

GERMAN-AMERICAN PROPAGANDIST
BY NIEL M. JOHNSON

George Sylvester Viereck German American Propagandist

A. D. Harvey

George Sylvester Viereck German American Propagandist:

George Sylvester Viereck Niel M. Johnson, 1972 George Sylvester Viereck Niel M. Johnson, 1967 George Sylvester Viereck, German-American Propagandist Niel M. Johnson, 1972 **Societal Responses to George Sylvester** Viereck, German-American Propagandist 1917-1920 Rene Sayoc Meily, 1979 German Propaganda and U.S. Neutrality in World War I Chad R. Fulwider, 2017-07-31 In the fading evening light of August 4 1914 Great Britain s H M S Telconia set off on a mission to sever the five transatlantic cables linking Germany and the United States Thus Britain launched its first attack of World War I and simultaneously commenced what became the war s most decisive battle the battle for American public opinion In this revealing study Chad Fulwider analyzes the efforts undertaken by German organizations including the German Foreign Ministry to keep the United States out of the war Utilizing archival records newspapers and official propaganda the book also assesses the cultural impact of Germany's political mission within the United States and comments upon the perception of American life in Europe during the early twentieth century Movement in the United States, 1924-1941 Sander A. Diamond, 2018-10-18 The dramatic story of Germany's attempt to rally German Americans to its support before World War II is told with authority in this full account of the National Socialist movement in the United States Drawing from records of the groups collectively known as the German American Bund and a rich store of captured German documents Dr Diamond describes the Bund's origins and leaders its membership and ideology

Hitler's American Friends Bradley W. Hart, 2018-10-02 A book examining the strange terrain of Nazi sympathizers nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II Americans who remember World War II reminisce about how it brought the country together The less popular truth behind this warm nostalgia until the attack on Pearl Harbor America was deeply dangerously divided Bradley W Hart's Hitler's American Friends exposes the homegrown antagonists who sought to protect and promote Hitler leave Europeans and especially European Jews to fend for themselves and elevate the Nazi regime Some of these friends were Americans of German heritage who joined the Bund whose leadership dreamed of installing a stateside F hrer Some were as bizarre and hair raising as the Silver Shirt Legion run by an eccentric who claimed that Hitler fulfilled a religious prophesy Some were Midwestern Catholics like Father Charles Coughlin an early right wing radio star who broadcast anti Semitic tirades They were even members of Congress who used their franking privilege sending mail at cost to American taxpayers to distribute German propaganda And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee We try to tell ourselves it couldn t happen here but Americans are not immune to the lure of fascism Hitler's American Friends is a powerful look at how the forces of evil manipulate ordinary people how we stepped back from the ledge and the disturbing ease with which we could return to it Lovecraft's Book Richard A. Lupoff, 2015-12-17 When unworldly fantasist H P Lovecraft was approached by crafty fanatic George Sylvester Viereck to write an American Mein Kampf the bait was almost irresistible If Lovecraft would lend his pen and his Anglo Saxon stock to the fascist cause Viereck would arrange the publication in proper book form of a volume of his stories hitherto scattered in pulp magazines Whilst the famous horror writer had some pretty obnoxious political opinions his friends didn t really believe he knew what deep waters he was getting himself into And so began a concerted effort to keep H P Lovecraft out of the clutches of the forces of darkness that were to plunge the world into war Manipulating the Masses John Maxwell Hamilton, 2020-10-21 Winner of the Goldsmith Book Prize Winner of the AEJMC History Division Book Award Winner of the AJHA Book of the Year Winner of the Culbert Family Book Prize Manipulating the Masses tells the story of the enduring threat to American democracy that arose out of World War I the establishment of pervasive systematic propaganda as an instrument of the state During the Great War the federal government exercised unprecedented power to shape the views and attitudes of American citizens Its agent for this was the Committee on Public Information CPI established by President Woodrow Wilson one week after the United States entered the war in April 1917 Driven by its fiery chief George Creel the CPI reached every crevice of the nation every day and extended widely abroad It established the first national newspaper made prepackaged news a quotidian aspect of governing and pioneered the concept of public diplomacy It spread the Wilson administration's messages through articles cartoons books and advertisements in newspapers and magazines through feature films and volunteer Four Minute Men who spoke during intermission through posters plastered on buildings and along highways and through pamphlets distributed by the millions It enlisted the nation's leading progressive journalists advertising executives and artists It harnessed American universities and their professors to create propaganda and add legitimacy to its mission Even as Creel insisted that the CPI was a conduit for reliable fact based information the office regularly sanitized news distorted facts and played on emotions Creel extolled transparency but established front organizations Overseas the CPI secretly subsidized news organs and bribed journalists At home it challenged the loyalty of those who occasionally questioned its tactics Working closely with federal intelligence agencies eager to sniff out subversives and stifle dissent the CPI was an accomplice to the Wilson administration s trampling of civil liberties Until now the full story of the CPI has never been told John Maxwell Hamilton consulted over 150 archival collections in the United States and Europe to write this revealing history which shows the shortcuts to open honest debate that even well meaning propagandists take to bend others to their views Every element of contemporary government propaganda has antecedents in the CPI It is the ideal vehicle for understanding the rise of propaganda its methods of operation and the threat it poses to democracy The United States in the First World War Anne Cipriano Venzon, 2013-12-02 First Published in 1999 Includes six maps **Body Politic** A. D. Harvey, 2021-02-19 The idea that there is an analogy between the social collective and the human body originated more than twenty five centuries ago It was known to Plato and St Paul and was adopted by state functionaries in the Middle Ages and Renaissance and by academics in the Nineteenth Century In the early Twentieth Century the notion was taken up by military theorists and contributed to the

formulation of new tactical and strategic doctrines and it has resurfaced again in the IT era At each stage the idea has been elaborated and given new emphases for two millennia it has been part of the vocabulary in which successive generations have attempted to articulate their developing ideas about society This book is more than simply a history of a political metaphor however it is a history of how metaphor may be converted into action What reviewers said of earlier books by A D Harvey Collisions of Empire is a vast complex and brilliant mosaic each individual tessera of which is hard edged and glittering Richard Holmes Times Literary Supplement Excellent A D Harvey is a master of the concrete the adroit displayer of the precious scrap of hard fact Kathryn Hughes Daily Telegraph Arnold Harvey has written an energetic and eclectic book reflecting on the implications of the idea that society can be seen as a body He takes us from ancient India to computer hackers provides quotations rich and strange and explores the by ways of assassination and aerial warfare Engrossing Prof Robert Bartlett Dept of Mediaeval History University of St Andrews St Andrews KY16 9AL Scotland A Companion to Woodrow Wilson Ross A. Kennedy,2013-01-22 A Companion to Woodrow Wilson presents a compilation of essays contributed by various scholars in the field that cover all aspects of the life and career of America s 28th president Represents the only current anthology of essays to introduce readers to the scholarship on all aspects of Wilson s life and career Offers a one stop destination for anyone interested in understanding how the scholarship on Wilson has evolved and where it stands now

TR's Last War David Pietrusza, 2018-09-01 A riveting new account of Theodore Roosevelt's impassioned crusade for military preparedness as America fitfully stumbles into World War I spectacularly punctuated by his unique tongue lashings of the vacillating Woodrow Wilson his rousing advocacy of a masculine pro Allied Americanism a death defying compulsion for personal front line combat a gingerly rapprochement with GOP power brokers and yes perhaps even another presidential campaign Roosevelt is a towering Greek god of war But Greek gods begat Greek tragedies His own entreaties to don the uniform are rebuffed and he remains stateside But his four sons fight over there with heartbreaking consequences two are wounded his youngest and most loved child dies in aerial combat Yet though grieving and weary TR may yet surmount everything with one monumentally odds defying last triumph Poised at the very brink of a final return to the White House death stills his indomitable spirit In his lively witty blow by blow style David Pietrusza captures through the lens of the Bull Moose the 1916 presidential campaign America's entry into the Great War in 1917 Woodrow Wilson's presidency and the last years of one of American history's greatest men who said on his death bed at the age of sixty I promised myself that I would work up to the hilt until I was sixty and I have done it I have kept my promise Pietrusza not only transports readers with his dramatic portraits of TR his hated rival Wilson and politics in wild flux but also poignantly chronicles the horrific price a family pays in war Waking to Danger Robert A. Rosenbaum, 2010-07-20 This intriguing study is the first comprehensive survey of American public opinion about Nazi Germany in the prewar years The 1930s were years when Americans struggled to define their country's role in a dangerous world Opinions were deeply divided and passionately held Waking to Danger

Americans and Nazi Germany 1933 1941 traces the evolution of American public opinion about Germany as it spiraled from ignorance and isolationism to a sense of danger and interventionism This brief but broad survey fills a gap in the historical literature by bringing together for the first time the reactions toward Nazi Germany of a variety of groups peace advocates Jews fascists communists churches the business community and the military that have hitherto only been treated separately in monographic literature. The result is a picture of evolving national public opinion that will be a walk down memory lane for the members of The Greatest Generation while offering those who did not live through these turbulent years a fresh understanding of the era Encyclopedia of Media and Propaganda in Wartime America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America's conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years **Wizard** Marc J. Seifer, 1996 A biography of the Croatian immigrant who has Investigation of Un-American Propaganda Activities in the United States United been called the patron saint of electricity States. Congress. House. Special Committee on Un-American Activities, 1941 Historical Dictionary of American **Propaganda** Martin J. Manning, Herbert Romerstein, 2004-11-30 From the French and Indian War in 1754 with Benjamin Franklin's Join or Die cartoon to the present war in Iraq propaganda has played a significant role in American history The Historical Dictionary of American Propaganda provides more than 350 entries focusing primarily on propaganda created by the U S government throughout its existence Two specialists one a long time research librarian at the U S Information Agency the USIA and the State Department's Bureau of Diplomacy and the other a former USIA Soviet Disinformation Officer Martin J Manning and Herbert Romerstein bring a profound knowledge of official U S propaganda to this reference work The dictionary is further enriched by a substantial bibliography including films and videos and an outstanding annotated list of more than 105 special collections worldwide that contain material important to the study of U S propaganda Students researchers librarians faculty and interested general readers will find the Historical Dictionary of American Propaganda an

authoritative ready reference work for quick information on a wide range of events publications media people government agencies government plans organizations and symbols that provided mechanisms to promote America's interests both abroad and domestically in peace and in war Almost all entries conclude with suggestions for further research and the topically arranged bibliography provides a further comprehensive listing of important resources including films and videos

Norman Haire and the Study of Sex Diana Wyndham, 2012 A star debater at school Norman Haire had always wanted to be an actor Forced to study medicine he followed his other passion saving the world from sexual misery When he arrived in London in 1919 he was a poor Jewish outsider from Australia By 1930 he had a flourishing gynaecology practice in Harley Street a chauffeur driven Rolls Royce and a country house His parties were attended by the medical intellectual and cultural elite As a prominent sexologist and a campaigner for birth control Haire took a leading role in the world's first international conference on birth control in 1922 and organised with Dora Russell the World League for Sexual Reform's highly successful 1929 Congress in London He lectured in America Germany France and Spain and wrote and edited many accessible books on sex education In 1940 Haire returned to Australia where he attracted a loyal following but was also hounded by the security service The ABC Board was censured in parliament for choosing him as the key speaker in a population debate and his weekly advice column in the magazine Woman was strongly opposed by the Catholic Church Peter Coleman called Haire one of Australia s most famous freethinkers and sex reformers This biography pays a tribute to this tenacious humane witty innovative and brave man's contribution to birth control sexology and human rights history Austin Harrison and the English Review Martha S. Vogeler, 2008 Political and literary journalist Austin Harrison became editor of the English Review in 1910 While holding that chair he expanded the publication's literary scope by publishing articles on such issues as women s suffrage parliamentary reform the German threat and Irish home rule But although he edited the Review far longer than did its celebrated founder Ford Madox Ford history has long confined him to the shadows of not only his predecessor but also his father the English Positivist Frederic Harrison This first scholarly assessment of Harrison's tenure at the English Review from 1910 to 1923 shows him courting controversy establishing reputations winning and losing authors and pushing the limits of the publishable as he made his Great Adult Review the most consistently intelligent and challenging monthly of its day Martha Vogeler offers a compelling personal and family narrative and a new perspective on British literary culture and political journalism in the years just before during and after the First World War Vogeler provides a revealing account of Harrison the editor his writings and opinions his public life and relations as she also traces the complex relationship between a son and his famous father Balancing a scholar s attention to detail and a fine writer s eye for style she relates Harrison s improbable friendships with the notorious Frank Harris and the outrageous Aleister Crowley And she has mined Harrison s correspondence to lend insight into the careers of such writers as Ford Madox Ford D H Lawrence H G Wells Joseph Conrad John Masefield Bernard Shaw Arnold Bennett and Marie Stopes Other figures such as George Gissing Bertrand Russell Lord

Northcliffe and important Irish revolutionaries appear in new contexts Ranging widely across literature foreign relations national politics the women s movement censorship and sexuality Vogeler captures the themes of Harrison s era She describes his transformation from Germanophobe before and during World War I to an outspoken critic of the punitive measures against Germany in the Treaty of Versailles She explores the ambiguities in his engagement with modernist aesthetics and in his attempt to escape the shadow of his father while benefiting from his family s wealth and connections Vogeler s assessment of Harrison s books further sharpens our understanding of his ideas about Germany women education and Victorian family life notably his underappreciated tribute rebuke to his father Frederic Harrison Thoughts and Memories This account of Austin Harrison s career allows us to observe a journalist making his way in a highly competitive world and opens up a new window on Britain in the era of the Great War

George Sylvester Viereck German American Propagandist Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free George Sylvester Viereck German American Propagandist PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific

information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free George Sylvester Viereck German American Propagandist PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of George Sylvester Viereck German American Propagandist free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
