**The Oxford History of Modern German Theology, Volume 1: 1781-1848** Grant Kaplan, Kevin M. Vander Schel, 2023-05-20 From the closing decades of the eighteenth century German theology has been a major intellectual force within modern western thought closely connected to important developments in idealism romanticism historicism phenomenology and hermeneutics Despite its influential legacy however no recent attempts have sought to offer an overview of its history and development *Oxford History of Modern German Theology Vol I 1781 1848* the first of a three volume series provides the most comprehensive multi authored overview of German theology from the period from 1781 1848 Kaplan and Vander Schel cover categories frequently omitted from earlier overviews of the time period such as the place of Judaism in modern German society race and religion and the impact of social history in shaping theological debate Rather than focusing on individual figures alone *Oxford History of Modern German Theology Vol I 1781 1848* describes the narrative arc of the period by focusing on broader intellectual and cultural movements ongoing debates and significant events It furthermore provides a historical introduction to each of the chronological subsections that divides the book Moreover unlike previous efforts to introduce this time period and geographical region the volume offers chapters covering such previously neglected topics as religious orders the influence of Romantic art secularism religious freedom and important but overlooked scholarly initiatives such as the *Corpus Reformatorum* Attention to such matters will make this volume an invaluable repository of scholarship and knowledge and an indispensable reference resource for decades to come

Leggiere, 2015-04-09 This is the first comprehensive history of the campaign that determined control of Germany following Napoleon's catastrophic defeat in Russia Michael V Leggiere reveals how in the spring of 1813 Prussia the weakest of the great powers led the struggle against Napoleon as a war of national liberation Using German French British Russian Austrian and Swedish sources he provides a panoramic history that covers the full sweep of the battle for Germany from the mobilization of the belligerents strategy and operations to coalition warfare diplomacy and civil military relations He shows how Russian war weariness conflicted with Prussian impetuosity resulting in the crisis that almost ended the Sixth Coalition in early June In a single campaign Napoleon drove the Russo Prussian army from the banks of the Saale to the banks of the Oder The Russo Prussian alliance was perilously close to imploding only to be saved at the eleventh hour by an armistice **German Diplomatic Documents 1871-1914 Volume 1** E.T.S. Dugdale, 2025-03-19 Originally published in English in 1928 this volume deals mainly with Anglo German relations at the end of the 19th Century Chancellor Otto von Bismarck's voice can be heard clearly in the documents which give an extensive picture of the alternating phases of relations between Great Britain and Germany as influenced by their respective obligations and interests in the international issues which united or divided the Powers over a period of twenty years The strongest impression which these documents leave is the revelation of how greatly the mentality of the western world changed since they were drafted and especially during the decade which came after World War I The shaping of policy as exhibited in these despatches and memoranda is governed almost exclusively by the ultimate idea of war as the deciding factor The menace of war and the prospects of success or failure in aggression or defence appear to be the essential motives of policy [Learn German - Level 2: Absolute Beginner](#) Innovative Language Learning, GermanPod101.com, **Shakespeare on the German Stage: Volume 1, 1586-1914** Simon Williams, 2004-11-11 Professor Williams focuses on the classical period of German literature and theatre when Shakespeare's plays were first staged in Germany in a relatively complete form and when they had a potent influence on the

writings of German drama and dramatic criticism      **Analytical Psychology and German Classical Aesthetics: Goethe, Schiller, and Jung, Volume 1** Paul Bishop, 2007-08-07 This book argues that analytical psychology takes many of its central notions from German classical aesthetics and when seen in its intellectual historical context its true originality lies in its reformulation of key tenets of German classicism
