Traugott, Peter V Miller, 2019-06-26 Most news media are data rich but analysis poor when it comes to election polling Since election polls clearly have the power to influence campaigns and election post mortems it is important that spin not take precedence over significance in the reporting of poll results In this volume experts in the media and in academe challenge the conventional approaches that most news media take in their poll based campaign coverage The book reports new research findings on news coverage of recent presidential elections and provides a myriad of examples of how journalists and news media executives can improve their analysis of poll data thereby better serving our political processes Foreign Policy and the 1996 Presidential Election , *Running Commentary* Benjamin Balint, 2010-06-01 In the years of cultural and political ferment following World War II a new generation of Jewish American writers and thinkers arose to make an indelible mark on American culture Commentary was their magazine the place where they and other politically sympathetic intellectuals Hannah Arendt Saul Bellow Lionel Trilling Alfred Kazin James Baldwin Bernard Malamud Philip Roth Cynthia Ozick and many others shared new work explored ideas and argued with each other Founded by the offspring of immigrants Commentary began life as a voice for the marginalized and a feisty advocate for civil rights and economic justice But just as American culture moved in its direction it began inexplicably to some to veer right becoming the voice of neoconservatism and defender of the powerful This lively history based on unprecedented access to the magazine s archives and dozens of original interviews provocatively explains that shift while recreating the atmosphere of some of the most exciting decades in American intellectual life *Beyond Reason* JP Bernbach, 2016-09-01 Conservatives currently inhabit viewpoints in which waves of criminals are making their way over the Mexican border tax cuts for the rich benefit the middle class and climate change isn t happening Author J P Bernbach dismantles each of these arguments and more presenting a comprehensive and rigorously researched refutation of the right wing **Confronting the Presidents** Bill O'Reilly, Martin Dugard, 2024-09-10 Instant 1 New York Times and USA Today nonfiction bestseller Every American president from Washington to Biden Their lives policies foibles and legacies assessed with clear eyed authority and wit Authors of the acclaimed Killing books the 1 bestselling narrative history series in the world Bill O Reilly and Martin Dugard begin a new direction with Confronting the Presidents From Washington to Jefferson Lincoln to Franklin Delano Roosevelt Kennedy to Nixon Reagan to Obama and Biden the 45 United States presidents have left lasting impacts on our nation Some of their legacies continue today some are justly forgotten and some have changed as America has changed Whether famous infamous or obscure all the presidents shaped our nation in unexpected ways The authors extensive research has uncovered never before seen historical facts based on private correspondence and newly discovered documentation such as George Washington s troubled relationship with his mother In Confronting the Presidents O Reilly and Dugard present 45 wonderfully entertaining and insightful portraits of each president with no spin commentary on their achievements or lack thereof Who best served America and who undermined the founding ideals Who were the first ladies and what were their surprising roles in making history Which

presidents were the best which the worst and which didn't have much impact How do decisions made in one era under the pressure of particular circumstances still resonate today And what do presidents like to eat drink and do when they aren't working or even sometimes when they are These and many more questions are answered in each fascinating chapter of *Confronting the Presidents* Written with O'Reilly and Dugard's signature style authority and eye for telling detail *Confronting the Presidents* will delight all readers of history politics and current affairs especially during the 2024 election season
