Germanic Auslautgesetze A New Interpretation

Wolfgang Guggemos

Germanic Auslautgesetze A New Interpretation:

The Germanic 'Auslautgesetze' Dirk Boutkan, 1995 The overall interpretation of Old Germanic phonology and morphology has much to gain from the recent and revolutionary views that were developed in its mother discipline Indo European linguistics For the first time the Germanic Auslaut problem i e the interpretation of the historical development of final syllables between Proto Indo European and Germanic is analyzed against the background of the modern reconstruction of Proto Indo European This especially entails new interpretations of various detail problems in the field of nominal and verbal morphology Moreover the traditional assumption of contrasting intonations yielding different inflexional endings e g circumflex m Goth o OHG o in the _ stem genitive plural but acute _m Goth a OHG a in the _ stem accusative singular must be replaced by a theory that is in accordance with our present day knowledge of Proto Indo European as a language that most probably did not display such contrasts It is above all the interpretation of long vowels and diphthongs in Old Germanic final syllables that has given rise to a long discussion After the standard theory which entered most handbooks of Old Germanic linguistics was established it was proven to be unlikely by new investigations Especially Lane in his epoch making article JEGP 62 1963 155 ff renewed the discussion and drew interesting conclusions Studies by Antonsen Beck Kortlandt Voyles and others sometimes dealing with other subjects than Germanic Auslaut proper also provide materials for a new theory With respect to this long vowel problem older theories including the standard view and modern ideas are discussed before a new interpretation is proposed The evidence is discussed in the form of a historical overview of the nominal and verbal morphology of the Old Germanic dialects This part of the book can therefore also be used as a reference guide in the field of historical morphology This approach is adopted from a recent key study in the field of Auslaut viz Jones dissertation 1979 Chapel Hill The growing interest in the relative chronology of Lautgesetze which was for example the theme of the Leiden Fachtagung der Indogermanischen Gesellschaft of 1986 is met with where a chronological order of the Auslautgesetze of the separate dialects is proposed This part of the book may serve as a stimulus for the necessary discussion of the subject

The Germanic 'Auslautgesetze' Dirk Boutkan, 2024-09-02 The overall interpretation of Old Germanic phonology and morphology has much to gain from the recent and revolutionary views that were developed in its mother discipline Indo European linguistics For the first time the Germanic Auslaut problem i e the interpretation of the historical development of final syllables between Proto Indo European and Germanic is analyzed against the background of the modern reconstruction of Proto Indo European This especially entails new interpretations of various detail problems in the field of nominal and verbal morphology Moreover the traditional assumption of contrasting intonations yielding different inflexional endings e g circumflex m Goth o OHG o in the _ stem genitive plural but acute _m Goth a OHG a in the _ stem accusative singular must be replaced by a theory that is in accordance with our present day knowledge of Proto Indo European as a language that most probably did not display such contrasts It is above all the interpretation of long vowels and diphthongs in

Old Germanic final syllables that has given rise to a long discussion After the standard theory which entered most handbooks of Old Germanic linguistics was established it was proven to be unlikely by new investigations Especially Lane in his epoch making article JEGP 62 1963 155 ff renewed the discussion and drew interesting conclusions Studies by Antonsen Beck Kortlandt Voyles and others sometimes dealing with other subjects than Germanic Auslaut proper also provide materials for a new theory With respect to this long vowel problem older theories including the standard view and modern ideas are discussed before a new interpretation is proposed The evidence is discussed in the form of a historical overview of the nominal and verbal morphology of the Old Germanic dialects This part of the book can therefore also be used as a reference guide in the field of historical morphology This approach is adopted from a recent key study in the field of Auslaut viz Jones dissertation 1979 Chapel Hill The growing interest in the relative chronology of Lautgesetze which was for example the theme of the Leiden Fachtagung der Indogermanischen Gesellschaft of 1986 is met with where a chronological order of the Auslautgesetze of the separate dialects is proposed This part of the book may serve as a stimulus for the necessary discussion of the subject

The English Language Before England Bernard Mees, 2022-09-16 This pioneering work explores epigraphic evidence for the development of English before the Anglo Saxon period bringing together linguistic historical and archaeological perspectives on early inscriptions making them more accessible to a wider audience The volume offers a new account of the Germanic development of Anglo Saxon England beginning with an examination of the earliest inscriptions from northern Europe and the oldest inscriptions preserving Germanic names many of which have only been discovered since the 1980s The book charts the origins of key terms such as Angle Saxon and Jute and early writing systems used by Germanic peoples Drawing on epigraphic evidence from northwestern Germany through to southwestern Denmark and sub Roman Britain Mees situates the analysis within historical and linguistic frameworks but also provides archaeological contextualisations assessed chronologically for the inscriptions Taken together the work re examines existing models of the early development of English through the lens of contemporary approaches opening paths for new directions in research on historical dialectology This book is key reading for students and scholars interested in the history of English and historical linguistics

The Tocharian Gender System Alessandro Del Tomba, 2023-04-17 This book investigates archaisms and innovations in Tocharian nominal morphology it provides a comprehensive treatment of the morphology of Tocharian grammatical gender describing how it historically derived from the Indo European proto language and why it typologically deviates from most of the other Indo European languages The approach is both synchronic and diachronic with a heavier focus on diachrony The volume features a thorough study of a large number of nominal classes and pronominal forms which are analysed from a derivational and an inflectional point of view in order to clarify their origin and development from the perspective of Indo European comparative reconstruction With its wide coverage of intricate phonological and morphological patterns The Tocharian Gender System is an important contribution to the study of Tocharian nominal morphology as a whole

Amsterdamer Beiträge Zur Älteren Germanistik ,1998 Balto-Slavic Accentual Mobility Thomas

Olander,2009-03-26 Why does the accent jump back and forth in Russian words like golov head acc g lov u gen golov dat golov etc How come we find similar alternations in other Slavic languages and in a Baltic language like Lithuanian The quest for the origin of the so called mobile accent paradigms of Baltic and Slavic leads the reader through other Indo European language branches such as Indo Iranian Greek and Germanic all of which are relevant to the reconstruction of the Proto Indo European accentuation system After the examination of the evidence for the reconstruction of the Proto Indo European accentuation system focus is moved to the Baltic and Slavic accentuation systems and their relationship to each other and to Proto Indo European A comprehensive history of research and numerous bibliographical references to earlier pieces of scholarship throughout the book make it a useful tool for anybody who is interested in Balto Slavic and Indo European accentology Written in a simple style and constantly aiming at presenting old and new opinions on the various problems the volume may serve as an introduction to this complicated field *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,1996 **The Linguist** ,1995 The Meters of Old Norse Eddic Poetry Seiichi Suzuki,2013-12-12 This book is a formal and functional study of the three distinct meters of Old Norse eddic poetry fornyr islag m lah ttr and lj ah ttr It provides a systematic account of these archaic meters both synchronic and diachronic and from a comparative Germanic perspective particularly concerned with Norse innovations in metrical practice Suzuki explores how and why the three meters were shaped in West Scandinavia through divergent reorganization of the Common Germanic metrical system The book constitutes the first comprehensive work on the meters of Old Norse eddic poetry in a single coherent framework with thorough data presentation detailed philological analysis and sophisticated linguistic explanation the book will be of enormous interest to Old Germanic philologists linguists medievalists as well as metrists of all persuasions A strong methodological advantage of this work is the extensive use of inferential statistical techniques for giving empirical support to specific analyses and claims being adduced Another strength is a cognitive dimension a re construction of a prototype based model of the metrical system and its overall characterization as an integral part of the poetic knowledge that governed eddic poets verse making technique in general **Evidence and Counter-Evidence: Essays in Honour of Frederik Kortlandt, Volume 1** ,2008-01-01 The editors PREFACE LIST OF PUBLICATIONS BY FREDERIK KORTLANDT driaan Barentsen O S P STAVI EL N IZUC NII GR NICI L NY VR NNY S JUZ V SL VJANS I JAZY V Robert S P Beekes PALATALIZED CONSONANTS IN PRE GREEK Uwe Blasing TALYSCHI RIZ SPUR UND VERWANDTE EIN BEITRAG ZUR IRANISCHEN WORTFORSCHUNG Vaclav Blazek CELTIC SMITH AND HIS COLLEAGUES Johnny Cheung THE OSSETIC CASE SYSTEM REVISITED Bardhyl Demiraj ALB RRUSH ON RAGUSA UND GR RHOKS Rick Derksen QUANTITY PATTERNS IN THE UPPER SORBIAN NOUN George E Dunkel LUVIAN TAR AND HOMERIC AR Jose L Garcia Ramon ERERBTES UND ERSATZKONTINUANTEN BEI DER REKONSTRUKTION VON INDOGERMANISCHEN

Nierfeld, 2012-12-06

Germania Semitica explores prehistoric language contact in general and attempts to identify the languages involved in shaping Germanic in particular The book deals with a topic outside the scope of other disciplines concerned with prehistory such as archaeology and genetics drawing its conclusions from the linguistic evidence alone relying on language typology and areal probability The data for reconstruction comes from Germanic syntax phonology etymology religious loan names and the writing system more precisely from word order syntactic constructions word formation irregularities in phonological form lexical peculiarities and the structure and rules of the Germanic runic alphabet It is demonstrated that common descent

is neither a necessary nor a sufficient condition for reconstruction Instead lexical and structural parallels between Germanic and Semitic languages are explored and interpreted in the framework of modern language contact theory Amsterdamer Beiträge Zur Älteren Germanistik, Band 60 (2005) Erika Langbroek,Annelies Roeleveld,Arend Quak,Paula Vermeyden,2005

Old English Laurel Brinton,Alexander Bergs,2017-09-25 The volume provides an in depth account of Old English organized by linguistic level Individual chapters investigate the state of the art in the linguistics of Old English and explore key areas of debate such as dialectology language contact standardization and literary language The volume sets the scene with a chapter on pre Old English and ends with a chapter discussing textual resources available for the study of earlier English

Advances in Old Frisian Philology Rolf H. Bremmer,Stephen Laker,Oebele Vries,2007 Like its two predecessors *Aspects of Old Frisian Philology* 1990 and *Approaches to Old Frisian Philology* 1998 *Advances in Old Frisian Philology* combines contributions by specialists of medieval Frisian studies with papers by international specialists from adjacent fields who have been invited for the occasion to bring their expertise to the discipline of Old Frisian Together the diverse approaches considerably advance our knowledge of and insight into various aspects of Old Frisian philology

International Books in Print ,1997 **Amsterdamer Beiträge Zur Älteren Germanistik** Rolf Hendrik Bremmer,Thomas S. B. Johnston,Oebele Vries,1998 **From Proto-Indo-European to Proto-Germanic** Donald A. Ringe,2017 This book describes the earliest reconstructable stages of the prehistory of English focusing specifically on linguistic structure It outlines the grammar of Proto Indo European considers the changes by which one dialect of that prehistoric language developed into Proto Germanic and provides a detailed account of the grammar of Proto Germanic In the course of his exposition Don Ringe draws on a long tradition of work on many languages including Hittite Sanskrit Greek Latin Slavic Gothic and Old Norse This second edition has been significantly revised to provide a more in depth account of Proto Indo European with further exploration of disputed points it has also been updated to include new developments in the field particularly in the reconstruction of the Proto Indo European verb and nominal inflection The author also reconsiders some of his original approaches to specific linguistic changes and their relative chronology based on his recent research This new edition of the first volume in *A Linguistic History of English* will be of central interest to all scholars and students of comparative Indo European and Germanic linguistics the history of English and historical linguistics more generally The second volume *The Development of Old English* by Don Ringe and Ann Taylor was published by OUP in 2014 paperback 2016

English Historical Linguistics. Volume 1 Alexander Bergs,Laurel J. Brinton,2012-05-29 No detailed description available for HIST LINGUISTICS BERGS BRINTON 1 TLBD HSK 34 1 E BOOK *Runes Across the North Sea from the Migration Period and Beyond* Livia Kaiser,2021-09-20 The scattered research history of the Old Frisian runic inscriptions dating to the early Medieval period ca AD 400 1000 calls for a comprehensive and systematic reprocessing of these objects within their socio cultural context and against the backdrop of the Old English Runic tradition This book presents an

annotated edition of 24 inscriptions found in the modern day Netherlands England and Germany It provides the reader with an introduction to runological methodology a linguistic commentary on the features attested in the inscriptions and a detailed catalogue which outlines the find history of each object and summarizes previous and new interpretations supplemented by pictures and drawings This book additionally explores the question of Frisian identity and an independent Frisian runic writing tradition and its relation to the contemporary Anglo Saxon runic culture In its entirety this work provides a rich basis for future research in the field of runic writing around the North Sea and may therefore be of interest to scholars of historical linguistics and early Medieval history and archaeology Handbook of Comparative and Historical Indo-European

Linguistics Jared Klein,Brian Joseph,Matthias Fritz,2017-10-23 This book presents the most comprehensive coverage of the field of Indo European Linguistics in a century focusing on the entire Indo European family and treating each major branch and most minor languages The collaborative work of 120 scholars from 22 countries Handbook of Comparative and Historical Indo European Linguistics combines the exhaustive coverage of an encyclopedia with the in depth treatment of individual monographic studies

Germanic Auslautgesetze A New Interpretation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Germanic Auslautgesetze A New Interpretation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Germanic Auslautgesetze A New Interpretation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Germanic Auslautgesetze A New Interpretation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Germanic Auslautgesetze A New Interpretation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
