*The Innocents* Georges Simenon,1974-01 A jeweler who believed himself happily married for twenty years finds out differently when his wife is killed in an accident      The Strangers in the House Georges Simenon,2006 Publisher description

*Tropic Moon* Georges Simenon,2005 A young Frenchman Joseph Timar travels to Gabon carrying a letter of introduction from an influential uncle      *The Mystery of Georges Simenon* Fenton S. Bresler,1983      Across the Street Georges Simenon,1992 In an apartment in Faubourg Saint Honore that has seen better days Dominique the daughter of a general is busy mending her dress It is hot She sits in her slip as she sews and listens to the noises of the city listens to the scratchy tango the couple in the other room her boarders play on the gramophone while they make love Sometimes Dominique cannot resist looking through the keyhole though it hurts her and makes her giddy In three months she will be forty All the shutters across the street are wide open Dominique watches the Rouets She follows their gestures the movements of their lips It is a long story without words and she knows the smallest episodes of it Then one day she sees Monsieur Rouet in his bed gasp his last while in the next room Antoinette his wife stands holding the medicine her hand on the doorknob With his usual mastery Georges Simenon describes the day to day suffering of a woman who lives alone and only through the lives of others      **The**

**13 Culprits** Georges Simenon,2002      **When I Was Old** Georges Simenon,2016-02-04 For personal reasons or for reasons I don't know myself I began feeling old and I began keeping notebooks I was nearing the age of sixty Georges Simenon's autobiographical notebooks in which he recorded his observations experiences anxieties and all the silly ideas that pass through my head are one of the most candid self portraits of a writer ever put to paper Here as the celebrated author ruthlessly examines his tortuous writing methods his past his fame his intimate relationships and his fears of ageing the result is an unsparing often painfully revealing insight into a man trying both to find and to escape himself As revealed in these notebooks Simenon's is a shrewd lucid mind the balance tips toward the real the immediate the mysteries of human complexity above all Utterly unpretentious The New York Times      The Hand Georges Simenon,2016-10-06 A new translation of George Simenon's taut devastating psychological novel set in American suburbia The inspiration for the new play by award winning playwright David Hare I had begun God knows why tearing a corner off of everyday truth begun seeing myself in another kind of mirror and now the whole of the old more or less comfortable truth was falling to pieces Confident and successful New York advertising executive Ray Sanders takes what he wants from life When he goes missing in a snow storm in Connecticut one evening his closest friend begins to reassess his loyalties gambling Ray's fate and his own future The romances are extraordinary tough bleak offhandedly violent suffused with guilt and bitterness redolent of place utterly unsentimental frightening in the pitilessness of their gaze yet wonderfully entertaining John Banville One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian A supreme writer unforgettable vividness Independent

Letter to My Mother Georges Simenon, 2018 As you are well aware we never loved each other in your lifetime Both of us pretended Simenon explores the complexity of parent child relationships and the bitterness of things left unsaid in this stark confessional piece Penguin Modern fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series with each one offering a concentrated hit of its contemporary international flavour Here are authors ranging from Kathy Acker to James Baldwin Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson essays radical and inspiring poems moving and disturbing stories surreal and fabulous taking us from the deep South to modern Japan New York s underground scene to the farthest reaches of outer space     The Door Georges Simenon, 1964     **Mr Hire's**

**Engagement** Georges Simenon, 2014-11-06 Georges Simenon s chilling portrayal of tragic love persecution and betrayal One sensed in him neither flesh nor bone nothing but soft flaccid matter so much so that his movements were hard to make out Very red lips stood out from his orb like face as did the thin moustache that he curled with an iron and looked as if it had been drawn on with India ink on his cheekbones were the symmetrical pink dots of a doll s cheeks People find Mr Hire strange disconcerting The tenants he shares his building with try to avoid him He is a peeping Tom a visitor of prostitutes a dealer in unsavoury literature He is also the prime suspect for a brutal murder that he did not commit Yet Mr Hire s innocence will not stand in the way of those looking for a scapegoat as tragedy unfolds in this quietly devastating and deeply unnerving novel The romans durs are extraordinary tough bleak offhandedly violent suffused with guilt and bitterness redolent of place utterly unsentimental frightening in the pitilessness of their gaze yet wonderfully entertaining John Banville

The Bar on the Seine Georges Simenon, 2007 One of the worlds most successful crime writers Georges Simenon has thrilled mystery lovers around the world since 1931 with his matchless creation Inspector Maigret In The Bar on the Seine Maigret must visit a prisoner he arrested and bear the news that his reprieve has been refused and he will be executed at dawn But when the condemned man tells Maigret a story his investigations lead him to the Guinguette Deux Sous a bar by the River Seine and into the seamy underside of bourgeois Parisian life     The People Opposite Georges Simenon, 2022-03-03 You ll get used to things you ll see But you have to watch very carefully what you say and what you do Adil Bey is an outsider Newly arrived as Turkish consul at a run down Soviet port on the Black Sea he receives only suspicion and hostility from the locals His one intimacy is a growing wary relationship with his Russian secretary Sonia who he watches silently in her room opposite his apartment But this is Stalin s world before the war and nothing is as it seems Georges Simenon s most starkly political work The People Opposite is a tour de force of slow burn tension Irresistible read him at your peril avoid him at your loss Sunday Times     **Simenon, a Critical Biography** Stanley G. Eskin, 1987 The most comprehensive account of Georges Simenon s life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with

women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon's relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e g with Josephine Baker cutting up in a bistro *The Rich Man* Georges Simenon,1971 A Helen and Kurt Wolff book **Red Lights** Georges Simenon,1975 *The Mahé Circle* Georges Simenon,2014-06-05 Powerful unputdownably gripping Guardian The island itself Its throbbing heat as if in a belljar under the sun the scorpion in his son's bed the deafening sound of cicadas During his first holiday on the island of Porquerolles Dr Mah caught a glimpse of something irresistible As the memory continues to haunt him he falls prey to a delusion that may offer an escape from his conventional existence or may destroy him This is the first English translation of The Mah Circle Simenon's dark malevolent depiction of an ordinary man trapped in mundanity and consumed by obsession Extraordinary Simenon is one of the most important writers of the 20th century Independent

*Three Crimes* Georges Simenon,2006 Based on his own experiences Georges Simenon tells of a period in his youth when he was befriended by three men Unbeknownst to him these three would go on to commit a series of wholly reprehensible crimes Yet it was only by chance that these travesties inspired Simenon to become a crime writer rather than tread the path of evil himself One of the 20th century's most prolific and widely read authors Georges Simenon 1903 1989 is widely recognized as one of the most skillful and literate writers of detective fiction famed for his Commissaire Maigret novels

**The President** Georges Simenon,2011-11-08 Restored to print for the first time in more than forty years The President was hailed by the New York Times as a tour de force At 82 the former premier lives in alert and suspicious retirement self exile on the Normandy coast writing his anxiously anticipated memoirs and receiving visits from statesman and biographers In his library is the self condemning handwritten confession of the premier's former attach Chalamont hidden between the pages of a sumptuously produced work of privately printed pornography a confession that the premier himself had dictated and forced Chalamont to sign Now the long thwarted Chalamont has been summoned to form a new coalition in the wake of the government's collapse The premier alone possesses the secret of Chalamont's guilt of his true character and has publicly vowed He'll never be Premier as long as I'm alive Nor when I'm dead either Inspired by French Premier Georges Clemenceau The President is a masterpiece of psychological suspense and a probing account of the decline of power Georges Simenon. [Mit Portr.] (1. Print.) Lucille Frackman Becker,1977 A biography of the creator of one of the best known characters in detective fiction Inspector Maigret the pipe smoking Parisian police detective
