Germany's Secret Weapons in World War II Roger Ford, 2000 Oversigt over tyske v bensystemer udviklet under 2 Verdenskrig      German & Allied Secret Weapons of World War II Ian V. Hogg, J. B. King, 1976      German Secret Weapons of World War II Ian V. Hogg, 2016-04-12 Hitler s regime was notorious for its many experiments and its various secret plays weapons and technological developments But typically the term secret German weapons only turns up images of the V 1 and V 2 missiles that played a part in bombing London in 1944 But truth be told there were many more unheard of weapons behind the Third Reich Many of these weapons have been unknown to the general public Here Ian V Hogg one of the world s leading experts on weaponry reveals the sheer magnitude of Hitler s secret weapon projects from the V 3 and the V 4 missiles to the Schmetterling to the German nuclear bomb to the question of nuclear war and more This detailed account of the myths surrounding secret German weapons examines the various fields the Germans concentrated on during their weapon development process and discusses difficulties that arrived in the process and how in many cases the ideas were exploited by other nations German Secret Weapons of the Second World War draws comparisons between similar Allied projects and narrates the deeper purpose behind many of these projects Many of these developments were not completed before the end of the war but have created a solid foundation for many of today s great military developments Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home      **German Secret Weapons of the Second World War** Ian V. Hogg, 2020-01-24 A comprehensive highly detailed study that displays a stunning wealth of technical knowledge a brisk and understandable narrative HistoryNet The phrase German secret weapons immediately conjures up images of the V 1 and V 2 missiles that bombarded London in 1944 But what of the V 3 and V 4 What of Schmetterling the Rochling shell the Kurt bomb the Hs293 These and many other devices were all part of the German secret armory but are relatively unknown except to a handful of specialists What of the German nuclear bomb And the question of chemical warfare The sheer magnitude of the secret weapon projects of the Third Reich is revealed in this comprehensive study written by one of the world s great experts on weaponry The book explores the various fields in which the Germans concentrated their weapon development and discusses the multiplicity of ideas the difficulties and in several cases how these ideas were subsequently exploited by the victors Although much of the German wartime development was not completed before the war s end it nevertheless provided a foundation for a great deal of the munitions development that has since taken place Comparisons with Allied projects are also drawn This book explodes some of the myths surrounding Hitler s secret

weapons to reveal a truth all the stranger for being fact Includes photographs and line drawings **Secret Weapons** Brian J Ford,2013-09-20 Deep in the bunkers of Nazi Germany many of the world s top scientists worked to create a new generation of war winning super weapons A few of these such as jet aircraft and the V2 rocket became realities at the end of the war others never made it off the drawing board Written by noted research scientist Brian Ford this exciting book charts the history of secret weapons development by all the major powers during the war from British radar to Japanese ray guns and explains the impact that these developments eventually had on the outcome of World War II Ford also takes a look at the weapons that never made it to development stage as well as the more radical plans such as the idea of turning Hitler into a woman with hormone treatment
