there a God Is there a heaven Is there an after life Do we reincarnate Do we have an eternal soul What is a soul After 75 years of life as a lawyer professor author professional athlete father husband brother and friend to many I have had innumerable experiences just as every other mature adult has I have traveled extensively seen much and done much I think it is my duty and responsibility to share my thoughts on such matters I know full well that no one knows for certain what those answers are and probably never will Regardless I think every man and woman must examine their lives and be ready to answer such questions if there is in fact a God to whom we must provide such answers As Socrates said many centuries ago an unexamined life is not worth leading It is one thing to think about such things and then to say them out loud and quite another to put them down on paper for others to read and criticize I am not trying to convince others that I am right and they are wrong Again as Socrates was reportedly quite fond of saying I know nothing I have examined my life and these are the conclusions I have reached Great New Nonfiction Reads Sharron L. McElmeel,1995-02-15 Selected for their accuracy authenticity and appeal these books span the curriculum in subject matter and will help librarians advise readers making the transition from fiction to nonfiction McElmeel provides thorough guidelines for choosing and using information books to promote literacy and learning through inquiry Complete bibliographic information grade and age levels and series information are given for each title with suggestions for related resources both fiction and nonfiction and learning connections **One Show, Volume 35** ,2014-03 This year s edition of The One Show features the very best work from around the world from the 2013 One Show and One Show Design contests **The Year's Best Science Fiction** Gardner R. Raines masterfully examines George Washington's life by retelling familiar stories and introducing stories most have never heard. Richard uses these historical accounts to identify virtues displayed by the first president and through the use of humor, personal anecdotes, and social commentary walks the reader through ways to revive these virtues in contemporary society. In *Finding Washington*, you will discover how Washington's biggest failure can help modern Americans, how Washington's choice of clothing said more than words could ever say, why Native Americans issued a prophecy about Washington, why Washington's choice to race toward the British alone reveals the type of character needed in modern culture, and how Washington stared down a would-be assassin and how his example of courage can inspire us. *Finding Washington: Why America Needs to Rediscover the Virtues of Her Most Essential Founding Father* is essential reading for those desiring to turn the rising tide of immorality in America and revive the virtues exhibited by George Washington. Readers will laugh, think, and be inspired as Richard invites you to join him and a growing chorus of like-minded people on this journey towards cultural change.
