Paperbound Books in Print ,1992 **Viruses, Allergies and the Immune System** Jan de Vries,2011-05-20 Why are problems such as viruses allergies and post viral syndrome increasingly prevalent today Is it true that a simple allergy might develop into a serious degenerative disease What part does the immune system play in these processes and how can it be affected by lifestyle Jan de Vries places a strong emphasis on the importance of diet and the effects of food additives and

drugs Did you know that schizophrenia can be treated through diet Or that the lives of hyperactive children and their parents can be returned to normal by eliminating even a single item from their food intake It has even been proven that diet and allergies can have an influence on crime Together with other well known nutritionists from around the world the author has studied this phenomenon in detail and includes some illuminating case histories in this book **British Book News** ,1988

Subject Guide to Books in Print ,1971 *Powerful Cancer-Fighting Foods* Pauline White, There has got to be something better than this After seeing her father suffer through a seemingly endless number of X rays operations chemotherapy and radiation for his cancer all to no avail he eventually passed away Still in shock from what she had witnessed and in disbelief that harsh pharmaceutical medications were the only way author Pauline White looked for another answer Then what began as a quest to find natural alternatives to treat this dreaded disease the information that she discovered grew into a broader understanding of how the body works and what natural foods can be used to enhance the body s own immune system in combating cancer which is reversible This sourcebook is not only for people who are fighting cancer but for people plagued with many other maladies It contains useful suggestions on how to prepare foods for the highest nutritional benefit The ideas and suggestions can be tailored to an individual s personal health and dietary needs Today many people believe that if they pop a multivitamin then they are getting all the nutrition they need This notion couldn t be further from the truth and assumes that human beings know exactly what nutrients should be distilled for use Yet there is a better way The author describes impressive scientific discoveries that reveal new hidden benefits in natural whole food products She also delves into remarkable recent research regarding the role of cancer stem cells in the spread of cancer in the body *Powerful Cancer Fighting Foods* is written simple enough for the layman but impressive enough for the dietary professional covering a wide array of beneficial elements in food that most readers will have been unaware of
