharine Hepburn Claudette Colbert and Rex Harrison Levy has compiled the definitive biography of the award winning director of *My Fair Lady* *A Star is Born* and other acclaimed films

George Cukor's People Joseph McBride,2024-12-17 The director of classic films such as *Sylvia Scarlett* *The Philadelphia Story* *Gaslight* *Adam's Rib* *A Star Is Born* and *My Fair Lady* George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood George Cukor's *People* gives him the in depth multifaceted examination his rich achievement deserves

George Cukor Murray Pomerance,2015-07-07 The various essays in this volume all written by prominent experts in the field offer critical discussions of every feature film Cukor directed and include a rich trove of valuable information about their production histories

Romanticism and Film Will Kitchen,2020-11-26 The relationship between Romanticism and film remains one of the most neglected topics in film theory and history with analysis often focusing on the proto cinematic significance of Richard Wagner's music dramas One new and interesting way of examining this relationship is by looking beyond Wagner and developing a concept of audio visual explanation rooted in Romantic philosophical aesthetics and employing it in the analysis of film discourse and representation Using this concept of audio visual explanation the cultural image of the Hungarian pianist and composer Franz Liszt a contemporary of Wagner and another significant practitioner of Romantic audio visual aesthetics is examined in reference to specific case studies including the rarely explored films *Song Without End* 1960 and *Lisztomania* 1975 This multifaceted study of film discourse and representation employs Liszt as a guiding thread structuring a general exploration of the concept of Romanticism and its relationship with film more generally This exploration is supported by new theories of representation based on schematic cognition the philosophy of explanation and the recently developed film theory of Jacques Rancière

Individual chapters address the historical background of audio visual explanation in Romantic philosophical aesthetics Liszt's role in the historical discourses of film and film music and various filmic representations of Liszt and his compositions Throughout these investigations Will Kitchen explores the various ways that films explain or make sense of things through a Romantic aesthetic combination of sound and vision

Kimmel, 2008-08-01 While film genres go in and out of style the romantic comedy endures from year to year and generation to generation Endlessly adaptable the romantic comedy form has thrived since the invention of film as a medium of entertainment touching on universal predicaments meeting for the first time the battle of the sexes and the bumpy course of true love These films celebrate lovers who play and improvise together no matter how nutty or at what great odds they may appear As Eugene Pallette mutters in *My Man Godfrey* 1936 All you need to start an asylum is an empty room and the right kind of people Daniel Kimmel s book about romantic comedy is like watching a truly funny movie with a knowledgeable friend

A Star Is Born Lorna Luft, Jeffrey Vance, 2025-04-08 New York Times bestselling author and daughter of Judy Garland tells the story of *A Star Is Born* at once the crowning achievement and greatest disappointment in her mother s legendary career This is a vivid account of a film classic s production loss and reclamation *A Star Is Born* the classic Hollywood tale about a young talent rising to superstardom and the downfall of her mentor lover along the way has never gone out of style It has seen five film adaptations but none compares to the 1954 version starring Judy Garland in her greatest role But while it was the crowning performance of the legendary entertainer s career the production turned into one of the most talked about in movie history The story which depicts the dark side of fame addiction loss and suicide paralleled Garland s own tumultuous life in many ways While hitting alarmingly close to home for the fragile star it ultimately led to a superlative performance one that was nominated for an Academy Award but lost in one of the biggest upsets in Oscar history Running far too long for the studio s tastes Warner Bros notoriously slashed extensive amounts of footage from the finished print leaving *A Star Is Born* in tatters and breaking the heart of both the film s star and director George Cukor Today with a director s cut reconstructed from previously lost scenes and audio the 1954 *A Star Is Born* has taken its deserved place among the most critically acclaimed movies of all time and continues to inspire each new generation that discovers it Now Lorna Luft daughter of Judy Garland and the film s producer Sid Luft tells the story of the production and of her mother s fight to save her career as only she could Teaming with film historian Jeffrey Vance *A Star Is Born* is a vivid and refreshingly candid account of the crafting loss and restoration

of a movie classic complemented by a trove of images from the family collection taken both on and off the set The book also includes essays on the other screen adaptations of *A Star Is Born* to round out a complete history of a story that has remained a Hollywood favorite for close to a century
