Presidents, 1789-1905 United States. President, James Daniel Richardson, 1907 [A Compilation of the Messages and Papers of the Presidents Volume 1, Part 1: George Washington](#) James D. Richardson, 2004 **A Compilation of the Messages and Papers of the Presidents 1789-1897** James D. Richardson, 1897 **George Washington and the Origins of the American Presidency** William D. Pederson, Mark J. Rozell, Frank J. Williams, 2000-07-30 This essay collection is a retrospective analysis of the Washington administration's importance to the understanding of the modern presidency. Contemporary presidential scholarship gives little attention to the enormous impact that Washington's actions had on establishing the presidency. Most contemporary literature starts with 1933 and although FDR's impact on the development of the modern institution of the presidency is undeniable, Washington's actions in office also established standards for practices that continue to this day. This analysis of the Washington presidency begins with an examination of Washington's leadership and its relevance to the modern presidency. The second group of essays looks at different aspects of presidential powers and the precedents established by the Washington administration. The third section examines Washington's press coverage, looking at the origins of Washington's image and the various myths in the press as well as the president's difficult relations with his contemporary press. A thoughtful and important corrective that will be of interest to scholars, students, and researchers involved with the American presidency and its history.

The Ten Commandments & Their Influence on American Law William J. Federer, 2002-12 An in-depth study of how each of the Ten Commandments had a historical impact on the development of laws in America and affected the legal philosophy of our government framers. For example, the 4th Commandment, "Keep Holy the Sabbath," PENNSYLVANIA FRAME OF GOVERNMENT April 25 1682 Article XXII: "That as often as any day of the month shall fall upon the first day of the week commonly called the Lord's Day, the business appointed for that day shall be deferred till the next day unless in the case of emergency." U.S. CONSTITUTION 1787 Article I Section 7 Paragraph 2: "If any Bill shall not be returned by the President within ten days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law." Read how the Ten Commandments affected the views of America's leaders. The Ten Commandments and the Sermon on the Mount contain my religion. John Adams Nov 4 1816 letter to Thomas Jefferson: "The fundamental basis of this nation's laws was given to Moses on the Mount. The fundamental basis of our Bill of Rights comes from the teachings we get from Exodus and St Matthew from Isaiah and St Paul. I don't think we emphasize that enough these days." Harry S. Truman Feb 15 1950 Attorney General's Conference. See references to the Ten Commandments in court cases. The Ten Commandments have had an immeasurable effect on Anglo-American legal development. U.S. District Court *Crockett v Sorenson* W.D. Va. 1983. It is equally undeniable that the Ten Commandments have had a significant impact on the development of secular legal codes of the Western World. U.S. Supreme Court *Stone v Graham* 1980. Rehnquist J. dissenting. An ideal book for students, teachers, journalists, writers, and those interested in researching the foundations of American law. 288 pages, paperback.
