The Life of George Eliot George Eliot,2020-12-17 The Life of George Eliot is a specific kind of autobiography of English author Mary Ann Evans better known as George Eliot This book is based on her correspondence and journals edited by her husband John Walter Cross His goal in assembling this work was to make known the woman as well as the author through the presentation of her daily life and to show the development of her intellect and character Eliot was married to Cross only for six months before she died leaving him with the task to present her life to the public By arranging all the letters and journals so as to form one connected whole keeping the order of their dates the editor and the husband managed to combine a narrative of day to day life of this prominent literary figure George Eliot Blanche C. Williams,1982-03-01 **The Life**

of George Eliot Nancy Henry,2012-05-07 The life story of the Victorian novelist George Eliot is as dramatic and complex as her best plots This new assessment of her life and work combines recent biographical research with penetrating literary criticism resulting in revealing new interpretations of her literary work A fresh look at George Eliot's captivating life story Includes original new analysis of her writing Deploys the latest biographical research Combines literary criticism with biographical narrative to offer a rounded perspective *George Eliot's life* George Eliot,1898 **George Eliot's Life, Complete** George Eliot,2016-01-15 Chapter I In the foregoing introductory sketch I have endeavored to present the influences to which George Eliot was subjected in her youth and the environment in which she grew up I am now able to begin the fulfilment of the promise on the titlepage that the life will be related in her own letters or rather in extracts from her own letters for no single letter is printed entire from the beginning to the end I have not succeeded in obtaining any between 6th January 1836 and 18th August 1838 but from the latter date the correspondence becomes regular and I have arranged it as a continuous narrative with the names of the persons to whom the letters are addressed in the margin The slight thread of narrative or explanation which I have written to elucidate the letters where necessary will hereafter occupy an inside margin so that the reader will see at a glance what is narrative and what is correspondence and will be troubled as little as possible with marks of quotation or changes of type The following opening letter of the series to Miss Lewis describes a first visit to London with her brother Sidenote Letter to Miss Lewis 18th Aug 1838 Let me tell you though that I was not at all delighted with the stir of the great Babel and the less so probably owing to the circumstances attending my visit thither
