**The Papers of George Washington** George Washington, 1983      The Writings of George Washington: Life of Washington George Washington, Jared Sparks, 1837      George Washington David O. Stewart, 2022-02-08 A fascinating and illuminating account of how George Washington became the dominant force in the creation of the United States of America from award winning author David O Stewart An outstanding biography George Washington has a narrative drive such a life deserves The Wall Street Journal Washington's rise constitutes one of the greatest self reinventions in history In his mid twenties this third son of a modest Virginia planter had ruined his own military career thanks to an outrageous ego But by his mid forties that headstrong unwise young man had evolved into an unassailable leader chosen as the commander in chief of the fledgling Continental Army By his mid fifties he was unanimously elected the nation's first president How did Washington emerge from the wilderness to become the central founder of the United States of America In this remarkable new portrait award winning historian David O Stewart unveils the political education that made Washington a master politician and America's most essential leader From Virginia's House of Burgesses where Washington mastered the craft and timing of a practicing politician to his management of local government as a justice of the Fairfax County Court to his eventual role in the Second Continental Congress and his grueling generalship in the American Revolution Washington perfected the art of governing and service earned trust and built bridges The lessons in leadership he absorbed along the way would be invaluable during the early years of the republic as he fought to unify the new nation      *George Washington* George Washington, 1988 Based almost entirely on materials reproduced from The writings of George Washington from the original manuscript sources 1745-1799 John C Fitzpatrick editor Includes indexes      *George Washington* Cheryl Harness, 2006 Presents the life of George Washington focusing on the Revolutionary War years and his presidency      The Life of George Washington Henry Cabot Lodge, 1920      **The Life of George Washington** Edward Everett, 1860      **The Writings of George Washington: pt. IV. Letters official and private, from the beginning of his presidency to the end of his life: (v. 10) May, 1789-November, 1794. (v. 11) November, 1794-December, 1799** George Washington, 1847

**Biographical Memoirs of the Illustrious General George Washington** John Corry, 1815      The Writings of George Washington George Washington, 1891      **The Papers of George Washington: 22 March-22 September 1791** George Washington, 1987 The Papers of George Washington a grant funded project was established in 1968 at the University of Virginia under the joint auspices of the University and the Mount Vernon Ladies Association of the Union to publish a comprehensive edition of Washington's correspondence Letters written to Washington as well as letters and documents written by him are being published in the complete edition that will consist of approximately ninety volumes The work is now 2011 more than two thirds complete The edition is supported financially by grants from the National Endowment for the Humanities the National Historical Publications and Records Commission the Mount Vernon Ladies Association the

University of Virginia and gifts from private foundations and individuals Today there are copies of over 135 000 Washington documents in the project s document room This is one of the richest collections of American historical manuscripts extant There is almost no facet of research on life and enterprise in the late colonial and early national periods that will not be enhanced by material from these documents The publication of Washington s papers will make this source material available not only to scholars but to all Americans interested in the founding of their nation Publisher
