Great Britain. War Office. General Staff

German Military Terms 1918:

Vocabulary of German Military Terms and Abbreviations ,1917 *Vocabulary of German Military Terms and Abbreviations* General Staff,2015-03-03 Produced in July 1918 in the last year of the Great War this is the official vocabulary of German enemy terminology as issued by the General Staff's Intelligence department *Vocabulary of German Military Terms and Abbreviations* Great Britain. War Office,1943 *Vocabulary of German Military Terms and Abbreviations (revised to 1942).* ,1944 *The Armies of Austria-Hungary and Germany, 1740-1914* László M. Alföldi,1975 **Vocabulary of German Military Terms and Abbreviations** Grande-Bretagne. War Office,1918 **Language Dictionaries with an Emphasis on Military Dictionaries** US Army Military History Research Collection,Barbara Wrinkle,1971 *Special Bibliography - US Army Military History Research Collection* US Army Military History Research Collection,1970

Catalogue of the War Office Library Great Britain. War Office. Library,1913 **Special Bibliographic Series** US Army Military History Research Collection,1975 *Languages and the First World War: Communicating in a Transnational War* Julian Walker,Christophe Declercq,2016-05-24 This book examines language change and documentation during the First World War With contributions from international academics the chapters cover all aspects of communicating in a transnational war including languages at the front interpretation translation and parallels between languages communication with the home front propaganda and language manipulation and recording language during the war This book will appeal to a wide readership including linguists and historians and is complemented by the sister volume *Languages and the First World War Representation and Memory* which examines issues around the representation and memory of the war such as portrayals in letters and diaries documentation of language change and the language of remembering the war *Special Bibliography* ,1971 **Catalogue of the Public Documents of the [the Fifty-third] Congress [to the 76th Congress] and of All Departments of the Government of the United States** United States. Superintendent of Documents,1896

Catalogue of the Public Documents of the ... Congress and of All Departments of the Government of the United States for the Period from ... to ... ,1917 **German Disarmament After World War I** Richard J. Shuster,2006-09-27 German Disarmament After World War I examines the Allied disarmament of Germany and the challenges that such an enormous task presented to international efforts in enforcing the Treaty of Versailles In the twenty first century disarmament remains a critical issue for the International community This new book focuses on three key areas and lessons of Allied disarmament operations from 1920 31 the role and experience of international arms inspectors working amidst an embittered German populace the ramifications of the divergent disarmament priorities of the leaders of the disarmament coalition the effectiveness of united Allied policies backed by sanctions These major issues are examined within the overall context of the assessment of Allied disarmament operations in Germany While some historians perceive German disarmament as a failure this book argues that arms inspectors successfully destroyed Germany's ability to pose a military threat to European security

This new study shows how the destructive legacy of war convinced the victorious nations especially Britain and France of the importance in minimizing German military strength French post war security concerns however were often faced with the unwillingness of Britain to enforce the totality of the military articles of the treaty German obstruction also influenced Allied disarmament policies German Disarmament After World War I examines the initial effectiveness of Allied disarmament efforts in Germany and explains how they ultimately disappeared through diverging conceptions of a post war world This book will be of great interest to all students of disarmament the interwar period and of military history modern European history and security studies

Vocabulary of German Military Terms and Abbreviations. Revised to 1942 Great Britain. War Office. General Staff,1943

Monthly List of Military Information Carded from Books, Periodicals, and Other Sources ,1917

Catalogue of the Public Documents of the ... Congress and of All Departments of the Government of the United States United States. Superintendent of Documents,1963

All the Kaiser's Men Ian Passingham,2011-10-21 Convinced that both God and the Kaiser were on their side the officers and men of the German Army went to war in 1914 confident that they were destined for a swift and crushing victory in the West The vaunted Schlieffen Plan on which the anticipated German victory was based expected triumph in the West to be followed by an equally decisive success on the Eastern Front It was not to be From the winter of 1914 until the early months of 1918 the struggle on the Western Front was characterised by trench warfare But our perception of the conflict takes little or no account of the realities of life across the wire in the German trenches This book redresses that imbalance and reminds us how similar these young German men were to our own Tommies Drawing from diaries and letters Ian Passingham charts the hopes and despair of the German soldiers filling an important gap in the history of the Western Front

Vocabulary of German Military Terms and Abbreviations War Office,2015-12-15 When your enemy speaks a different language a translation of enemy technical and operational terminology and abbreviations is of vital importance This can be used on many levels to provide information on the enemy particularly in relation to captured documents maps and equipment This manual produced in 1917 details many terms and abbreviations in use by the German Army at that time Not only does it help translate these terms it shows the descriptive nature of the German language

Adopting the Melody of Expression: An Psychological Symphony within **German Military Terms 1918**

In a world taken by screens and the ceaseless chatter of instantaneous communication, the melodic splendor and psychological symphony produced by the published term frequently disappear into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, situated within the pages of **German Military Terms 1918** a charming literary value brimming with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this interesting masterpiece conducts readers on a psychological trip, skillfully unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of the emotional examination, we can investigate the book is central harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
