Library, 1960 **Authenticity and Victimhood after the Second World War** Randall Hansen, Achim Saupe, Andreas Wirsching, Daqing Yang, 2021-09-23 This edited collection explores memories and experiences of genocide civilian casualties and other atrocities that occurred after the Second World War **German Psychological Warfare** Ladislav Farago, 1941 *Stalin's War with Germany: The road to Berlin* John Erickson, 1999-01-01 Completing the most comprehensive and authoritative study ever written of the Soviet German war Erickson presents the vivid and compelling story of the Red Army's epic struggle to drive the Germans from Russian soil Saturday Review of Literature , 1929 **The Political Warfare Executive Syllabus Volume II** Erwin J. Warkentin, 2019-05-08 Time bombs Trojan Horses and Dithering Hamlets were all part of the everyday jargon of the World War II's ultra Secretive Political Warfare Executive PWE The PWE's instructors used these terms in the training of the next generation of propagandists and political warriors The Political Warfare Executive Syllabus reveals for the first time what it took to become a propagandist in what was then the most elite psychological warfare unit in the world Under the maxim that a good propagandist is trained not born the lecturers of the PWE Training School at Woburn Abbey and then Brondesbury systematically explored every aspect of how to deliver a lethal dose of propaganda to the enemy and then a purgative and curative dose in the peace that followed The views of the PWE's instructors were controversial This is significant because they would play an important if hidden role in how Europe is developing even today For example they held a low opinion of the French in general and considered that they had been reduced to the level of dithering Hamlets by the German Trojan Horses even before the first German tank had crossed the Belgian frontier On the dark side of PWE operations they were not above killing the prostitutes whose brothels served the German U Boat fleet in order to amplify their propaganda message Perhaps most significant is that they saw Great Britain as European and espoused a Europe that looks very much like the European Union of the early 21st Century However there is one important difference They saw this Greater Europe as accepting the British way of life and being led by Great Britain and not embracing American culture under German leadership This first volume introduces the reader to the history and theory of political warfare as seen through the eyes of the inheritors of Lord Northcliffe's Crewe House Drawing on J F C Fuller and his concept of a war fought in the mind without armies it establishes the theoretical

parameters of political warfare Moral Responsibility in the Holocaust David H. Jones,2000-01-01 In Moral Responsibility in the Holocaust David H Jones goes beyond historical and psychological explanations of the Holocaust to directly address the moral responsibility of individuals involved in it While defending the view that individuals caught up in large scale historical events like the Holocaust are still responsible for their choices he provides the philosophical tools needed to assess the responsibility both negative and positive of perpetrators accomplices bystanders victims helpers and rescuers

Adversity, Stress, and Psychopathology Bruce P. Dohrenwend,1998-08-20 The term adversity is used to describe exposure to unpropitious or calamitous circumstances It occurs in extreme situations such as prolonged combat or natural disasters both of which affect whole groups or communities of people simultaneously It is also observed in more individually targeted events such as child abuse bereavement rape physical illness marital separation or divorce unemployment and homelessness This volume brings together contributions from leading investigators in the field They review and analyze research on the nature of adversity and its relationship to major types of psychopathology including schizophrenia depression alcoholism and other substance use disorders antisocial personality disorder post traumatic stress disorder and nonspecific distress Adversity Stress and Psychopathology is the only book to offer such a comprehensive and authoritative overview of the role of psychosocial stress in mental disorders It will be welcomed by psychiatrists psychologists especially clinical health and social public health researchers especially epidemiologists and social scientists especially sociologists **Saturday**
