George Alec Effinger Live From Planet Earth:

Live! From Planet Earth George Alec Effinger, 2014-04-01 The Hugo Award winning author's most memorable short stories a tribute from those who best knew his work his friends fellow writers and editors SFRevu George Alec Effinger was a true master of satirical Science Fiction Before his death in 2002 he gained the highest esteem amongst his peers for his pitch perfect stylistic mimicry and his great insight into the human condition Despite a life filled with chronic illness and pain Effinger was a prolific novelist and short story writer earning multiple Nebula and Hugo Award nominations LIVE FROM PLANET EARTH represents a very special look at the many works of this unique genius These 22 short pieces have been specifically selected and introduced by his fellow writers and editors from Michael Bishop to Jack Dann Mike Resnick to Neil Gaiman Each writes about his or her memories of Effinger and his legacy Included are The Aliens Who Knew I Mean Everything in which Earth is visited by benevolent aliens who happen to have annoying opinions about everything Everything but Honor goes along as a black physicist time travels to 1860 to murder a Civil War general Also included here are Effinger's O Niemand stories which perfectly mimic the styles of Steinbeck Hemingway and Twain The results are a tour de force sure to please existing fans and make new fans of anyone who reads them **George Alec Effinger Live! from Planet Earth**

George Alec Effinger, 2005 A collection of science fiction short stories **A Thousand Deaths** George Alec Effinger, 2014-04-01 Science fiction stories that offer a poignant glimpse into the author's psyche this bittersweet collection is one to be cherished Publishers Weekly When we first meet Courane he must face down TECT the self-aware computer that has come to control Earth and its colonial planets Exiled to Planet D Courane races to cure the debilitating disease that attacks each of the planet's residents even as his own memory begins to fade Unfortunately his only source of information about the illness is TECT itself and the computer's agenda doesn't seem to line up with Courane's In the seven other stories contained in A Thousand Deaths Courane begins to blur reality and fiction as Effinger expertly plays with narrative conventions However these are not simply the whims of a science fiction writer they are the frameworks the Nebula and Hugo Award nominated author uses to answer questions about existence no one else even thought to ask While George Alec Effinger's Budayeen novel When Gravity Fails is perhaps his most famous work his lesser known novel The Wolves of Memory remained his favorite In it he introduced readers to Sandor Courane an everyman and Effinger stand in who struggles as he swims against the currents of fate In life and in his multiple deaths Sandor Courane serves as the unifying force in this collection of Effinger's stories starting with The Wolves of Memory and getting ever more clever and off the wall from there **The Budayeen Cycle** George Alec Effinger, 2017-08-08 The complete Hugo and Nebula Award nominated cyberpunk trilogy by an author whose work is wry and black and savage George R R Martin Praised as a perfect example of how exciting the subgenre can and should be George Alec Effinger's Budayeen Cycle is a towering and timeless science fiction achievement that continues to amaze shock and captivate readers SF Signal When Gravity Fails Set in a high tech

near future featuring an ascendant Muslim world and divided Western superpowers this cult classic takes readers into a world with mind or mood altering drugs for any purpose brains enhanced by electronic hardware and surgically altered bodies Street hustler Mar d Audran has always prided himself on his independence free from commitments connections and even cybernetic modifications But when a string of brutal murders lands him on the radar of Friedlander Bey the most powerful and dangerous man in the decadent Arab ghetto the Budayeen Audran is forced to change his loner ways or risk losing his life A Fire in the Sun Once a small time smuggler Mar d Audran has to his chagrin moved up in the ranks of the criminal underworld to become a lieutenant in Friedlander Bey s shadowy empire Tasked with being Bey s eyes and ears inside local law enforcement Audran finds himself tracking yet another serial killer through the streets of the Budayeen And the closer he gets to his target the more embroiled he becomes in the deadly political machinations hidden behind the city s facade The Exile Kiss Mar d Audran is finally learning to appreciate the wealth and benefits that come from being on Friedlander Bey s payroll when a powerful enemy does the unthinkable and gets both Audran and Bey exiled from the Budayeen Abandoned in the lifeless and lethal Arabian Desert Audran and Bey have only one option survive long enough to exact revenge on the man responsible

When Gravity Fails George Alec Effinger, 2014-04-01 In a futuristic Middle East plug ins can turn anyone into a killer in this wry and black and savage Nebula and Hugo award finalist George R R Martin Set in a high tech near future featuring an ascendant Muslim world and divided Western superpowers this cult classic takes us into a world with mind or mood altering drugs for any purpose brains enhanced by electronic hardware with plug in memory additions and modules offering the wearer new personalities and bodies shaped to perfection by surgery Marid Audran an unmodified and fairly honest street hustler lives in a decadent Arab ghetto the Budayeen and holds on tight to his cherished independence Then against his best instincts he becomes involved in a series of inexplicable murders Some seem like routine assassinations carried out with an old fashioned handgun by a man wearing a plug in James Bond persona others involving whores feature prolonged torture and horrible mutilations Soon the problem comes to the attention of Budayeen godfather Friedlander Bey who makes Audran an offer he can t refuse Nominated for the Nebula and Hugo awards the highest honors in the genre When Gravity Fails which introduced the cyberpunk Budayeen Cycle is a pioneering work the Denver Post called superior science fiction and Harlan Ellison described as crazy as a spider on ice skates plain old terrific

The Bird of Time George Alec Effinger, 2014-04-01 Far into the future Hartstein s graduation present from his grandparents was a wonderful trip into the past He had a long future in the doughnut industry to look forward to but this trip was the icing on the cake It had been a long time since that first experiment in time travel was successfully pulled off although not without its flaws Now in the future time travel was a lucrative tourist industry But the time travel industry was keeping one little fact to itself two percent never came back This cover up was the work of the Agency The Agency knew what others did not that the past wasn t really the past but a complicated dynamic of individual perceptions of what the past

might have been The past isn't real and reality becomes a state of mind While selling their particular brand of escapist entertainment and vacation packages the Agency didn't bother to tell its clients or the populace in general that a war was going on a time war The Agency was spending its time in a neck and neck battle with the Temporary Underground The battlefield was none other than the space time continuum the weapons were time shifts and theoretical mathematics Hartstein had no idea what his trip would be or where it would take him *The Aliens Who Knew, I Mean, Everything and Target: Berlin!* George Alec Effinger, 2014-04-01 A hilarious story of overly helpful aliens and a WWII alternate history tale from the Hugo Award winning author of When Gravity Falls These two short stories serve as a wonderful glimpse into the mind of multiple Hugo and Nebula Award nominee George Alec Effinger a singular talent in the world of SF In *The Aliens Who Knew I Mean Everything* benevolent aliens have arrived on Earth sharing their knowledge but also their annoying overbearing opinions about every little thing *Target Berlin* offers an absurdist ride through an alternate version of World War II in which Effinger has reshaped the aerial campaigns into battles by car **The Nick of Time** George Alec Effinger, 2014-04-01 The world's first time traveler embarks on a multiverse misadventure in this madcap novel from one of SF's distinctively nutty voices Chicago Tribune Time travel been there done that or at least Frank Mihalik has On February 17 1996 Frank discovers the secret to time travel or at least he thought he had He must embark on a voyage through time and space in order to set things right He must survive parallel universes in which Oh my Shirley Temple plays the awesome role of Dorothy in *The Wizard of Oz* Only his love Cheryl can save him but he is almost tricked by a parallel dimension Cheryl and potentially wrecks his love life How will Frank survive this wild jerk through these dark counter universes And will our universe ever be the same **Historical Dictionary of Science Fiction in Literature** M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject [The Big Book of Cyberpunk](#) Jared Shurin, 2023-09-26 A genre defining and redefining collection of the boldest most rebellious and most prescient speculative fiction featuring stories from all over the globe The sky above the port was the color of television tuned to a dead channel Almost forty years ago William Gibson wrote the line that began *Neuromancer* and a movement that would

change the face of science fiction Award winning anthologist Jared Shurin brings together over a hundred stories from more than twenty five countries that both establish and subvert the classic cyberpunk tropes and aesthetic from gritty near future noir to pulse pounding action Urban rebels undermine monolithic corporate overlords Daring heists are conducted through back alleys and the darkest parts of the online world There s dangerous new technology cybernetic enhancements scheming AI corporate mercenaries improbable weapons and roguish hackers These tales examine the near now extrapolating the most provocative trends into fascinating and plausible futures We live in an increasingly cyberpunk world packed with complex technologies and globalized social trends A world so bizarre that even futurists couldn t explain it though many authors in this book have come closer than most As both an introduction to the genre and the perfect compendium for the lifelong fan The Big Book of Cyberpunk offers a hundred ways to understand where we are and where we re going

The Year's Best Science Fiction: Twenty-Third Annual Collection Gardner Dozois,2006-07-11 In the heart of the new millennium worlds beyond our imagination have opened up blurring the line between life and art Embracing the challenges and possibilities of cyberspace genetics the universe and beyond the world of science fiction has become a porthole into the realities of tomorrow In The Year s Best Science Fiction Twenty third Annual Collection our very best SF authors explore ideas of a new world with such compelling stories as Beyond the Aquila Rift Critically acclaimed author Alastair Reynolds takes readers to the edge of the universe where no voyager has dared to travel before or so we think Comber Our world is an ever changing one and award winning author Gene Wolfe explores the darker side of our planet s fluidity in his own beautiful and inimitable style Audubon in Atlantis In a world not quite like our own bestselling author Harry Turtledove shows us that there are reasons some species have become extinct The twenty nine stories in this collection imaginatively take us far across the universe into the very core of our beings to the realm of the gods and the moment just after now Included here are the works of masters of the form and of bright new talents including Neal Asher Paolo Bacigalupi Stephen Baxter Elizabeth Bear Chris Beckett Dominic Green Daryl Gregory Joe Haldeman Gwyneth Jones James Patrick Kelley Jay Lake and Ruth Nestvold Ken MacLeod Ian McDonald Vonda N McIntyre David Moles Derryl Murphy Steven Popkes Hannu Rajaniemi Alastair Reynolds Robert Reed Chris Roberson Mary Rosenblum William Sanders Bruce Sterling Michael Swanwick Harry Turtledove Peter Watts Liz Williams and Gene Wolfe Supplementing the stories are the editor s insightful summation of the year s events and a lengthy list of honorable mentions making this book both a valuable resource and the single best place in the universe to find stories that stir the imagination and the heart

The Year's Best Science Fiction: Twenty-Third Annual Collection Gardner R. Dozois,2006 Collects short stories exploring themes of time and space travel self discovery and science and technology

The Booklover's Guide to New Orleans Susan Larson,2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn t complete without whiling away the hours in an

antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy s Moviegoer begin to resonate Susan Larson s revised and updated edition of The Booklover s Guide to New Orleans not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the Crescent City a literary destination **Felicia** George Alec Effinger,2014-04-01

Someone s about to rip off a sleepy little Louisiana town Chuck s gang of truckers are geared for looting When Tom masterminds a false hurricane alert When sheriff Boshardt orders an evacuation of the town When Chuck moves in to strip the town clean Their cool caper escalates into a devastating triple cross that rips the rooftops off everything from Miami to New Orleans and nothing no one will ever be the same

Heroics George Alec Effinger,2014-04-01 A coming of old age novel from the Hugo Award winning author of When Gravity Falls Engaging spry inventive and often quite funny Kirkus Reviews In HEROICS Irene like everyone in the future struggles with boredom Food clothing and all the necessities of human life have been taken care of But what does that leave of life itself At eighty two Irene sets out on a pilgrimage across America hoping to find the answer Along the way she becomes transformed both physically and by her interactions with other civilians all trying to cope with this new world Filled with wry humor and fantastic symbolism HEROICS mixes adventure and philosophy in a way both engrossing and entertaining Of this book friend and fellow writer Harlan Ellison said It is the best Effinger yet and for those of us who have been watching with amazement that is about as rich a compliment as you can expect from other envious authors Damn him he s good George Alec Effinger was a true master of satirical Science Fiction Before his death in 2002 Effinger was a prolific novelist and short story writer earning acclaim from his fans and peers including a Nebula Award nomination for his first book WHAT ENTROPHY MEANS TO ME In HEROICS he revisits some of the themes and characters of that first book for startlingly funny and poignant results **A Fire in the Sun** George Alec Effinger,2014-04-01

The Hugo Award winning author returns to the futuristic high tech Middle East setting of When Gravity Falls in this major science fiction epic Locus In a world filled with so many puppets strings tend to get tangled In this follow up to the groundbreaking cyberpunk novel When Gravity Falls the Budayeen is still a very dangerous place a high tech Arabian ghetto where power and murder go hand in hand Marid Audran used to be a low level street hustler relying on his wits and independence Now he s a cop planted in the force by Friedlander Bey the powerful godfather of the Budayeen Marid is supposed to simply be Bey s envoy into the police but as a series of grisly murders piles up children prostitutes a fellow officer he is drawn deeper and deeper into the city s chaos Would Marid give up all his newfound money and power to get out of this mess Absolutely If only he could But answers are never that easy and choices are never completely one s own in the Budayeen **What Entropy Means to Me**

George Alec Effinger, 2014-04-01 Nebula Award Finalist Doctor watch out As Dore stood by he saw the Doctor backing slowly into the corner where he would meet his fate Initially defending himself with a torch the Doctor searched frantically for a new method of defense The crimson mass is lunging forward using long tentacle like attachments what is that thing Slowly the subhuman blob comes in to focus and Dore realizes it s a colossal radish This is a monster never before wrestled with what are they going to do After reading this vegetative tale you won t look at your garden the same way again What Do I Read Next? Neil Barron, 2005-10-21 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication date Series Names and descriptions of characters Time period and geographical setting Review citations Story types Brief plot summary Selected other books by the author Similar books by different authors Author title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research The Publishers Weekly , 2005 *A Reverie for Mister Ray* Michael Bishop, 2005
