

belief that Portuguese emigrants quitted the Peninsula for the colonies "sans esprit de retour" to their homeland; and his contention that ". . . l'économie portugaise a beaucoup gagné en solidité après 1570 . . . [mais] elle a beaucoup perdu après 1670. . . ." (pp. 500, 501, and 513 ).

Encyclopedic in coverage, provocative in interpretation, *Portugal et l'Atlantique* will long remain an essential reference work for scholars interested in many different aspects of the problems the author has so profitably examined. Frédéric Mauro has clearly emerged as one of the leaders of that small group of scholars on three continents which has done much in the past generation to illuminate the economic history of Portugal and of her once-great empire. But as his book clearly indicates, their task is far from completed. Recruits are welcome.

DAURIL ALDEN, *University of Washington*

*George Tucker: Moral Philosopher and Man of Letters.* By Robert Colin McLean. Chapel Hill: University of North Carolina Press, 1961. Pp. xl, 265. \$6.00.

George Tucker, like a number of other southern *ante-bellum* economists, has been the subject of increasing attention in recent years. His estimates of national income and wealth and his contributions to demography give him a place as a pioneering American statistician. His studies of the theory of value, money and banking, national debts, internal improvements, urbanization and industrialization, were on a high level of sophistication.

Tucker also played a prominent role in the development of economics as an academic discipline. He introduced the subject into the curriculum of the newly established University of Virginia, to which he was appointed upon the recommendation of ex-presidents Jefferson and Madison.

Tucker achieved prominence not only in economics, but also in all the other social sciences, in philosophy, and in literature. In the latter, he was a practitioner as well as a teacher, and wrote poems, satires, and novels. In addition he served in the Virginia legislature and in the Federal House of Representatives, and he engaged in a variety of business ventures.

Tucker's contributions to economics, sociology, history, philosophy and literature have been discussed in articles and in the histories of the particular disciplines which he taught. Robert McLean has made the first full-length study of the man and his works. The first part of *George Tucker: Moral Philosopher and Man of Letters* is biographical. The second discusses Tucker as a man of letters. The final part, which is on Tucker as southern thinker, has chapters on "Aesthetics and Literature," "Philosophical Theory," "Domestic Slavery" and "Progress and Civilization."

The author states that he is less comprehensive on Tucker's economics than on the other aspects of Tucker's work. He explains that "studies of Tucker as an economist are both comprehensive and sound, and I have therefore not systematically discussed his contribution in this field." But he has done fruitful work on two aspects of Tucker's economics: (1) Tucker's use of the Malthusian doctrine of population in his prediction of the demise of slavery; (2) Tucker's suggestive analysis of economic growth.

# George Tucker Moral Philosopher And Man Of Letters

**Michael A. Bellesiles**

## **George Tucker Moral Philosopher And Man Of Letters:**

**George Tucker, Moral Philosopher and Man of Letters** Robert Colin McLean, 1961      George Tucker, Moral Philosopher and Man of Letters Robert Colin McLean, 1961      *Dictionary of Early American Philosophers* John R. Shook, 2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject's writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject

*The Legacy of St. George Tucker* Chad Vanderford, 2024-01-12 In *The Legacy of St George Tucker* Chad Vanderford provides a cogent longitudinal explication of how Virginia intellectuals constructed and defined proslavery ideology and state rights He reminds twenty first century readers that in order to judge late eighteenth and early nineteenth century thinkers fairly they must position basic political ideas within the context of their day not ours Vanderford's book will prove valuable not only for students and researchers of political theory but also of southern intellectual life and the political worlds of the Colonial Early National and Old South John David Smith Charles H Stone Distinguished Professor of American History University of North Carolina at Charlotte Historians born during and after the Civil Rights movement have struggled to take the proslavery and pro secession arguments of the eighteenth and nineteenth century South seriously They generally tend to lump the two theories together as components of one ideology and then attempt to write it out of the political norms of American life In this groundbreaking study Vanderford isolates the different ideological strands in southern political thought of this era and works to understand these ideas in the context of their time St George Tucker 1752 1827 Founding Father professor and political theorist saw clearly that slavery runs against the grain of the values articulated in the Declaration of Independence Under certain narrowly construed circumstances however he thought it necessary to tolerate slavery He viewed secession as an extreme step but one that the Declaration of Independence left open as a possibility for all free states St George Tucker's arguments hinged on a modern view of natural right that builds on the premise that political power can only be legitimate if it rests on the consent of the governed He believed that equally free and independent individuals constructed a voluntary union of equally free and independent states His son Henry Tucker 1780 1848 and grandson John Randolph Tucker 1823 1897 sought to defend this ideology of modern natural right against fellow professors North and

South who tended to replace it with the ancient ideology of natural right the view that wisdom gives one the title to command Many southern intellectuals came to believe that individuals are not equally free and independent by nature many northerners came to argue that the states had never been equally free and independent These disagreements contributed to the outbreak of the Civil War At once a work of intellectual history that shows the key role played by professors in helping to formulate southern ideology as well as a recovery of rarely explored arguments this work wrestles with one of the greatest challenges of intellectual history the effort to understand the most controversial ideas of the past on their own terms while searching for the genealogy that connects the past to the present CHAD VANDERFORD is an associate professor of history at the University of Texas of the Permian Basin His articles and reviews have appears in publications including Civil War History the Journal of Southern History and the Virginia Magazine of History and Biography

**The Bloomsbury Encyclopedia of Philosophers in America** John R. Shook,2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history

**The Papers of Thomas Jefferson, Volume 37** Thomas Jefferson,1950 V 36 1 December 1801 to 3 March 1802 All Clever Men, Who Make Their Way Michael O'Brien,2008-05-01 From the pages of forgotten journals and literary magazines Michael O'Brien assembles fourteen pieces that effectively challenge the long prevailing notion that the mind of the Old South was superficial unintellectual and obsessed with race and slavery In this book are discourses on subjects ranging from English empirical thought to neoclassical aesthetics from the enfranchisement of women to transcendental theology from the works of Hawthorne and Emerson to the social system of Virginia

The Bloomsbury Encyclopedia of the American Enlightenment Mark G. Spencer,2015-02-26 The first reference work on one of the key subjects in American history filling an important gap in the literature with over 500 original essays

**A History of American Philosophy** Herbert Wallace Schneider,1946-01-01 The present work treats of several aspects of American philosophy in their historical perspective The author has interpreted philosophically the revolutionary changes that recent

years have brought in the domain of education church politics natural sciences etc The reader will find herein that American Philosophy is the outgrowth of impacts of new life and new directions imported by waves of immigration More conspicuous are the recent intellectual imports from Cambridge Paris and Vienna The philosophical analysis that grew up in Cambridge under the leadership of Whitehead russel and Moore the sophisticated modernized versions of Catholic scholasticism from Paris and the the schools of value theory existentialism phenomenology logical positivism psychoanalysis and socialism from Vienna these are now pervasive forces in American culture The author has ventured to predict that the types of philosophical thought described in this volume are being radically revised reviewed and reconstructed because of these new importations that a decidedly new chapter in American philosophy is being written The author has tried well to expound what American history teaches or what American philosophy stands for

*Economists and Higher Learning in the Nineteenth Century*  
William J. Barber,1993-01-01 Many economists who struggled to establish a secure place for their discipline in American universities in the nineteenth century made significant contributions to reshaping American academic life in general Yet they were often at war among themselves as they sought to define the mission and methods of economics in an era of social and intellectual ferment This volume represents the contribution of American scholars to a multinational research project on the institutionalization of political economy in European Japanese and North American universities It includes case studies of divergent experiences of fourteen institutions that figured prominently in the molding of American culture William Mary The University of Virginia South Carolina College Brown Harvard Yale Columbia Johns Hopkins The University of Pennsylvania The University of Chicago The University of California Stanford The University of Wisconsin and the Massachusetts Institute of Technology These are supplemented in an essay by A W Coats on the turbulent early decades of the American Economic Association In this new introduction Barber takes note of the fact that in a somewhat different context and with a modified rhetoric the same issues present themselves today as they did one hundred years earlier And this in turn introduces some troubling concerns about just what sort of science economics is and was The volume as a whole can be read as reflections on the troubled status of the discipline of economics as it now exists in American university and research contexts It provides fresh perspectives on the development of social science and economic thought and on the history of higher education in the United States As such it will be of very great interest to professional economists students of higher education and those for whom the life of American ideas holds a central place

### **The Origins of the Southern Middle Class, 1800-1861**

Jonathan Daniel Wells,2005-11-16 With a fresh take on social dynamics in the antebellum South Jonathan Daniel Wells contests the popular idea that the Old South was a region of essentially two classes planters and slaves until after the Civil War He argues that in fact the region had a burgeoning white middle class including merchants doctors and teachers that had a profound impact on southern culture the debate over slavery and the coming of the Civil War Wells shows that the growth of the periodical press after 1820 helped build a cultural bridge between the North and the South and the emerging

southern middle class seized upon northern middle class ideas about gender roles and reform politics and the virtues of modernization Even as it sought to emulate northern progress however the southern middle class never abandoned its attachment to slavery By the 1850s Wells argues the prospect of industrial slavery in the South threatened northern capital and labor causing sectional relations to shift from cooperative to competitive Rather than simply pitting a backward slave labor agrarian South against a progressive free labor industrial North Wells argues that the Civil War reflected a more complex interplay of economic and cultural values

**Jefferson's Freeholders and the Politics of Ownership in the Old Dominion** Christopher Michael Curtis, 2012-04-30 Jefferson's Freeholders explores the processes by which Virginia was transformed from a British colony into a Southern slave state Focusing on ideas of ownership the book emphasizes the persistent influence of English common law on the state's political culture It uniquely details how the traditional principles of land tenure were subverted by the economic and political changes of the nineteenth century and how they fostered law reforms that encouraged the idea that slavery should replace land ownership as the distinguishing basis for political power

**American Philosophy: An Encyclopedia** John Lachs, Robert B. Talisse, 2008-03-31 The Encyclopedia of American Philosophy provides coverage of the major figures concepts historical periods and traditions in American philosophical thought Containing over 600 entries written by scholars who are experts in the field this Encyclopedia is the first of its kind It is a scholarly reference work that is accessible to the ordinary reader by explaining complex ideas in simple terms and providing ample cross references to facilitate further study The Encyclopedia of American Philosophy contains a thorough analytical index and will serve as a standard comprehensive reference work for universities and colleges Topics covered include Great philosophers Emerson Dewey James Royce Peirce Santayana Subjects Pragmatism Progress the Future Knowledge Democracy Growth Truth Influences on American Philosophy Hegel Aristotle Plato British Enlightenment Reformation Self Assessments Joe Margolis Donald Davidson Susan Haack Peter Hare John McDermott Stanley Cavell Ethics Value Pleasure Happiness Duty Judgment Growth Political Philosophy Declaration of Independence Democracy Freedom Liberalism Community Identity

**An Unfamiliar America** Ari Helo, Mikko Saikku, 2020-11-12 This collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream American history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in Trumpian America The book suggests bringing historical thinking back to the center of American Studies given that it has been recently challenged by the influential memory studies boom As much as identity building appears to be the central concern for much of the current practice in American history writing it is worth keeping in mind that historical truth may not always directly contribute to one's identity building The researcher's constant quest for truth does not equate to already possessing it History changes all the time because it consists of our constant reinterpretation of the past It is only the past that does not change This collection aims at keeping these two apart while scrutinizing a variety of contested topics in American history from xenophobic attitudes toward eighteenth century university

professors Apache masculinity Ku Klux Klan Tom Waits's lyrics and the politics of the Trump era     *Principle and Interest* Herbert E. Sloan, 2001 Eloquent and exhaustively researched *Principle and Interest* provides a unique perspective on a range of topics revolutionary ideology political economy the mechanics of party organization central to an understanding of the period     *In the Eye of All Trade* Michael J. Jarvis, 2012-12-01 In an exploration of the oceanic connections of the Atlantic world Michael J. Jarvis recovers a mariner's view of early America as seen through the eyes of Bermuda's seafarers The first social history of eighteenth century Bermuda this book profiles how one especially intensive maritime community capitalized on its position in the eye of all trade Jarvis takes readers aboard small Bermudian sloops and follows white and enslaved sailors as they shuttled cargoes between ports raked salt harvested timber salvaged shipwrecks hunted whales captured prizes and smuggled contraband in an expansive maritime sphere spanning Great Britain's North American and Caribbean colonies In doing so he shows how humble sailors and seafaring slaves operating small family owned vessels were significant but underappreciated agents of Atlantic integration The American Revolution starkly revealed the extent of British America's integration before 1775 as it shattered interregional links that Bermudians had helped to forge Reliant on North America for food and customers Bermudians faced disaster at the conflict's start A bold act of treason enabled islanders to continue trade with their rebellious neighbors and helped them to survive and even prosper in an Atlantic world at war Ultimately however the creation of the United States ended Bermuda's economic independence and doomed the island's maritime economy     **Lethal Imagination** Michael A. Bellesiles, 1999-03 Examining the role of violence in America's past this collection of essays explores its history and development from slave patrols in the colonial South to gun ownership in the 20th century The contributors focus not only on individual acts such as domestic violence murder duelling frontier vigilantism and rape but also on group and state led acts such as lynchings slave uprisings the establishment of rifle clubs legal sanctions of heterosexual aggression and invasive medical experiments on women's bodies     *'Agrarians' and 'Aristocrats'* John Ashworth, 1987-03-27 Cover title *Agrarians aristocrats* Includes index Bibliography p 280 312     The Virginia Magazine of History and Biography Philip Alexander Bruce, William Glover Stanard, 1962 Vols 1 28 30 31 33 34 include the society's Proceedings at its annual meeting 1893 1923 1926     *The Alumni Bulletin of the University of Virginia*, 1917

### **George Tucker Moral Philosopher And Man Of Letters Introduction**

George Tucker Moral Philosopher And Man Of Letters Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. George Tucker Moral Philosopher And Man Of Letters Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. George Tucker Moral Philosopher And Man Of Letters : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for George Tucker Moral Philosopher And Man Of Letters : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks George Tucker Moral Philosopher And Man Of Letters Offers a diverse range of free eBooks across various genres. George Tucker Moral Philosopher And Man Of Letters Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. George Tucker Moral Philosopher And Man Of Letters Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific George Tucker Moral Philosopher And Man Of Letters, especially related to George Tucker Moral Philosopher And Man Of Letters, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to George Tucker Moral Philosopher And Man Of Letters, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some George Tucker Moral Philosopher And Man Of Letters books or magazines might include. Look for these in online stores or libraries. Remember that while George Tucker Moral Philosopher And Man Of Letters, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow George Tucker Moral Philosopher And Man Of Letters eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or

free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the George Tucker Moral Philosopher And Man Of Letters full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of George Tucker Moral Philosopher And Man Of Letters eBooks, including some popular titles.

### **FAQs About George Tucker Moral Philosopher And Man Of Letters Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George Tucker Moral Philosopher And Man Of Letters is one of the best book in our library for free trial. We provide copy of George Tucker Moral Philosopher And Man Of Letters in digital format, so the resources that you find are reliable. There are also many Ebooks of related with George Tucker Moral Philosopher And Man Of Letters. Where to download George Tucker Moral Philosopher And Man Of Letters online for free? Are you looking for George Tucker Moral Philosopher And Man Of Letters PDF? This is definitely going to save you time and cash in something you should think about.
