bureaucrats like Keitel failures like Paulus and was paranoid about having military leaders who were loyal The three field marshals in this book were amongst the best Field Marshal Kesselring gained a reputation in Italy as an expert in defense and his Allied code name was The Emperor Kesselring was diplomatic charming known as Smiling Albert but convicted as a war criminal which may not have happened had it not been for the bitter partisan war Field Marshal Rommel is surrounded by myths which need disentangling He possessed exceptional qualities of command and leadership with personal courage and determination but had problems caused by two major reasons The first was his relentless ambition which prevented him from self criticism and self evaluation The second was his meteoric rise in command and like many other commanders driven by ambition Field Marshal Model when on the battlefield led his men so well it is surprising that little is known of him He fought defensive battles in a way hardly matched by any other German general He had the immense capability of keeping his nerve but his skills as a commander were not matched by the sort of personality which may have given him a similar status as with Rommel and not helped by challenging Hitler Model had a reputation of being so tough even Hitler claimed he would not want to serve under him he was known as the Frontschwein front line pig
