*Martin Kippenberger* Chris Reitz, 2023-06-06 An illuminating study of the work of artist Martin Kippenberger whose art expressed the enthusiasms and frustrations of the West German middle class Martin Kippenberger Everything Is Everywhere is the first scholarly monograph in English on West German artist Martin Kippenberger 1953-1997 one of the most prominent German artists of the 1980s In this book Chris Reitz shows that the condition of Kippenberger's art was an endless enthusiastic searching constrained by the impossibility of fulfillment A child during West Germany's Wirtschaftswunder the economic miracle of the 1950s and 1960s and a young adult during the

economic recession and political tumult of the 1970s Kippenberger belonged to the first truly postwar generation But largely uninterested in the legacy of National Socialism that had occupied his predecessors Kippenberger instead pursued a hyperproductive artistic practice that reflected the dreams and fears of the ascendent 1980s West German middle class Kippenberger's ambitions took him everywhere he founded a museum in Greece invested in a fashion business and a restaurant and even bought a gas station in Brazil He made art in a dizzying range of genres from paintings to poetry from posters to stickers He made art out of his appetites too producing art on the theme of his own alcoholism Intensely entrepreneurial Kippenberger carried out an artistic practice in which his diverse endeavors and the people who joined him in them were all connected in a sprawling network Reitz deftly presents Kippenberger's career as an allegory of the neoliberal networks of capital technology and culture that spanned Europe and America in the 1980s Tomorrow is Here Navid Kermani, 2022-10-06 Navid Kermani is not only one of Germany's most distinguished writers and public intellectuals he is also an outstanding public speaker who mesmerizes audiences with his well crafted sentences and turns of phrase Whether he is speaking about the plight of refugees or delivering a eulogy at his father's graveside Kermani finds words that surprise his listeners enlighten them provoke them disturb them or move them to tears As a German of Iranian descent whose parents settled in Germany Kermani is particularly sensitive to the issues raised by migration and the perceived tensions between Islam and the West His speeches are a powerful demonstration of how much we stand to gain by adhering to the values of openness tolerance and mutual respect for the beliefs and practices of those from other cultures who live among us
