

George Mason Of Virginia

Lewis Henry Machen

George Mason Of Virginia:

The Five George Masons Pamela C. Copeland, Richard K. McMaster, 2016-03-08 A Founding Father a patriot in the Revolutionary War a delegate from Virginia to the Constitutional Convention and one of the driving forces behind the creation of the U S Bill of Rights George Mason 1725 1792 worked passionately and diligently throughout his life both as a private citizen and as a public servant to ensure that government protected the inherent rights of the people The Five George Masons first published in 1975 provides a comprehensive overview of five generations of the Mason family beginning with George Mason I who fled England following the defeat of the Royalists at the second battle of Worcester in 1651 arriving in the Colony of Virginia in the early 1650s Central to this volume of course is George Mason IV who while less celebrated than his fellow Virginians George Washington and Thomas Jefferson was one of America s outstanding thinkers legislators and writers his ideals and legacy endure to this day This second edition includes a new foreword as well as color photos and maps while faithfully reproducing the original edition s unique genealogical charts of the Mason family In tracing the family history of the Masons the book provides important context for understanding the life and work of George Mason IV who wrote All men are by nature equally free and independent and have certain inherent rights The Five George Masons serves as a uniquely valuable resource for historians educators genealogists and all those interested in the history of Virginia and the early United States Distributed for the George Mason University Press **The life of George Mason, 1725-1792** K.M.

Rowland, 1892 **George Mason** Robert A. Rutland, 1980-04-01 George Mason of Gunston Hall was a scholarly craftsman of government during America s crucial formative years His Virginia Declaration of Rights provided a sense of purpose and direction to the rebellious colonies and his vigorous insistence on the protection of personal liberties in the Constitution is reflected in the document s first ten amendments the Bill of Rights Fellow Virginian Thomas Jefferson said of Mason that he was of the first order of greatness Few Americans who have served their country however have met with as little recognition Essentially a private person who cared nothing for political prestige Mason had been overshadowed by the other founders of the Republic although most of them had turned to him for advice and direction In a concise cogently written biography a distinguished historian restores the reluctant statesman to his proper place in the pantheon of America s greatest citizens

George Mason of Virginia, Citizen, Statesman, Philosopher Robert C. Mason, 1919 George Mason of Virginia Florette Henri, 1971 A biography of the influential eighteenth century Virginia statesman whose Declaration of Rights for that colony served as the basis for the Bill of Rights incorporated into the Constitution *George Mason of Virginia* Lewis Henry Machen, 1901 **George Mason** William G. Hyland, 2019-05-07 George Mason was a short bookish man who was a friend and neighbor of athletic broad shouldered George Washington Unlike Washington Mason has been virtually forgotten by history But this new biography of forgotten patriot George Mason makes a convincing case that Mason belongs in the pantheon of honored Founding Fathers Trained in the law Mason was also a farmer philosopher botanist and musician He

was one of the architects of the Declaration of Independence an author of the Bill of Rights and one of the strongest proponents of religious liberty in American history In fact both Thomas Jefferson and James Madison may have been given undue credit for George Mason s own contributions to American democracy *George Mason of Virginia* Lewis H. Machen,2015-07-10 Excerpt from *George Mason of Virginia* An Address This speech of Mr Machen is such a complete summary of the life character and works of George Mason and the occasion of its delivery one so interesting not only to the relatives of all the distinguished men whose portraits were presented but to all Virginians who love their State and are proud of her history that an apology for this effort to preserve the record in more permanent form is scarcely needed It was desired to have the entire record of that occasion including all the speeches and all the portraits gathered into one volume But finding this too large an undertaking I leave it to some future historian of the records of old Fairfax At the request of several representative members of the family this work is undertaken primarily for the purpose of placing in the hands of every descendant of Mason a reliable sketch of their ancestor of whom most of them know very little beyond the name It is hoped that many who read this will seek to study his history more fully in that admirable biography written by Miss Kate Mason Rowland and published in 1892 by Putnam s Sons to which work we are indebted for most of the data in this booklet In his eloquent introduction to Kate Mason Rowland s life of George Mason General Fitzhugh Lee says He was indeed the people s man in a people s government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *George Mason of Virginia* L. H. Machen,2003-01-01 **George Mason of Virginia** Robert C. Mason,2014-03 This Is A New Release Of The Original 1919 Edition **George Mason, Forgotten Founder** Jeff Broadwater,2006 In this first full biography of George Mason 1725 92 in a quarter century Jeff Broadwater shows that Mason was often driven by concerns about the abuse of political power which went to the essence of the American experience Illustrations **George Mason of Virginia, Citizen, Statesman, Philosopher ... An Address, Etc. [With Illustrations.]**. Robert C. MASON,George MASON (of Virginia.),1919 **George Mason of Virginia; An Address** Lewis Henry 1871- [From Old Cat Machen,2016-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other
