German Tactical Doctrine:

The Dynamics Of Doctrine: The Changes In German Tactical Doctrine During The First World War [Illustrated Edition] Captain Timothy Lupfer, 2015-11-06 Includes 4 maps and 3 figures This latest Leavenworth Paper is a case study in the wartime evolution of tactical doctrine Previous publications of the Combat Studies Institute have examined the peacetime development of doctrine and have increased our knowledge of how doctrine has been applied With the publication of Captain Lupfer's study The Dynamics of Doctrine the Combat Studies Institute adds another dimension to the history of the processes of doctrinal change Besides providing a summary of German infantry tactics of the First World War this study offers insights into the crucial role of leadership in facilitating doctrinal change during battle It once again reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical Principles as guidelines for action and not as a substitute for good judgment It points out the need for a timely effort in collecting and evaluating doctrinal lessons from battlefield experience Finally this study reminds us of yet another fundamental lesson from the past that tendencies toward accepting the battlefield as a routine can be a deadly error Altering previously accepted tactics in the middle of a struggle as the author points out is a very urgent and serious matter As members of the Profession of Arms we must be sensitive to the demands of change visionary in our examination of their implications and creative in our adaptation of combat organizations tactics and techniques

The Dynamics of Doctrine

Timothy T. Lupfer, 1981 This paper is a case study in the wartime evolution of tactical doctrine Besides providing a summary of German Infantry tactics of the First World War this study offers insight into the crucial role of leadership in facilitating doctrinal change during battle It reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical principles as guidelines for action and not as a substitute for good judgment It points out the need for a timely effort in collecting and evaluating doctrinal lessons from battlefield experience Abstract

The Path to Blitzkrieg Robert Michael Citino,1999 Path to Blitzkrieg fills a gap in the historical research of the German Army Citino makes excellent use of unpublished sources The greatest value of Path to Blitzkrieg however lies in its destruction of Blitzkrieg myths Lieutenant Colonel Ian Hope The Army Doctrine and Training Bulletin The relevance of Citino s work to problems current US forces face is painfully obvious LTC Scott Stephenson Military Review Citino has done an outstanding job of dissecting the roots of the blitzkrieg doctrine The International History Review A well written well organized and superbly researched work Citino shows just how important character and intellect are to an effective military organization The abundance of translations Professor Citino provides throughout his text is what this reviewer found most satisfying What one reads in The Path to Blitzkrieg are the actual thoughts of field grade and junior officers who not only developed German army theory in the interwar period but also translated in into practice during the Second World War Charles E White Journal of Military History Citino presents a carefully drawn picture of German military developments in the 1920s and 1930s Military historians and professional soldiers can read this book with profit Joseph Robert White History This is a splendid book A major contribution to the literature not only on the German Army but also on the development of doctrine and the way armies innovate in peacetime Bruce Gudmundsson In 1939 the German army

shocked and terrorized the world with Blitzkrieg its form of mobilized warfare How the Germans rebuilt their army after defeat in World War I circumventing the prohibitions of the treaty at Versailles is one of the major questions in military history Citino shows that German officers of the army of the Weimar Republic the Reichswehr men like General Hans von Seeckt General Wilhelm Groener and Colonel Oswald Lutz initiated and carried out a thorough reform of the army s warfighting doctrine and capability that laid the groundwork for Hitler s seemingly effortless rearmament of Germany Using largely unpublished materials from U S and German archives he grounds his book in a study of key autumn maneuvers of the German army in the thirties His analysis traces the smooth and inexorable development of the Reichswehr into the Wehrmacht quite likely the finest military machine in history CONTENTS Introduction The German Army From Collapse to Rebirth Seeckt and the Rebirth of Doctrine The Reichswehr as Military School Exercises and Wargames The Changing of the Guard The Army and the New Objectivity Towards the New Era From Reichswehr to Wehrmacht Conclusion Ten Days That Shook the World Bibliography *Fmfrp 12-11 German Tactical Doctrine* Department of Defense, 2017-05-24 Fleet Marine Force Reference Publication FMFRP 12-11 German Tactical Doctrine is published to ensure the retention and dissemination of useful information which is not intended to become doctrine or to be published in Fleet Marine Force manuals *Innovatin and Expertise* Bradley J. Leavenworth Papers Number 4. The Dynamics of Doctrine: The Changes in German Tactical Doctrine During the First World War Timothy T. Lupfer, ARMY COMMAND AND GENERAL STAFF COLL FORT LEAVENWORTH KS., 1981 This outline describes the manner by which German Army succeeded in changing and implementing tactical doctrine during war The process is not rigidly sequential it is a dynamic process that requires great intellectual ability and strong character from tacticians who desire to make successful changes In the examination of the German process of tactical change several important personalities emerge Their memories certainly must be used with caution but I have quoted extensively from participants in this paper in part to convey the essential interest in tactics among the participants Their interest in tactics is instructive for not all military leaders possess a continuing interest in tactics *The dynamics of doctrine* Timothy T. Lupfer, 1981 **Standing Fast: German Defensive Doctrine on the Russian Front During World War II — Prewar to March 1943** Major Timothy A. Wray, 2015-11-06 Includes over 50 maps plans and illustrations In this Research Survey Major Timothy A Wray provides an excellent survey of the intricacies of employing defensive tactics against a powerful opponent Using after action reports unit war diaries and other primary materials Major Wray analyzes the doctrine and tactics that the Germans used on the Eastern Front during World War II At the end of World War I the Germans adopted the elastic defense in depth and continued to use it as their basic doctrine through the end of World War II However because of limitations caused by difficult terrain severe weather manpower and supply shortages Soviet tactics and Hitler s order to stand fast

German commanders were unable to implement the Elastic Defense in its true form Even so innovative and resourceful unit commanders were able to adapt to the harsh realities of combat and improvise defensive methods that saved the German armies from complete annihilation U S Army unit commanders on the future battlefield while battling a motivated and aggressive force will also face hard battlefield conditions Therefore these commanders in applying the AirLand Battle tenets of initiative depth agility and synchronization will have to demonstrate the same type of innovativeness and resourcefulness as the Germans did in Russia To operate on the AirLand Battlefield U S soldiers must depend on sound doctrine and the ability to execute it intelligently All Army officers will benefit from Major Wray s new and vital assessment of how German doctrine was modified by the test of war **Handbook on German Military Forces** United States. German Tactical Doctrine Introduction

In today's digital age, the availability of German Tactical Doctrine books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Tactical Doctrine books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Tactical Doctrine books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Tactical Doctrine versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Tactical Doctrine books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Tactical Doctrine books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Tactical Doctrine books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Tactical Doctrine books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Tactical Doctrine books and manuals for download and embark on your journey of knowledge?
