Geraldine Ferraro

Joseph Bonocore

Geraldine Ferraro:

Ferraro Geraldine Ferraro, Linda Bird Francke, 2004-11-24 An inside look at a prominent woman's campaign for the vice presidency **Telling Political Lives** Brenda DeVore Marshall, Molly A. Mayhead, 2008-01-01 Using a variety of critical methods the contributing authors of *Telling Political Lives* demonstrate the ways in which the autobiographies of U S women leaders provide arguments that both reveal and shape perceptions of politics empowerment and ideology in the United States

New York Magazine , 1984-07-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Geraldine Ferraro** Don Lawson, 1985 A biography of the first woman nominated by a major political party to run for vice president

Paving the Way for Madam President Nichola D. Gutgold, 2006-01-01 This book chronicles the lives communication styles and presidential bids of five remarkable women_Margaret Chase Smith Shirley Chisholm Patricia Schroeder Elizabeth Dole and Carol Moseley Braun_ while also addressing the obstacles and opportunities for women as presidential contenders **My Name is Geraldine Ferraro** Lee Michael Katz, 1984 **Women in the American**

Political System Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women's involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily's List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women's roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women's political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Political Women Michele Lockhart, Kathleen Mollick, 2013-09-25 This collection examines the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership at the national

level While over the years women have broken through traditional roles they are still underrepresented in political leadership In this text scholars consider the various factors that continue to restrict political leadership opportunities for women as well as some of the ways in which individual women have strategically sought to enact political power and leadership for themselves The contributors analyze various case studies of leadership positions at the national level looking at women who have run been nominated to run or appointed to national positions The interdisciplinary approach lends itself to rhetoric political rhetoric political discourse leadership studies women s studies gender issues satire pop culture

Divorce, American Style Suzanne Kahn, 2021-05-28 In the 1970s the divorce rate in the United States doubled and longtime homemakers suddenly found themselves at risk of poverty not only because their husband s job was their sole source of income but also because their insurance retirement and credit worthiness were all tied to their spouse s employment Divorce American Style examines how newly divorced women and policymakers responded to the crisis that rising divorce rates created for American society Suzanne Kahn shows that ironically rising divorce rates led to policies that actually strengthened the social insurance system s use of marriage to determine eligibility for benefits Large numbers of newly divorced women quickly realized their invisibility within the American welfare state which did not distribute benefits to most women directly but rather through their husbands These newly divorced women organized themselves into a political force and they were remarkably successful in securing legislation designed to address divorced women s needs But this required significant compromise with policymakers and these new laws specifically rewarded intact marriages providing more robust benefits to women in longer marriages These incentives remain in place today Indeed in the thirty years since this legislative compromise activists efforts to grapple with the legal system created out of this crisis have affected such high profile debates as the fight over the Affordable Care Act and the battle for marriage equality Divorce American Style contests the frequent claim that marriage has become a more flexible legal status over time Enduring ideas about marriage and the family continue to have a powerful effect on the structure of a wide range of social programs in the United States

New York Magazine, 1984-07-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The 20th Century A-GI Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s

place in history All entries conclude with a fully annotated bibliography *New York Magazine* ,1984-07-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Anticipating Madam President Robert P. Watson,Ann Gordon,2003 Annotation Conveying the complexity and challenges surrounding the pursuit of the White House the authors explore the conditions the first female president will encounter both on the campaign trail and in office *Italian Americans* Eric Martone,2016-12-12 The entire Italian American experience from America s earliest days through the present is now available in a single volume This wide ranging work relates the entire saga of the Italian American experience from immigration through assimilation to achievement The book highlights the enormous contributions that Italian Americans the fourth largest European ethnic group in the United States have made to the professions politics academy arts and popular culture of America Going beyond familiar names and stories it also captures the essence of everyday life for Italian Americans as they established communities and interacted with other ethnic groups In this single volume readers will be able to explore why Italians came to America where they settled and how their distinctive identity was formed A diverse array of entries that highlight the breadth of this experience as well as the multitude of ways in which Italian Americans have influenced U S history and culture are presented in five thematic sections Featured primary documents range from a 1493 letter from Christopher Columbus announcing his discovery to excerpts from President Barack Obama s 2011 speech to the National Italian American Foundation Readers will come away from this book with a broader understanding of and greater appreciation for Italian Americans contributions to the United States **Women Politicians and the Media** Maria Braden,2021-09-15 All American politicians face the glare of media coverage both in running for office and in representing their constituents if elected But for women seeking or holding high public office as Maria Braden demonstrates the scrutiny by newspapers and television can be both withering and damaging a fact that has changed little over the decades despite the emergence of more women in politics and more women in the news media Particularly disturbing is the fact that the increase in the number of women reporters appears to have had little effect on the way women candidates are portrayed in the media Some women reporters in fact seem intent on proving that they can be just as tough on women candidates as their male counterparts thus perpetuating the misrepresentations of the past Braden examines the political fortunes of Jeannette Rankin the first woman elected to the U S House those of the congressional glamour girls of the 1940s Clare Boothe Luce and Helen Gahagan Douglas the long Senate career of Margaret Chase Smith the political struggles of diverse women of more recent decades including Bella Abzug Elizabeth Holtzman Nancy Kassebaum Barbara Jordan Dianne Feinstein and Ann Richards and the disastrous vice presidential bid of Geraldine Ferraro Braden traces a

persistent double standard in media coverage of women s political campaigns through the past eighty years Journalists dwell on the candidates novelty in public office and describe them in ways that stereotype and trivialize them Especially demeaning are comments on women s appearance personality and family connections comments of a sort that would rarely be made about men candidates Are they too pretty or too plain What do their clothes say about them Are they feminine enough or too masculine Are they still just ordinary housewives or are they neglecting their families by heading for Washington or the state house Braden s study is based on both media accounts and the revealing personal interviews she conducted with a broad range of recent women politicians including Margaret Chase Smith Bella Abzug Kay Bailey Hutchison Nancy Kassebaum and Ann Richards All describe agonizing struggles to get across to the public the message that they are serious and competent candidates capable of holding high office and shaping our nation s course **New York Magazine** ,1984-07-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Voting and Political Representation in America Mark P. Jones,2020-02-24 Examines voting trends and political representation in the United States today with a special focus on debates over voting rights voter fraud and voter suppression and election rules and regulations including those related to gerrymandering campaign fundraising and other controversial subjects Do average Americans have a voice in Washington Are they well represented or are they marginalized Do elections reflect fundamental democratic institutions and values or are they tarnished by voter suppression voter fraud gerrymandering or other factors To what extent do America s elected officials reflect the diversity of race religion gender socioeconomic background sexual orientation and political views of the wider American population This encyclopedia explores all these questions and more It examines important mechanisms and laws shaping political representation in America in the 21st century such as term limits gerrymandering the Electoral College and direct democracy ballot initiatives and referendums and the degree to which various demographic groups are represented in state and federal legislatures from Latinos and senior citizens to atheists and residents of rural states It also explains the basis for escalating concerns about both voter fraud and voter suppression

Coming to Terms Jane Blankenship,2011-12-23 Coming to Terms The Collected Works of Jane Blankenship an edited collection from Jane Blankenship and Janette Kenner Muir is the story of one academic journey through self discovery intellectual development and mentorship It is a conversation that illustrates how in Mary Catherine Bateson s terms one composes a life that has meaning and makes a significant difference in other lives as well Jane Blankenship was an active member of the speech communication discipline starting with her first job teaching in the Rhetoric and Composition program at Mount Holyoke College and finishing with the great distinction of Professor Emeritus at the University of Massachusetts

Amherst As a noted rhetorical scholar in both criticism and theory Jane Blankenship was a long time leader within the National Communication Association including one of a handful of women who served as president in the 20th Century and an award winner of numerous teaching and scholarship awards Throughout her academic career Blankenship made important contributions to the understanding of language and form specific literary critics such as Kenneth Burke and Samuel Coleridge and the role of women in politics Most importantly she worked with and inspired a cadre of graduate students who continue to reflect her ideas and perspectives in their own work particularly in the area of political communication Through her writing and mentoring she impacted and changed thousands of lives Coming to Terms brings together some of the significant pieces that marked Jane Blankenship's career and also shows the process wherein one makes choices in writing and publishing that underscore the interrelationship between scholarship and teaching an important element throughout her academic life

Raised Italian-American Joseph Bonocore, 2005 Raised Italian American remembers the history stories traditions and values of growing up in an Italian neighborhood One of my fondest memories as a child was to take a ride and view the beautiful nativity scenes that were erected throughout the neighborhood each Christmas The popularity of these large statues they are called presepi in Italy started in Italy in the 17th century when it was fashionable to find them in palaces and homes of wealthy citizens The newfound enthusiasm of erecting a presepi during Christmas may be contributed to Saint Gaetano who openly encouraged people to create the presepi as a sign of devotion It wasn't until the later part of the 19th century that these presepi became a part of family traditions in nearly every home in Italy This set is a beautiful piece of art and is a prized possession of the families that own them I know that Phyllis grandmother cherished her presepi until the day she died and the family still think fondly of their grandmother every time they see it at Christmas time

The Italian American Experience Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

This is likewise one of the factors by obtaining the soft documents of this **Geraldine Ferraro** by online. You might not require more get older to spend to go to the book inauguration as competently as search for them. In some cases, you likewise do not discover the pronouncement Geraldine Ferraro that you are looking for. It will utterly squander the time.

However below, in the same way as you visit this web page, it will be for that reason totally easy to acquire as well as download guide Geraldine Ferraro

It will not agree to many become old as we explain before. You can attain it even if take steps something else at house and even in your workplace. fittingly easy! So, are you question? Just exercise just what we come up with the money for under as capably as review **Geraldine Ferraro** what you past to read!
