Johnny Ball - My Previous Life in Comedy Johnny Ball,2025-03-28 From an idyllic childhood in Bristol with my gag a minute dad inspiring me to become a comedian to dreadful teenage years in Bolton where education overlooked me and all I learnt was how to be funny My first job gave me a taste of success and confidence followed by my real education in the RAF Butlins gifted me an enduring smile and in Liverpool I worked with the less fortunate while crossing paths with future stars Then came seventeen wonderful years of stand up comedy which took me across the UK and abroad entertaining the British Forces before a TV career began in failure only to rise from the ashes with Di the love of my life and a new career in Maths and Science Packed with wildly funny tales this book isn t half a good story or is it

Border Crossings Thomas Fox,2025-10-01 *Border Crossings* is an accessible and comprehensive overview of the work of prose fiction writers in what was the German Democratic Republic Thomas C Fox introduces readers to the best and most important East German writers among them Christa Wolf Jurek Becker Anna Seghers Stefan Heym and Franz F hmann restricting his study to work that is available in English translation so that readers who do not know German will be able to read for themselves the literature he discusses During a period of forty

years writers in the German Democratic Republic struggled with increasing success to free themselves from a smothering and paternalistic governmental embrace thus anticipating and helping to constitute the events of 1989 In its relentless interrogation of the status quo in its persistent ability to create alternatives and in its call for more openness literature in East Germany served as an outlet for energies and ideas that might have been channeled in the West into politics philosophy or journalism In addition to discussing the role that literature played in shaping historical events Fox shows that it can be appreciated simply as literature outside of its political contexts

Let's Do It Bob Stanley, 2022-09-06 The must read music book of the year and the first such history bringing together all musical genres to tell the definitive narrative of the birth of Pop from 1900 to the mid 1950s Pop music didn't begin with the Beatles in 1963 or with Elvis in 1956 or even with the first seven inch singles in 1949 There was a pre history that went back to the first recorded music right back to the turn of the century Who were these earliest record stars and were they in any meaningful way pop stars Who was George Gershwin writing songs for Why did swing the hit sound for a decade or more become almost invisible after World War II The prequel to Bob Stanley's celebrated Yeah Yeah Yeah this new volume is the first book to tell the definitive story of the birth of pop from the invention of the 78 rpm record at the end of the nineteenth century to the beginnings of rock and the modern pop age Covering superstars such as Louis Armstrong Bessie Smith Duke Ellington and Frank Sinatra alongside the unheralded songwriters and arrangers behind some of our most enduring songs Stanley paints an aural portrait of pop music's formative years in stunning clarity uncovering the silver threads and golden needles that bind the form together Bringing the eclectic evolving world of early pop to life from ragtime blues and jazz to Broadway country crooning and beyond Let's Do It is essential reading for all music lovers An encyclopaedic introduction to the fascinating and often forgotten creators of Anglo American hit music in the first half of the twentieth century Neil Tennant The Pet Shop Boys

American Popular Song Alec Wilder, 2022 Wonderful The New York Times Provocative opinionated and never dull Down Beat A singular book Studs Terkel When it was first published Alec Wilder's American Popular Song quickly became a classic and today it remains essential reading for countless musicians lovers of American Song and fans of Alec Wilder Now in a 50th anniversary edition popular music scholar Robert Rawlins brings the book fully up to date for the 21st century Whereas previous editions featured only piano scores the format has been changed to lead sheet notation with lyrics making it accessible to a wider readership Rawlins has also added more than sixty music examples to help complete the chapter on Irving Berlin One of the most fascinating features of the original edition was Wilder's inventive use of language often revealing his strong and sometimes irreverent opinions Wilder's prose remains relatively unaltered but footnotes have been provided that clarify elucidate and even correct Moreover a new chapter has been added discussing fifty three songs by numerous composers that Wilder might have well included but was not able to Songs by Ann Ronnell Fats Waller Jule Styne and many others are capped off with an examination of ten of Wilder's own songs
