George Washington's Expense Account:

George Washington's Expense Account Marvin Kitman, 2001-01-04 Just in time for President's Day Kitman shows how Washington brilliantly turned his noble gesture of refusing payment for his services as commander in chief of the Continental Army into an opportunity to indulge his insatiable lust for fine food and drink extravagant clothing and lavish accommodations Ben Stiller will direct a feature film for New Line Cinema based on Kitman's *George Washington* books starring Steve Martin and John Cleese

George Washington's Expense Account George Washington, Marvin Kitman, 1970 *George Washington's Expense Account* George Washington, Marvin Kitman, 2007-12-01 A journalist takes a close look at the Founding Father's creative accounting skills in a very funny book The New York Times Book Review *George Washington* made a noble gesture of refusing payment for his services as commander in chief of the Continental Army but as this book reveals he also took it as an opportunity to indulge his insatiable lust for fine food and drink extravagant clothing and lavish accommodations In a close analysis of the document that financed our Revolution Marvin Kitman uncovers some surprising scandals and fascinating facts and serves each up with verve and wit An intriguing network of historical detection San Francisco Chronicle *George Washington's Accounts of Expenses While Commander-in-Chief of the Continental Army, 1775-1783* George Washington, 1917 *George Washington: A Biography* John Richard Alden, 1984 *George Washington* Robert Francis Jones, 2002 Jones history Fordham U extensively revises and enlarges his *George Washington A Biography* originally published in 1979 and in print since then His goal is to synthesize the best contemporary scholarship into a relatively brief and readable biography for the general reader and student Annotation copyrighted by Book News Inc Portland OR *Weekly World News*, 1991-04-16 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

George Washington, *George Washington* David O. Stewart, 2021-02-09 A fascinating and illuminating account of how George Washington became the dominant force in the creation of the United States of America from award winning author David O Stewart An outstanding biography *George Washington* has a narrative drive such a life deserves The Wall Street Journal Washington's rise constitutes one of the greatest self reinventions in history In his mid twenties this third son of a modest Virginia planter had ruined his own military career thanks to an outrageous ego But by his mid forties that headstrong unwise young man had evolved into an unassailable leader chosen as the commander in chief of the fledgling Continental Army By his mid fifties he was unanimously elected the nation's first president How did Washington emerge from the wilderness to become the central founder of the United States of America In this remarkable new portrait award winning historian David O Stewart unveils the political education that made Washington a master politician and America's most essential leader From Virginia's House of Burgesses where Washington mastered the craft and timing of a practicing politician to his management of local government

as a justice of the Fairfax County Court to his eventual role in the Second Continental Congress and his grueling generalship in the American Revolution Washington perfected the art of governing and service earned trust and built bridges The lessons in leadership he absorbed along the way would be invaluable during the early years of the republic as he fought to unify the new nation

George Washington's Boy Ted Lange,2013-12-09 Based on historical fact George Washington's Boy written by Ted Lange portrays the fight for freedom the Declaration of Independence and the first presidency of the United States from the viewpoint of one of George Washington's closest confidant ironically his slave Billy Lee Billy Lee served his master throughout these monumental times and was privy to the innermost thoughts and actions of Washington

George Washington and the Origins of the American Presidency William D. Pederson,Mark J. Rozell,Frank J.

Williams,2000-07-30 This essay collection is a retrospective analysis of the Washington administration's importance to the understanding of the modern presidency Contemporary presidential scholarship gives little attention to the enormous impact that Washington's actions had on establishing the presidency Most contemporary literature starts with 1933 and although FDR's impact on the development of the modern institution of the presidency is undeniable Washington's actions in office also established standards for practices that continue to this day This analysis of the Washington presidency begins with an examination of Washington's leadership and its relevance to the modern presidency The second group of essays looks at different aspects of presidential powers and the precedents established by the Washington administration The third section examines Washington's press coverage looking at the origins of Washington's image and the various myths in the press as well as the president's difficult relations with his contemporary press A thoughtful and important corrective that will be of interest to scholars students and researchers involved with the American presidency and its history

George Washington's Secret Spy War John A. Nagy,2016-09-20 This fast paced chronicle reveals a little known side of America's Revolutionary War hero and how intelligence helped him defeat the British Publishers Weekly Here is the untold story of how George

Washington used his skills as a spymaster to win the Revolutionary War Author John A Nagy has become the nation's leading expert on the subject discovering hundreds of spies who went behind enemy lines to gather intelligence during the American Revolution many of whom are completely unknown to most historians Drawing on Washington's personal diaries Nagy recounts how he honed his intelligence gathering skills during the French and Indian War He later depended on those skills as he faced a well trained better equipped fighting force in the Revolutionary War Espionage was Washington's secret weapon and he exploited it to extraordinary effect Filled with thrilling and never before told stories from the battlefield and behind enemy lines this is the story of how Washington outspied the British For the first time readers will discover how espionage played a major part in the American Revolution and why Washington was a master at orchestrating it

George Washington's Leadership Lessons James Rees,Stephen J. Spignesi,2007-01-22 From James Rees Executive Director of Mount Vernon comes an enlightening guide to the leadership wisdom of America's first great leader George Washington was

more than just an inspiring battlefield commander he was critical to the founding and success of the United States of America His leadership his vision and his courage united a war torn country and set the United States on the path to greatness Washington s historic contribution to this nation his leadership and his character are as relevant and valuable today as they have ever been This book reveals Washington s character his leadership his vision and most surprising of all his business skills and acumen Most people aren t aware that Washington while all of the above was also a successful businessman and visionary entrepreneur Exhibiting qualities sorely lacking in so many of our political and business leaders today Washington remained steadfastly honest and ethical following guiding principles that would benefit leaders around the world George Washington s Leadership Lessons reveals a man of true character worthy of emulation not just in the realm of politics and war but in all leadership positions

The Making of the President 1789 Marvin Kitman, 2007-12-01 A witty funny and hysterically silly political parody that dares to take on the Mount Vernon Machine The New York Times Lampooning the modern campaign insider books this book asks How is it possible that a man with no military experience becomes a general He loses more battles than he wins and becomes a war hero He has absolutely no political opinions in the most sophisticated intellectual period of our history He has no ambitions and he wins Through careful research and with plenty of laughs as well as a foreword by John Cleese journalist Marvin Kitman exposes George Washington s weaknesses for social climbing and high stakes whist not to mention his relationships with the Founding Girlfriends Hilarious Will entertain and fascinate even those who think they hate history Houston Chronicle

George Washington Willard Sterne Randall, 1998-11-15 A classic biography George Washington A Life tells the human story of one of our founding fathers Randall s demythologized Washington comes vividly to life Publishers Weekly starred

George Washington's Enforcers Harry M. Ward, 2006-03-24 Ward relates how the enlisted men who had a propensity for troublemaking and desertion not only were victims of the double standard that existed between officers and regular troops but also lacked legal protection in the army The enforcement of military justice afforded the accused with little due process support Ward discusses the duties of the various personnel responsible for training and enforcing the standards of behavior including duty officers adjutants brigade majors inspectors and sergeant majors He includes the roles of life guards camp guards quarter guards picket men and safe guards whose responsibilities ranged from escorting the commander in chief intercepting spies and stragglers and protecting farmers from marauding soldiers to searching for deserters rounding up unauthorized personnel and looking for delinquents in local towns and taverns

A Powerful Mind Adrienne M. Harrison, 2015-10 His formal schooling abruptly cut off at age eleven George Washington saw his boyhood dream of joining the British army evaporate and recognized that even his aspiration to rise in colonial Virginian agricultural society would be difficult Throughout his life he faced challenges for which he lacked the academic foundations shared by his more highly educated contemporaries Yet Washington s legacy is clearly not one of failure Breaking new ground in Washington scholarship and American revolutionary history Adrienne M Harrison

investigates the first president's dedicated process of self-directed learning through reading a facet of his character and leadership long neglected by historians and biographers In *A Powerful Mind* Harrison shows that Washington rose to meet these trials through a committed campaign of highly focused reading educating himself on exactly what he needed to do and how best to do it In contrast to other famous figures of the revolution Thomas Jefferson John Adams Benjamin Franklin Washington did not relish learning for its own sake viewing self education instead as a tool for shaping himself into the person he wanted to be His two highest profile and highest risk endeavors commander in chief of the Continental Army and president of the fledgling United States are a testament to the success of his strategy
