German Foreign Policy Since Unification:

German Foreign Policy Since Unification Volker Rittberger, 2001 This book examines the extent to which German foreign policy has changed since unification and analyzes the fundamental reasons behind this change The book has three main aims The essays develop theories of foreign policy to predict and explain Germany's foreign policy behavior They test competing predictions about German foreign policy behavior since unification in several issue areas They also assess the much debated question as to whether post unification Germany's foreign policy is marked by continuity or change

Strategic Dilemmas and the Evolution of German Foreign Policy since Unification Jeffrey Lantis, 2002-09-30 Lantis examines continuity and change in German foreign policy in the decade since unification Between 1949 and 1990 the Federal Republic of Germany pursued one of the most consistent foreign policy patterns of any Western power Restrictions on an assertive German military posture became deeply rooted in the public psyche in foreign policy tradition and in the Basic Law However the end of the Cold War the collapse of the Soviet Union and the unification of Germany have fundamentally changed the international and domestic parameters of German foreign policy A review of contemporary developments shows that a dramatic evolution of German foreign policy is currently underway from checkbook diplomacy in the Gulf War to the humanitarian relief mission in the Horn of Africa and from Contact Group diplomacy to airstrikes in Kosovo To explore this evolution of German foreign policy since unification Lantis presents an innovative model of external internal linkages derived from two important areas of scholarship on the role of international crises as catalysts for foreign policy change and the importance of domestic political conditions that ultimately determine the scope and pace of such change Five original case studies place German political debates about how best to respond to challenges of the post Cold War era in social and historical context by drawing on discursive analyses of government documents parliamentary debates and elite interviews These cases illustrate the rise of a new consensus on the political left for engagement in global affairs reinterpretations of historical lessons for contemporary German policy and the constitutional challenges of global activism since unification Of particular interest to scholars students and researchers involved with German politics international security policy and comparative foreign policy *New Europe, New Germany, Old Foreign Policy?* Douglas Webber, 2014-01-14 This work examines the extent to which German foreign policy and European policy has changed since German unification Despite significant changes on specific issues most notably on the deployment of military force outside of the NATO area there is greater continuity than change in post unification German policy Strategic Dilemmas and the Evolution of German Foreign Policy Since Unification Jeffrey S. Lantis, 2002 *International Theory and German Foreign Policy* Jakob Eberle, Alister Miskimmon, 2022-06-23 The central aim of this book is to foster connections between scholarly discussions of German foreign policy and broader theoretical debates in International Relations and beyond While there has been a lively discussion about new German foreign policy this book argues that it has not engaged substantially with

international and foreign policy theory especially with respect to its more recent developments Reviewing the recent literature on German foreign policy this book posits that the most discussed works are still largely provided by the Altmeister Maull Szabo Bulmer and Paterson who were already dominating the field a quarter of a century ago While there is a general decline in the academic study of German foreign policy the chapters in this edited volume show that a range of novel theoretically sophisticated but often disconnected scholarship has appeared on the margins This book contributes to this emerging work by providing conceptual interrogations which question the existing research and provide theoretically grounded alternatives initiating critical discussions and evaluations of the nature of Germany's actorness and the environment in which it operates and proposing applications of less familiar perspectives on German foreign policy The chapters in this book were originally published as a special issue of German Politics

Germany's Foreign Policy of Reconciliation Lily Gardner Feldman, 2014-07-16 Since World War II Germany has confronted its own history to earn acceptance in the family of nations Lily Gardner Feldman draws on the literature of religion philosophy social psychology law and political science and history to understand Germany's foreign policy with its moral and pragmatic motivations and to develop the concept of international reconciliation Germany's Foreign Policy of Reconciliation traces Germany's path from enmity to amity by focusing on the behavior of individual leaders governments and non governmental actors The book demonstrates that at least in the cases of France Israel Poland and Czechoslovakia the Czech Republic Germany has gone far beyond banishing war with its former enemies it has institutionalized active friendship The German experience is now a model of its own offering lessons for other cases of international reconciliation Gardner Feldman concludes with an initial application of German reconciliation insights to the other principal post World War II pariah as Japan expands its relations with China and South Korea

Power and German Foreign Policy B. Crawford, 2007-09-28 What will German foreign policy look like in 2015 This book speculates by making a provocative argument what drives German foreign policy is its power position in Europe and on the international stage Crawford examines Germany's manoeuvres in the Balkans its role in EMU and its leadership in curbing Europe's proliferation of WMD technology

German Foreign Policy Scott Erb, 2003 Despite an array of predictions that Germany's foreign policy would be unable to adapt easily to the postunification post Cold War environment it has in fact remained effective even as it evolves in response to myriad challenges Scott Erb analyzes German policy with an emphasis on the transitions from 1980 to the present Erb argues that Germany's success in dealing with a rapidly changing world rests on principles of multilateralism and cooperative institution building developed during the Cold War These principles are especially well suited now he finds as interdependence and turbulence bring traditional notions of sovereignty and self interest into question Germany he concludes offers a sound model of foreign policy in an age of globalization

Foreign Policy in Comparative Perspective Ryan K. Beasley, Juliet Kaarbo, Jeffrey S. Lantis, Michael T. Snarr, 2012-04-25 Widely regarded as the most comprehensive comparative foreign policy text Foreign Policy in Comparative

Perspective has been completely updated in this much anticipated second edition Exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas The book s accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs

History and Foreign Policy in France and Germany Ulrich Krotz,2015-08-11 Why do states similar in size resources and capabilities significantly differ in their basic orientations and actions across major domains in foreign policy security and defense This book addresses this important question by analyzing the major differences between the foreign policies of France and Germany over extended periods of time

Germany since Unification K. Larres,2001-02-13 A decade after the fall of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided nation The books eleven authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlighted the gradually emerging short and long term patterns in Germany s slow adjustment to the new realities The country has not only become more populous and territorially bigger but also burdened with much underestimated problems particularly economic and social ones The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany into the Federal Republic has still not been completed and may take yet another ten to fifteen years The book is a timely and well researched effort by a team of outstanding experts to evaluate Germany s performance to date It gives the reader ample and well analysed information to comprehend the many challenges facing Germany and its European neighbours in the post Cold War world

Germany since Unification Klaus Larres,2016-07-27 Almost a decade after the opening of the Berlin Wall the collapse of the GDR and the end of the Cold War Germany has begun to cope with the political economic social and nationalistic challenges unification has posed to its institutions and way of life in both the western and eastern part of the once divided country The books nine authors all experts in their field analyse the way united Germany has tackled the many unforeseen problems and highlight Germany s slow adjustment to the new realities The emergence of a new economic political and perhaps military superstate as feared by many in 1990 has not materialised Instead Germany today is only just coping with the domestic and external challenges of unification The economic and social integration of the former East Germany may yet take another 10 to 15 years This timely and well researched book outlines the many challenges facing Germany and its European neighbours in the post Cold War world

Germany's Role in European Russia Policy Liana Fix,2021-04-24 This book contributes to the debate about a new German power in Europe with an analysis of Germany s role in European Russia policy It provides an up

to date account of Germany's Ostpolitik and how Germany has influenced EU Russia relations since the Eastern enlargement in 2004 partly along partly against the interests and preferences of new member states The volume combines a rich empirical analysis of Russia policy with a theory based perspective on Germany's power and influence in the EU The findings demonstrate that despite Germany's central role exercising power within the EU is dependent on legitimacy and acceptance by other member states

The New Germany and the New Europe Paul B. Stares, 2010-12-01 Since the first heroic and largely spontaneous acts precipitated the end of the Cold War Europe has been transformed in a truly remarkable and wholly unforeseen manner Germany has been unified the Warsaw Pact has collapsed and the Soviet Union has disintegrated leaving in its wake many new independent states These momentous events have taken place so rapidly and often in such confused circumstances that their full meaning has barely been comprehended let alone assimilated A clearer and deeper appreciation of the forces and processes unleashed by the recent changes is vitally important however to meet the challenges and exploit the opportunities that now present themselves in Europe This volume therefore is intended to promote wider understanding of the key issues and it represents the most comprehensive assessment to date of the new Germany and the new Europe The volume begins with detailed accounts by U S and German scholars of how unification came about and the resulting changes to the political economy security policy and foreign relations A complementary section discusses the implications for the rest of Europe as well as Japan While the focus of the book is on the new Germany two separate chapters provide specific designs for a new adoption of a general system of cooperative security

The Politics of the New Germany Simon Green, 2013-03-01 The Politics of the New Germany continues to provide the most comprehensive authoritative and up to date textbook on contemporary German Politics The text takes a new approach to understanding politics in the post unification Federal Republic Assuming only elementary knowledge it focuses on a series of the most important debates and issues in Germany today with the aim of helping students understand both the workings of the country's key institutions and some of the most important policy challenges facing German politicians For this second edition the content has been comprehensively updated throughout augmented by additional factboxes and data and features new material on Grand coalition Lisbon treaty Constitutional court Financial crisis Reform of social policy Afghanistan Written in a straightforward style by three experts each of the chapters draws on a rich variety of real world examples In doing so it highlights both the challenges and opportunities facing policy makers in such areas as foreign affairs economic policy immigration identity politics and institutional reform The book also takes a bird's eye view of the big debates that have defined German politics over time regardless of which political parties happened to be in power It pinpoints three key themes that have characterised German politics over the last sixty years reconciliation consensus and transformation The book is a comprehensive yet highly accessible overview of politics in 21st Century Germany and should be essential reading for students of politics and international relations as well as of European and German studies

Issue Salience in International Politics Kai

Oppermann, Henrike Viehrig, 2011-06-02 This book analyses the salience of foreign and security policy issues to domestic actors its role in the analysis of international politics and its consequences for foreign policy decision making It provides a comprehensive and systematic overview of issue salience and develops the state of the art Beginning with a chapter on the concept of issue salience and its role in analysing international politics it has a strong comparative framework and focuses on different domestic actors the general public political parties parliaments and the media It features empirical studies drawn from countries in Western Europe and North America and addresses the salience of different issue areas in three key areas of international politics European Integration Foreign and Security Policy Transatlantic Relations Finally the book offers critical appraisals of the theoretical underpinnings of the concept of issue salience and the methods for measuring it This volume makes an important contribution to scholarly debates on the role of public opinion in foreign affairs and on the prospects of parliamentary control of foreign and security policy It will be of interest to students and scholars of political science international relations and foreign policy Kai Oppermann is Assistant Professor at the Institute for Political Science and European Affairs University of Cologne Germany and the Managing Editor of *Zeitschrift für Außen- und Sicherheitspolitik* Dr Henrike Viehrig is Assistant Professor and Chair of International Politics and Foreign Policy at the University of Cologne Germany

Foreign Policy Change in Europe Since 1991 Jeroen K. Joly, Tim Haesebrouck, 2021-08-27 In the past three decades the world has witnessed many rapid and invasive changes and seems to be changing countries have adapted their foreign policies to these changes Building on a clear typology of foreign policy change and a consistent theoretical framework this book offers a comparative analysis of foreign policy change in Europe throughout the post Cold War period Along the lines of our analytical framework country experts discuss how and why the further ever more rapidly in ways that seemed only imaginable in movies This book investigates how European foreign policies of eleven European countries have changed over the past thirty years This book hereby advances our understanding of the phenomenon of foreign policy change and identifies the most important drivers and inhibitors of change

Germany's EU Policy on Asylum and Defence G. Hellmann, 2006-05-26 Integrating insights from foreign policy analysis integration theory and social theory and providing an in depth analysis of both refugee and security policy the book develops an innovative framework for analysis that is capable of accounting for an incremental de Europeanization in Germany's EU policy

Germany's Uncertain Power H. Maull, 2006-01-26 This comprehensive in depth assessment of the German foreign policy record under the Red Green government of Gerhard Schröder and Joschka Fischer from 1998 to 2005 produced by a team of German and international experts explores the idea of continuity and the sources depths and directions of German foreign policy

Role Theory in International Relations Sebastian Harnisch, Cornelia Frank, Hanns W Maull, 2011-04-06 Role Theory in International Relations provides a comprehensive up to date survey of recent theoretical scholarship on foreign policy roles and extensive empirical analysis of role behaviour of a variety of states in the current era of eroding American hegemony Taking stock of the

evolution of role theory within foreign policy analysis international relations and social science theory the authors probe role approaches in combination with IR concepts such as socialization learning and communicative action They draw upon comparative case studies of foreign policy roles of states the United States Japan PR China Germany France UK Poland Sweden and Norway and international institutions NATO EU to assess NATO s transformation the EU as a normative power as well as the impact of China s rise on U S hegemony under the Bush and Obama administrations The chapters also offer compelling theoretical arguments about the nexus between foreign policy role change and the evolution of the international society This important new volume advances current role theory scholarship offering concrete theoretical suggestions of how foreign policy analysis and IR theory could benefit from a closer integration of role theory It will be of great interest to all scholars and students of international relations foreign policy and international politics

German Foreign Policy Since Unification Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading German Foreign Policy Since Unification free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading German Foreign Policy Since Unification free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading German Foreign Policy Since

Unification free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading German Foreign Policy Since Unification. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading German Foreign Policy Since Unification any PDF files. With these platforms, the world of PDF downloads is just a click away.
