

George Blake Double Agent

E. H. Cookridge

George Blake Double Agent:

George Blake E. H. Cookridge, 1982 Depicts the espionage activities of George Blake who was a member of the British intelligence agency and at the same time a spy for the Soviet Union **George Blake, Double Agent** Edward Henry Cookridge, 1970 *The Greatest Traitor* Roger Hermiston, 2014-03-27 At every turn the gripping writing reminds you of a world of spies and betrayal that was so much a part of life in post war Europe Superb from start to finish JEREMY VINE On 3 May 1961 after a trial conducted largely in secret a man named George Blake was sentenced to an unprecedented forty two years in jail At the time few details of his crimes were made known By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents but the reasons for such a severe punishment were never revealed To the public Blake was simply the greatest traitor of the Cold War Yet as Roger Hermiston reveals in this thrilling new biography his story touches not only the depths of treachery but also the heights of heroism In WWII the teenage Blake performed sterling deeds for the Dutch resistance before making a dramatic bid for freedom across Nazi occupied Europe Later recruited by British Intelligence he quickly earned an exemplary reputation and was entrusted with building up the Service s networks behind the Iron Curtain And following a posting to Seoul he also suffered for his adopted country when captured by North Korean soldiers at the height of their brutal war with the South By the time of his release in 1953 Blake was a hero one of the Service s brightest and best officers But unbeknownst to SIS they were harbouring a mole Week after week year after year Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB Drawing on hitherto unpublished records from his trial new revelations about his dramatic jailbreak from Wormwood Scrubs and original interviews with former spies friends and the man himself *The Greatest Traitor* sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War *The Greatest Traitor* Roger Hermiston, 2014-03-27 At every turn the gripping writing reminds you of a world of spies and betrayal that was so much a part of life in post war Europe Superb from start to finish JEREMY VINE On 3 May 1961 after a trial conducted largely in secret a man named George Blake was sentenced to an unprecedented forty two years in jail At the time few details of his crimes were made known By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents but the reasons for such a severe punishment were never revealed To the public Blake was simply the greatest traitor of the Cold War Yet as Roger Hermiston reveals in this thrilling new biography his story touches not only the depths of treachery but also the heights of heroism In WWII the teenage Blake performed sterling deeds for the Dutch resistance before making a dramatic bid for freedom across Nazi occupied Europe Later recruited by British Intelligence he quickly earned an exemplary reputation and was entrusted with building up the Service s networks behind the Iron Curtain And following a posting to Seoul he also suffered for his adopted country when captured by North Korean soldiers at the height of their brutal war with the South By the time of his release in 1953 Blake was a hero one of the Service s brightest

and best officers But unbeknownst to SIS they were harbouring a mole Week after week year after year Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB Drawing on hitherto unpublished records from his trial new revelations about his dramatic jailbreak from Wormwood Scrubs and original interviews with former spies friends and the man himself *The Greatest Traitor* sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War *Spies, Lies, and Exile* Simon Kuper, 2021-05-11 For fans of John le Carr and Ben Macintyre an exclusive first person account of one of the Cold War's most notorious spies Kuper provides a different and valuable perspective humane and informative If the definition of a psychopath is someone who refuses to accept the consequences of his actions does George fit the definition There he sits admitting it was all for nothing but has no regrets Or does he John le Carr Few Cold War capers approach the sheer daring and treachery of the spy George Blake After fighting in the Dutch resistance during World War II Blake joined the British spy agency MI6 and was stationed in Seoul Taken prisoner after the North Korean army overran his post in 1950 Blake later returned to England to a hero's welcome carrying a dark secret while in a communist prison camp he had secretly switched sides to the KGB As a Soviet double agent Blake betrayed uncounted western spying operations including the storied Berlin Tunnel the most expensive covert project ever undertaken by the CIA and MI6 Blake exposed hundreds of western agents forty of whom were likely executed After his unmasking and arrest he received for that time the longest sentence in modern British history Much of Blake's career existed inside the hall of mirrors that was the Cold War especially following his sensational escape from Wormwood Scrubs prison Now that the master spy has died veteran journalist Simon Kuper finally sets the record straight Kuper tracked Blake to his dacha outside Moscow where the aging spy agreed to be interviewed for this unprecedented account of Cold War espionage *The Happy Traitor* Simon Kuper, 2021 A TIMES BOOK OF THE YEAR A deeply human read wonderfully written on the foibles of a fascinating flawed treacherous and sort of likeable character Philippe Sands Those people who were betrayed were not innocent people They were no better nor worse than I am It's all part of the intelligence world If the man who turned me in came to my house today I'd invite him to sit down and have a cup of tea George Blake was the last remaining Cold War spy As a Senior Officer in the British Intelligence Service who was double agent for the Soviet Union his actions had devastating consequences for Britain Yet he was also one of the least known double agents and remained unrepentant In 1961 Blake was sentenced to forty two years imprisonment for betraying to the KGB all of the Western operations in which he was involved and the names of hundreds of British agents working behind the Iron Curtain This was the longest sentence for espionage ever to have been handed down by a British court On the surface Blake was a charming intelligent and engaging man and most importantly a seemingly committed patriot Underneath a ruthlessly efficient mole and key player in the infamous Berlin Tunnel operation This illuminating biography tracks Blake from humble beginnings as a teenage courier for the Dutch underground during the Second World War to the sensational

prison break from Wormwood Scrubs that inspired Hitchcock to write screenplay *Through a combination of personal interviews research and unique access to Stasi records* journalist Simon Kuper unravels who Blake truly was what he was capable of and why he did it **The Greatest Traitor** Roger Hermiston, 2014-03-15 Sober accurate and all the more thrilling for it The best thing on Blake that we are likely to get for a very long time JOHN LE CARR At every turn the gripping writing reminds you of a world of spies and betrayal that was so much a part of life in post war Europe Superb from start to finish JEREMY VINE Hermiston offers a fascinating account of a life in which communism was the only constant The jailbreak episode is a masterpiece of narrative tension DAILY EXPRESS On 3 May 1961 after a trial conducted largely in secret a man named George Blake was sentenced to an unprecedented forty two years in jail At the time few details of his crimes were made known By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents but the reasons for such a severe punishment were never revealed To the public Blake was simply the greatest traitor of the Cold War Yet as Roger Hermiston reveals in this thrilling new biography his story touches not only the depths of treachery but also the heights of heroism In World War II the teenage Blake performed sterling deeds for the Dutch resistance before making a dramatic bid for freedom across Nazi occupied Europe Later recruited by British Intelligence he quickly earned an exemplary reputation and was entrusted with building up the Service's networks behind the Iron Curtain And following a posting to Seoul he endured intense hardship when captured by North Korean soldiers at the height of their brutal war with the South By the time of his release in 1953 Blake was a hero one of the Service's brightest and best officers But unbeknownst to SIS they were harbouring a mole Week after week year after year Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB Drawing on hitherto unpublished records from his trial new revelations about his dramatic jailbreak from Wormwood Scrubs and original interviews with former spies friends and the man himself *The Greatest Traitor* sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War *A Hundred Years of Spying* Phil Carradice, 2021-08-04 Early espionage organisations like Walsingham's Elizabethan spy network were private enterprises tasked with keeping the Tudor Queen and her government safe Formal use of spies and counter spies only really began in the years after 1909 when the official British secret service was founded Britain became the first major proponent of secret information gathering and other nations quickly followed The outbreak of war in 1914 saw a sudden and dramatic increase in the use of spies as the military quickly began to realise the value of covert intelligence Spying came of age during the war on the Western Front and that value only increased in the run up to the Second World War when the threat of the Soviet Union and Nazi Germany began to make themselves felt The Cold War years with the use of moles defectors and double agents on both sides of the Iron Curtain saw the art of spying assume record proportions The passing on of atom secrets the truth about Russian missiles on Cuba it was the age of the double agent the activities of whom managed to keep away the looming threat of nuclear war *A Hundred Years*

of Spying takes the reader through the murky world of espionage as it develops over the course of the twentieth century where the lines of truth and reality blur and where many real life spies have always been accompanied maybe even proceeded by a plethora of spy literature This book will look at the use of and development of spying as an accepted military practice It will focus on individuals from Belgians like Gabrielle Petite to the infamous Mata Hari from people like Reilly Ace of Spies to the British traitors such as Philby Burgess and McClean The activities of American atom spies like the Rosenbergs will also be covered as will Russian double agent Oleg Penkovsky and many others [Inside Russia's SVR](#) Stella Suib,2002-12-15 Presents Russia's intelligence service from its beginnings at the turn of the twentieth century as a czar's secret police force to the communists KGB to the creation of the SVR in the 1990s by Yeltsin [Encyclopedia of Intelligence and Counterintelligence](#) Rodney Carlisle,2015-03-26 From references to secret agents in The Art of War in 400 B C E to the Bush administration's ongoing War on Terrorism espionage has always been an essential part of state security policies This illustrated encyclopedia traces the fascinating stories of spies intelligence and counterintelligence throughout history both internationally and in the United States Written specifically for students and general readers by scholars former intelligence officers and other experts Encyclopedia of Intelligence and Counterintelligence provides a unique background perspective for viewing history and current events In easy to understand non technical language it explains how espionage works as a function of national policy traces the roots of national security profiles key intelligence leaders agents and double agents discusses intelligence concepts and techniques and profiles the security organizations and intelligence history and policies of nations around the world As a special feature the set also includes forewords by former CIA Director Robert M Gates and former KGB Major General Oleg Kalugin that help clarify the evolution of intelligence and counterintelligence and their crucial roles in world affairs today [Spies](#) Marc Favreau,2019-10-01 A thrilling critically acclaimed account of the Cold War spies and spycraft that changed the course of history perfect for young readers of Bomb and The Boys Who Challenged Hitler The Cold War spanned five decades as America and the USSR engaged in a battle of ideologies with global ramifications Over the course of the war with the threat of mutually assured nuclear destruction looming billions of dollars and tens of thousands of lives were devoted to the art and practice of spying ensuring that the world would never be the same Rife with intrigue and filled with fascinating historical figures whose actions shine light on both the past and present this timely work of narrative nonfiction explores the turbulence of the Cold War through the lens of the men and women who waged it behind closed doors and helps explain the role secret and clandestine operations have played in America's history and its national security **Encyclopedia of Cold War Espionage, Spies, and Secret Operations** Richard Trahair,2012-01-10 The only comprehensive and up to date book of its kind with the latest information [The Berlin Wall](#) Michael Burgen,2007-07 Chronicles the separation of East and West Berlin in the post World War II years and the closing of the borders on August 13 1961 when East Germany's Communist government stopped its citizens from fleeing to the West

Personnel Management in Secret Service Organizations Barbara Czarniawska, Sabina Siebert, John

Mackay, 2023-05-09 While the careers of secret agents have inspired many genres of popular culture relatively little research has been carried out until now on spying as a profession Through the lens of personnel management the authors offer a unique and compelling analysis of secret service employee biographies and autobiographies giving the reader an improved understanding of people management in all organisations **The Ultimate Cockney Geezer's Guide to Rhyming Slang**

Geoff Tibballs, 2010-01-26 Would you Adam and Eve it Over a hundred years after it was first heard on the streets of Ye Olde London Towne Cockney rhyming slang is still going strong and this book contains the most comprehensive and entertaining guide yet Presented in an easy to read A to Z format it explains the meaning of hundreds of terms from old favourites such as apples and pears stairs and plates of meat feet to the more obscure band of hope soap and cuts and scratches matches through to modern classics such as Anthea Turner earner and Ashley Cole own goal as well as providing fascinating background info and curious Cockney facts throughout Also included are a series of language tests so that readers can brush up on their newfound knowledge on their way to becoming a true Cockney Geezer All in all The Ultimate Cockney Geezer s Guide to Rhyming Slang is well worth your bread and honey to have a butcher s Irish Political Prisoners 1960-2000 Seán

McConville, 2021-03-30 This is a comprehensive detailed and humane account of the thousands who came into custody during the years of the Northern Ireland conflict and how they lived out the months years and decades in Irish and English maximum security prisons Erupting in 1969 the Northern Ireland troubles continued with terrible intensity until 1998 The most enduring civil conflict in Western Europe since the Second World War cost almost 4 000 lives inflicted a vast toll of injuries and wrought much destruction Based on extensive archival research and numerous interviews this book covers the jurisdictions of Northern Ireland the Republic of Ireland and England providing an account of riots escapes strip and dirty protests and hunger strikes It paints a picture of coming to terms with sentences some of which lasted for two decades and more Republicans and loyalists male and female prisoners officials and staff families supporters clergy and politicians all played a part and all were changed The narrative includes some of the most remarkable events in prison history anywhere mass breakouts organised cell fouling and prolonged nakedness and hunger striking to the death there are also accounts of the prisoners very effective parallel command structure The book shows how Anglo Irish and intra Irish relations were profoundly affected and how the prisoners involvement and consent were critical to the Good Friday Agreement that ended the long war The final part of a trilogy dealing with Irish political prisoners from 1848 to 2000 by renowned expert Se n McConville this is an essential resource for students and scholars of Irish history and Irish political prisoners it is also a major contribution to the study of imprisonment *Beyond Bond* Wesley Britton, 2005-06-30 At a time when the methods

and purposes of intelligence agencies are under a great deal of scrutiny author Wesley Britton offers an unprecedented look at their fictional counterparts In *Beyond Bond Spies in Film and Fiction* Britton traces the history of espionage in literature

film and other media demonstrating how the spy stories of the 1840s began cementing our popular conceptions of what spies do and how they do it Considering sources from Graham Greene to Ian Fleming Alfred Hitchcock to Tom Clancy Beyond Bond looks at the tales that have intrigued readers and viewers over the decades Included here are the propaganda films of World War II the James Bond phenomenon anti communist spies of the Cold War era and military espionage in the eighties and nineties No previous book has considered this subject with such breadth and Britton intertwines reality and fantasy in ways that illuminate both He reveals how most themes and devices in the genre were established in the first years of the twentieth century and also how they have been used quite differently from decade to decade depending on the political concerns of the time In all Beyond Bond offers a timely and penetrating look at an intriguing world of fiction one that sometimes and in ever fascinating ways can seem all too real At a time when the methods and purposes of intelligence agencies are under a great deal of scrutiny author Wesley Britton offers an unprecedented look at their fictional counterparts In Beyond Bond Spies in Film and Fiction Britton traces the history of espionage in literature film and other media demonstrating how the spy stories of the 1840s began cementing our popular conceptions of what spies do and how they do it Considering sources from Graham Greene to Ian Fleming Alfred Hitchcock to Tom Clancy Beyond Bond looks at the tales that have intrigued readers and viewers over the decades Included here are the propaganda films of World War II the James Bond phenomenon anti communist spies of the Cold War era and military espionage in the eighties and nineties No previous book has considered this subject with such breadth and Britton intertwines reality and fantasy in ways that illuminate both He reveals how most themes and devices in the genre were established in the first years of the twentieth century and also how they have been used quite differently from decade to decade depending on the political concerns of the time And he delves into such aspects of the genre as gadgetry technology and sexuality aspects that have changed with the times as much as the politics have In all Beyond Bond offers a timely and penetrating look at an intriguing world of fiction one that sometimes and in ever fascinating ways can seem all too real

The SAGE Encyclopedia of Surveillance, Security, and Privacy Bruce A. Arrigo, 2016-06-15 In all levels of social structure from the personal to the political to the economic to the judicial The SAGE Encyclopedia of Surveillance Security and Privacy uncovers and explains how surveillance has come to be an integral part of how our contemporary society operates worldwide

MI6 and the Machinery of Spying Philip Davies, 2004-06 Philip H J Davies is one of a growing number of British academic scholars of intelligence but the only academic to approach the subject in terms of political science rather than history He wrote his PhD at the University of Reading on the topic Organisational Development of Britain's Secret Intelligence Service 1909-1979 and has published extensively on intelligence and defence issues After completing his PhD he taught for a year and a half on the University of London external degree programme in Singapore before returning to the UK to lecture at the University of Reading for two years He was formerly Associate Professor of International and Security Studies at the University of Malaya in Malaysia where he not only conducted his

research but provided a range of training and consultancy services to the Malaysian intelligence and foreign services He is now based at Brunel University UK *The English Legal Process* Terence Ingman,2011 This edition has been updated and revised to take into account recent developments in the English legal process Many recent Court of Appeal and High Court case law developments are incorporated as are important pronouncements by the House of Lords
