German Texans Texians And Texans

**Harvey J. Graff, Charles Barton, Alan R.
Baron**

German Texans Texians And Texans:

The German Texans Glen E. Lich, 1981 German culture in Texas **The German Texans** University of Texas Institute of Texan Cultures at San Antonio, 1970 The influence Germans had upon Texas **The Texas Outlook**, 1916 **The Material Culture of German Texans** Kenneth Hafertepe, 2016-06-21 Winner 2019 San Antonio Conservation Society Foundation Book Award sponsored by the San Antonio Conservation Society Foundation German immigrants of the nineteenth century left a distinctive mark on the lifestyles and vernacular architecture of Texas In this first comprehensive survey of the art and artifacts of German Texans Kenneth Hafertepe explores how their material culture was influenced by their European roots how it was adapted to everyday life in Texas and how it changed over time at different rates in different communities The Material Culture of German Texans is about the struggle to become American while maintaining a distinctive cultural identity drawn from German heritage Including materials from rural small town and urban settings this masterful study covers pioneer generations in East Texas and the Hill Country but also follows the story into the Victorian era and the early twentieth century Houses and their furnishings churches and cemeteries breweries and businesses and paintings and engravings fill the pages of this thorough informative and richly illustrated volume Recent decades have seen a sharp increase of the study of vernacular architecture which can range from traditional building to ethnic expressions to landscape ensembles and an intensified study of American furniture and other decorative arts Incorporating these vernacular and decorative arts methods and building on the works of cultural geographers curators and historians The Material Culture of German Texans offers a definitive contribution that will inform visitors to the region as well as those who study its history and culture *Lone Star and Double Eagle* Minetta Altgelt Goyne, 1982 This book concentrates upon a strongly bonded family during a period of separation that is necessarily preserved in much greater detail than their happier moments spent in one another's company Being based to a large extent on letters that surely were never intended for the eyes of anyone outside the family and an intimate circle of friends it also gives a more spontaneous view than most journals offer These letters preserved for more than eleven decades are the record of years during which the Ernst Coreth family began really to enter into the affairs of its new homeland No wish to magnify the importance of these people no intent to dramatize their fate motivated the accompanying study for much of what the Coreths experienced other immigrants experienced also Preface

Dallas, Texas, a Bibliographical Guide to the Sources of Its Social History to 1930 Harvey J. Graff, Charles Barton, Alan R. Baron, 1979 *The German Texans* Jack Maguire, 1979 [The German Texans](#), 1979 **Why Texans Fought in the Civil War** Charles David Grear, 2012-09-01 In *Why Texans Fought in the Civil War* Charles David Grear provides insights into what motivated Texans to fight for the Confederacy Mining important primary sources including thousands of letters and unpublished journals he affords readers the opportunity to hear often in the combatants own words why it was so important to them to engage in tumultuous struggles occurring so far from home As Grear notes in the decade

prior to the Civil War the population of Texas had tripled The state was increasingly populated by immigrants from all parts of the South and foreign countries When the war began it was not just Texas that many of these soldiers enlisted to protect but also their native states where they had family ties

The Swedish Texans Larry Emil Scott,1990 Examines the accomplishments of Swedes in Texas looking at the ways in which they adapted their customs to life in the New World

Swiss Texans University of Texas Inst,1984-03-01 A pamphlet series dealing with many kinds of people who have contributed to the history and heritage of Texas

Discovering Texas History Bruce A. Glasrud,Light Townsend Cummins,Cary D. Wintz,2014-09-09 The most comprehensive and up to date guide to Texas historiography of the past quarter century this volume of original essays will be an invaluable resource and definitive reference for teachers students and researchers of Texas history Conceived as a follow up to the award winning A Guide to the History of Texas 1988

Discovering Texas History focuses on the major trends in the study of Texas history since 1990 In two sections arranged topically and chronologically some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas

Letters to Oma Marj Gurasich,2016-05-13 When fifteen year old Christina Eudora Von Scholl learns that her family will leave their German homeland to seek freedom in Texas her greatest sorrow is leaving behind her beloved grandmother And so in a series of letters she takes Oma on this great adventure with her family and takes us as readers Sometimes the letters are dark with discouragement for the Von Scholls find as did many German Texas families that the Society for the Protection of German Emigrants known as the Adelsverein was unable to fulfill its promises of land housing horses and farm implements But they are Germans determined and willing to work hard More often these letters and the text woven in between them are bright with adventure for Tina finds Texas an exciting if puzzling place There are new customs to learn new foods to eat even while the family preserves its traditional German ways Tina s adventures include a run in with a mountain lion an exciting trip across Texas with her father to Sisterdale and a frightening encounter with Lipan Indians Her lessons in being an American are helped by Jeff a young man who becomes part of the family when he undertakes to teach them to farm in Texas Tina in return teaches Jeff to read and learns a lesson in love that is without nationality Letters to Oma is a charming informative novel that sweeps the reader

back to a very particular time and place And Tina Von Scholl is irresistible as correspondent and as heroine **The Jewish Texans** University of Texas Institute of Texan Cultures at San Antonio,1974 A history of Jewish settlement in Texas **The Spanish Texans** University of Texas Institute of Texan Cultures at San Antonio,1972 A look at the Spaniards in Texas in the early 16th century *The Italian Texans* University of Texas Institute of Texan Cultures at San Antonio,1973 Traces the Italians who came to Texas and how they helped shape the history of the state *Passionate Nation* James L. Haley,2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state s spectacular history From Jim Bowie s and Davy Crockett s myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston s heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin Publishers Weekly Starred Review *The French Texans* University of Texas Institute of Texan Cultures at San Antonio,1973 Traces the French migration to Texas and the many people who have contributed to the history and heritage of Texas **The Afro-American Texans** Melvin M. Sance,University of Texas Institute of Texan Cultures at San Antonio,1987 Briefly explores the role of Afro Americans in Texas from slavery days to the 1980ies *The Japanese Texans* Thomas K. Walls,1987 Tells the story of Japanese migrating to Texas and their experiences accomplishments and contributions

The Enthralling World of Kindle Books: A Comprehensive Guide Revealing the Benefits of E-book Books: A World of Ease and Flexibility Kindle books, with their inherent portability and ease of access, have liberated readers from the constraints of hardcopy books.
