## German Expressionists A Generation In Re:

German Expressionism and the Messianism of a Generation Lisa Marie Anderson, 2011-01-01 This book reads messianic expectation as the defining characteristic of German culture in the first decades of the twentieth century It has long been accepted that the Expressionist movement in Germany was infused with a thoroughly messianic strain Here with unprecedented detail and focus that strain is traced through the work of four important Expressionist playwrights Ernst Barlach Georg Kaiser Ernst Toller and Franz Werfel Moreover these dramatists are brought into new and sustained dialogues with the theorists and philosophers of messianism who were their contemporaries Walter Benjamin Ernst Bloch Martin Buber Hermann Cohen Gershom Scholem In arguing for example that concepts like Bloch's utopian self encounter Selbstbegegnung and Benjamin's messianic now time Jetztzeit reappear as the framework for Expressionism's staging of collective redemption in a new age Anderson forges a previously underappreciated link in the study of Central European thought in the early twentieth century

German Expressionism Dorothy Price, 2020-06-24 This book presents new research on the histories and legacies of the German Expressionist group Blaue Reiter the founding force behind modernist abstraction For the first time Blaue Reiter is subjected to a variety of novel inter disciplinary perspectives ranging from a philosophical enquiry into its language and visual perception to analyses of its gender dynamics its reception at different historical junctures throughout the twentieth century and its legacies for post colonial aesthetic practices The volume offers a new perspective on familiar aspects of Expressionism and abstraction taking seriously the inheritance of modernism for the twenty first century in ways that will help to recalibrate the field of Expressionist studies for future scholarship Blaue Reiter still matters the contributors argue because the legacies of abstraction are still being debated by artists writers philosophers and cultural theorists today
