John Sainsbury

George John Armstrong Of Castleton:

George and John Armstrong of Castleton. Two eighteenth-century medical pioneers. [With portraits.]. William Joseph Marie Alois MALONEY, George ARMSTRONG (M.D.), John ARMSTRONG (Physician and Poet.), 1954 *George and John Armstrong of Castleton* William Joseph Marie Alois Maloney, 1954 George Armstrong opened a Dispensary for the infant poor in Red Lion Square London *George and John Armstrong of Castleton, Two Eighteenth-century Medical Pioneers* William Joseph Marie Alois Maloney, 1954 George Armstrong opened a Dispensary for the infant poor in Red Lion Square London

George and John Armstrong of Castleton Dr. William Joseph Maloney, 1954 **John Armstrong's The Art of Preserving Health** Adam Budd, 2016-05-06 John Armstrong's 2000 line poem *The Art of Preserving Health* was among the most popular works of eighteenth century literature and medicine It was among the first to popularize Scottish medical ideas concerning emotional and anatomical sensibility to British readers doing so through the then fashionable georgic style Within three years of its publication in 1744 it was in its third edition and by 1795 it commanded fourteen editions printed in London Edinburgh Dublin and Benjamin Franklin's shop in Philadelphia Maintaining its place amongst more famous works of the Enlightenment this poem was read well into the nineteenth century remaining in print in English French and Italian It remained a tribute to sustained interest in eighteenth century sensibility long after its medical advice had become obsolete and the nervous complaints it depicted became unfashionable Adam Budd's critical edition includes a comprehensive biographical and textual introduction and explanatory notes highlighting the contemporary significance of Armstrong's classical medical and social references Included in his introduction are discussions of Armstrong's innovative medical training in charity hospitals and his close associations with the poet James Thomson and the bookseller Andrew Millar evidence for the poem's wide appeal and a compelling argument for the poem's anticipation of sensibility as a dominant literary mode Budd also offers background on the new physiology taught at Edinburgh as well as an explanation for why a Scottish trained physician newly arrived in London was forced to write poetry to supplement his medical income This edition also includes annotated excerpts from the key literary and medical works of the period including poetry medical prose and georgic theory Readers will come away convinced of the poem's significance as a uniquely engaging perspective on the place of poetry medicine the body and the book trade in the literary history of eighteenth century sensibility **Undertaker of the Mind** Jonathan Andrews, Andrew Scull, 2001-11-27 As visiting physician to Bethlem Hospital the archetypal Bedlam and Britain's first and for hundreds of years only public institution for the insane Dr John Monro 1715-1791 was a celebrity in his own day Jonathan Andrews and Andrew Scull call him a connoisseur of insanity this high priest of the trade in lunacy Although the basics of his life and career are well known this study is the first to explore in depth Monro's colorful and contentious milieu Mad doctoring grew into a recognized if not entirely respectable profession during the eighteenth century and besides being affiliated with public hospitals Monro and other mad doctors became entrepreneurs and owners of private

madhouses and were consulted by the rich and famous. Monroe's close social connections with members of the aristocracy and gentry as well as with medical professionals, politicians and divines guaranteed him a significant place in the social, political, cultural and intellectual worlds of his time. Andrews and Scull draw on an astonishing array of visual materials and verbal sources that include the diaries, family papers and correspondence of some of England's wealthiest and best connected citizens. The book is also distinctive in the coverage it affords to individual case histories of Monroe's patients including such prominent contemporary figures as the Earls of Ferrers and Orford, the religious enthusiast Alexander Cruden and the mad King George III as well as his crazy would-be assassin Margaret Nicholson. What the authors make clear is that Monroe, a serious physician, neither reactionary nor enlightened in his methods, was the outright epitome of the mad trade as it existed then, esteemed in some quarters and ridiculed in others. The fifty illustrations expertly annotated and integrated with the text will be a revelation to many readers.

John Wilkes John Sainsbury, 2017-03-02 John Wilkes remains one of the most colourful and intriguing characters of eighteenth century Britain. Born in 1725 the son of a prosperous London distiller, he was given the classical education of a gentleman before entering politics as a Whig. Finding his party in opposition following the accession of George III in 1760, he took up his pen with sensational effect and made a career out of excoriating the new administration and promoting the Whig interest. His charismatic style and vicious wit soon ensured that he became a figurehead for the radical cause, earning him many admirers and many enemies. Amongst the latter were the king and the artist William Hogarth who famously depicted Wilkes as a grinning, squint-eyed, pug-nosed agent of misrule. Whilst Wilkes's political career has been much explored, particularly the period between 1763 and 1774, much less has been written about his remarkable private life. This biography provides a more comprehensive examination of Wilkes throughout his long life than has hitherto been available. Taking a thematic rather than chronological approach, it is divided into six main chapters covering family, ambition, sex, religion, class and money, which allows a much more rounded picture of Wilkes to emerge. In so doing, it provides a fascinating insight not only into one of the most intriguing characters of the Georgian period but also into wider eighteenth century British society and its shifting attitudes to morality, politics and gender.

The Mainstream Companion to Scottish Literature Trevor Royle, 2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland's literature, covering a period from the earliest times to the early 1990s. It includes over 600 essays on the lives and works of the principal poets, novelists, dramatists, critics and men and women of letters who have written in English, Scots or Gaelic. Thus, as well as such major writers as Robert Henryson, William Dunbar, Gavin Douglas, Allan Ramsay, Robert Fergusson, Robert Burns, Walter Scott, Robert Louis Stevenson and Hugh MacDiarmid, the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature. Also included here are entries on the lives of other more peripheral writers such as historians, philosophers, diarists and divines whose work has made a contribution to Scottish letters. Other essays range over such general subjects as the

principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader *Contagionism Catches On* Margaret DeLacy, 2017-07-25 This book shows how contagionism evolved in eighteenth century Britain and describes the consequences of this evolution By the late eighteenth century the British medical profession was divided between traditionalists who attributed acute diseases to the interaction of internal imbalances with external factors such as weather and reformers who blamed contagious pathogens The reformers who were often outsiders English Nonconformists or men born outside England emerged from three coincidental transformations transformation in medical ideas in the nature and content of medical education and in the sort of men who became physicians Adopting contagionism led them to see acute diseases as separate entities spurring a process that reoriented medical research changed communities established new medical institutions and continues to the present day

The Medical Enlightenment of the Eighteenth Century Andrew Cunningham, Roger French, 1990-07-19 A series of essays on the development of medicine in the century of the Enlightenment illustrating the decline in the role of religion in medical thinking and the increased use of reason **Morris's Memorial History of Staten Island, New York** Ira K. Morris, 1898 Morris S Memorial History of Staten Island New York by Ira K 4n Morris first published in 1898 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **The Poetical Works of Armstrong, Dyer, and Green** John Armstrong, John Dyer, Matthew Green, 1858 **The Publishers' Trade List Annual**, 1966 *British Medical Journal*, 1954

Early Journals and Letters of Fanny Burney Fanny Burney, 1988 Stewart J Cooke teaches English at Dawson College Book Jacket **Library Catalogue** Institute of History of Medicine, 1970 **Early Journals and Letters of Fanny Burney, Volume 1** Lars E. Troide, 1988-05-01 Volume One is the first of a projected twelve volume edition of Burney's early journals and letters and covers the years 1768-73 This edition reproduces her earliest journals in their original form replacing omitted and altered passages It shows her development as an artist and contains typically vivid sketches of her family friends and acquaintances in London and the country Further volumes will cover the so called Streatham Years 1778-86 4 vols and Court Years 1786-91 6 vols These will carry her through the period of her greatest fame as the author of the novels *Evelina* 1778 and *Cecilia* 1782 and will end with her exit from the Court of King George III and Queen Charlotte after five exhausting years of service to the Queen as Second Keeper of the Robes Eighteenth century scholars generally regard

Fanny's early journals as her freshest and most appealing. This edition complements Joyce Hemlow's Oxford edition of Burney's letters and journals from 1791 to 1840 (12 vols, Oxford, 1972-84). While the early journals have been printed before, Lars Troide's edition will provide the first full text of Fanny's early journals accompanied by thorough and accurate annotations which fully explicate the context in which the journals were written. Isis, 1956-03. **Physician's Book Compendium**, 1969. Over 10,000 monographs currently in print about practice and research in the medical and biomedical sciences. Entries arranged by general medical specialties (e.g. allergy, geriatrics, surgery) then by subspecialties or other topics and then by authors. Most entries include author, title, publisher, publication date, pages, price, and brief annotation. Author index.

England: Northampton to York. Wales: Anglesey to Radnor. Great Britain. Local Government Board, 1875.

Eventually, you will no question discover a additional experience and carrying out by spending more cash. yet when? realize you receive that you require to acquire those every needs in imitation of having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more in this area the globe, experience, some places, similar to history, amusement, and a lot more?

It is your completely own grow old to do its stuff reviewing habit. among guides you could enjoy now is **George John Armstrong Of Castleton** below.

While this might not be the George John Armstrong Of Castleton full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of George John Armstrong Of Castleton eBooks, including some popular titles.

FAQs About George John Armstrong Of Castleton Books

What is a George John Armstrong Of Castleton PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George John Armstrong Of Castleton PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George John Armstrong Of Castleton PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a George John Armstrong Of Castleton PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George John Armstrong Of Castleton PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
