George Washington, Day by Day Elizabeth B. Johnston, 2003-01-01 **George Washington Day by Day (Classic Reprint)** Elizabeth Bryant Johnston, 2015-07-13 Excerpt from *George Washington Day by Day* It has been claimed and frequently conceded that the world however much it may admire the patriot the warrior the statesman does not know the man George Washington No better way can be adopted for the study of the life and character of an individual than by the presentation of a direct well supported statement of events of that life though compared with historic narrative such a work must lose in grace of composition Acting upon this self evident fact the author offers to students incidents in the life of Washington on the day of their occurrence endeavoring to bring their minds into intimate relation with events public and personal which show all sides of his character from which they can draw their own conclusions and adjust their own standards The purpose of this book is educational such education as should spring from flourish in and be forever associated with the home As a whole it is suggestive and intended to arouse a spirit of inquiry it contains more than a thousand facts illustrating the daily walk and conversation of Washington The field for a work that may be so happy as to nourish patriotism extends from ocean to ocean from the noble pines of the North to the cotton fields of the South It is with the hope of leading the American youth to a direct personal acquaintance with the man to whom the world from generation to generation has given the first place in American citizenship that this book is offered It has been a work of labor and of love No other country has ever possessed a representative who by all countries has been so enthusiastically appreciated Lord Byron truly says Washington's a watchword such as ne'er Shall sink while there's an echo left to air Therefore any expression of pride we utter may be pardoned Let us not only take pride in Washington's memory but let us emulate his virtues and his greatest virtue was his sorely tried self forgetting unflinching exalted patriotism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

and sculptures pored over Washington's letters to his tailors and noted other people's comments about his appearance even closely examined the many sets of dentures that had been created for Washington Researchers tapped into skills as diverse as 18th century leatherworking and cutting edge computer programming to assemble truer likenesses Their painstaking research and exacting processes helped create three full body representations of Washington as he was at key moments in his life And all along the way the team gained new insight into a man who was anything but old and grumpy Join award winning author Carla Killough McClafferty as she unveils the statues of the three Georges and rediscovers the man who became the face of a new nation *History of the George Washington Bicentennial Celebration ...* United States George Washington Bicentennial Commission,1932 **George Washington** Paul Leicester Ford,1896 [Special News Releases Relating to the Life and Time of George Washington](#) United States George Washington Bicentennial Commission,1932
