George Washington Abridgement:

Life of George Washington W. Irving, 1975 *Washington* Douglas Southall Freeman, Richard Barksdale Harwell, 1992
An abridgment by Richard Harwell of the Pulitzer Prize winning seven volume biography One of the most important American historians and biographers of the 20th century Freeman won immediate recognition and his second Pulitzer for this thorough and exhaustive study of the Father of Our Country Kammen himself a Pulitzer Prize winning historian helps to place this valuable historical work in a fresh new perspective *Life of George Washington. Abridged by the author* Jared SPARKS, 1843 George Washington, Etc. (Abridged Edition.). William E. WOODWARD (Novelist.), 1956 *Life of George Washington. Abridged by the Author* Jared SPARKS, 1843 **Life of George Washington. Abridged by the author** Jared SPARKS, 1843 **Washington** Douglas Southall Freeman, 1964 *Washington*, 1970 *George Washington Remembers* George Washington, 2004-02-09 George Washington Remembers makes this very personal and little known document available for the first time and offers a glimpse of Washington in a self reflective mood a side of the man seldom seen in his other writings *Humility* David Bobb, 2013-11-12 There is no formula for becoming humble not for individuals and not for nations Benjamin Franklin's dilemma one he passed on to the young United States was how to achieve both greatness and humility at once The humility James Madison learned as a legislator helped him to mold a nation despite his reputation as a meek timid and weak man The humility of Abigail Adams fed her impossible resilience Humility of all kinds is deeply ingrained in our American DNA Our challenge today is to rediscover and reawaken this utterly indispensable alarmingly dormant national virtue before it's too late In *Humility An Unlikely Biography of America's Greatest Virtue* Dr David J Bobb traces the crooked line that is the history of humility in political thought From Socrates to Augustine to Machiavelli to Lincoln passionate opinions about the humble ruler are literally all over the map Having shown classical medieval and Christian ideas of humility to be irreconcilable Dr Bobb asserts that we as a nation are faced with a difficult choice A choice we cannot put off any longer The power promised by humility is power over oneself in self government says Dr Bobb But humility's strength is obscured by the age of arrogance in which we live George Washington's humility as great as it was cannot substitute for ours today We must reintegrate this fundamental virtue if there is to be an American future The rediscovery of humility's strength awaits Humility is essential to good character and to our country In this smart and lively book David Bobb illustrates this virtue with the stories of five great Americans And he reminds us that humility is at the core of our national creed of equality and liberty Paul Ryan Nothing defies political correctness and the prevailing zeitgeist as radically as the notion that humility remains an important virtue Dr Bobb not only makes the case for this dismissed and disregarded value but emphasizes its importance as part of the American national character Michael Medved syndicated talk radio host A lively and counterintuitive argument spiced with witty prose and engaging vignettes of Franklin Washington Madison Lincoln Frederick Douglass and Abigail Adams Robert Faulkner professor of Political Science Boston College author

The Case for Greatness Dr David Bobb has written a timely and timeless book on a vital virtue absent from far too many leaders today Humility should be required reading for leaders in the public and private sector as well as in our homes and communities In an age of arrogance there is much to be learned and strength to be gained from returning to the principle power and pattern of humility contained in this extraordinary book Mike Lee U S Senator Utah **The Abridged Compendium of American Genealogy: First Families of America** Frederick Adams Virkus,1928 **The Abridged Compendium of American Genealogy** Frederick Adams Virkus,Albert Nelson Marquis,1925 **An Abridged History of the United States, for the Use of Schools** John Rose Greene Hassard,1887 **An Abridged History of the United States Volume I** Bob Navarro,2019-11-15 The United States has been around for almost 250 years almost as much as the Roman Republic It has a unique history that include many cultures and significant events **The Telegraph-herald's abridged history of the state of Iowa and directory of Fayette County, including the city of Oelwein, with a complete classified business directory** Patrick Joseph Quigley, The Telegraph herald s abridged history of the state of Iowa and directory of Fayette County including the city of Oelwein with a complete classified business directory

Geography made easy: being an abridgement of the American Geography ... with eight ... maps and cuts. ... Second edition. Abridged by the author Jedidiah Morse,1814 *Reading Lists for Special Days* Cleveland Public Library,1911 Dr Robertson's History of America: abridged ... With additions, etc William Robertson,1795 *Steamboat Disasters on the Western Waters (Abridged, Annotated)* James T. Lloyd, According to James Lloyd the 1856 publisher of this guide The price of this volume is so small that every man woman and child should have a copy for reference However true that may have been they might not have wanted to refer to it while ACTUALLY RIDING ON A STEAMBOAT The largest portion of the book is taken up with detailed accounts of horrific steamboat accidents involving boiler explosions collisions with other ships capsizing and damage from river detritus In one instance he records a conflagration that consumed twenty three steamboats in New Orleans in 1849 It reads extremely well and a modern equivalent might be 1955 classic A Night to Remember about Titanic only with scores of wrecks instead of one In some of the cases criminal charges were brought against crew members for negligence or because they blew up a boiler while racing another steamboat while carrying 300 passengers It makes fascinating reading of an era long gone and Lloyd did a very creditable job of cataloging scores of accidents Why he felt this would be appropriate reading for children while traveling is something we can never know For the first time this long out of print book is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE or download a sample **Famous American Belles of the 19th Century (Abridged, Annotated)** Virginia Tatnall Peacock, They were beautiful influential and famous to all in their day Some of the names we know some are now obscure But in 19th century America they were the most talked about and written about women in the nation Journalist Virginia Peacock rubbed shoulders with them and the people who knew them In this lively and fascinating account of their lives Peacock gives us the

ravishing Jennie Jerome mother to Winston Churchill and the brilliant Kate Chase Sprague who practically ruled Washington society during the Lincoln administration Peacock also covers Madame Le Vert Jesse Benton Fremont wife of The Pathfinder Baroness Curzon and more To be a belle was the pinnacle of society for these women but their influence on fashion and their powerful husbands made them forces to be reckoned with For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample
