CINCINNATI'S GERMAN HERITAGE

Cincinnati, along with Milwaukee and St. Louis, is one of the three corners of the "German Triangle," so-called for its historically high concentration of German-American residents. During the 19th century, Cincinnati was both a destination for immigrants to the mid-state area and a hub from which many groups of Germans moved inland to settle new Ohio communities - many along the Miami and Erie canal corridor which began here. German-Americans have greatly influenced the social, cultural, economic and political life of the Cincinnati area. At the start of the 21st century, approximately half of Cincinnati's population was of German descent.
