Geordie Laffs Dick Irwin,1990-07-01 **Real English** James Milroy,Lesley Milroy,2014-06-03 While it is accepted that the pronunciation of English shows wide regional differences there is a marked tendency to under estimate the extent of the variation in grammar that exists within the British Isles today In addressing this problem Real English brings together the work of a number of experts on the subject to provide a pioneer volume in the field of the grammar of spoken English

Larn Yersel Geordie Scott Dobson,1969 Asking for It Lilah Pace,2015-06-02 This is who I am This is what I want Now I need a man dangerous enough to give it to me Graduate student Vivienne Charles is afraid of her own desires ashamed to admit that she fantasizes about being taken by force by a man who will claim her completely and without mercy When the magnetic mysterious Jonah Marks learns her secret he makes an offer that stuns her they will remain near strangers to each other and meet in secret so that he can fulfill her fantasy Their arrangement is twisted The sex is incredible And despite their attempts to stay apart soon their emotions are bound together as tightly as the rope around Vivienne s wrists But the secrets in their pasts threaten to turn their affair even darker Reader Advisory Asking for It deals explicitly with fantasies of non consensual sex Readers sensitive to portrayals of non consensual sex should be advised **Directory of Northern Writers**

,1979 *Light Shining in the Forest* Paul Torday,2013-01-31 An unsettling haunting story memorable atmospheric and tense THE LADY Well written well crafted and constantly gripping DAILY MAIL A disquieting and atmospheric psychological novel DAILY EXPRESS A grippingly dark thriller Great writing from a master storyteller RED MAGAZINE Norman Stokoe has just been appointed Children s Czar by the new government He sells his flat and moves up north to take up the position However before his first salary cheque has even hit his bank account new priorities are set for the government department for which he works The Children s Czar network is put on hold but it is too late to reverse the decision to employ Norman So he is given a P A and a spacious office in a new business park on the banks of the Tyne He settles down in his new leather chair behind his new desk to wait for the green light to begin his mission The green light never comes What does happen is that two children go missing As Children s Czar surely this case should fall within his remit but Norman has built a career on doing nothing on stamping pieces of paper with send to the relevant department Now faced with a campaigning journalist and a distraught mother he is forced to become involved The search will take him to dark places and will make him ask questions about the system he is supposed to uphold **How Many Miles to Basra?** Colin Teevan,2006-09-26 Southern

Iraq April 2003 Four soldiers a journalist and their Iraqi translator set off on an unauthorised journey deep into the Iraqi countryside in a disastrous attempt to make amends for the deaths of some local men at a vehicle checkpoint Developed from Teevan shighly acclaimed BBC Radio 3 play How Many Miles to Basra is a superb examination of how definitions of truth and responsibility become blurred in times of war not just in the armed forces and political arena but in the media too How Many Miles to Basra was performed at the West Yorkshire Playhouse Leeds in September 2006 Frank Leslie's New Family
