George Grant And The Future Of Canada

Harris Athanasiadis

George Grant And The Future Of Canada:

George Grant and the Future of Canada Yusuf K. Umar, 1992 In essays first presented as papers at a conference held in March 1990 at Mount Royal College Calgary Alberta Canadian philosophers political scientists and legal and theological scholars reexamine the political philosophy of George Grant 1918 1988 known as the father of modern Canadian nationalism Annotation copyrighted by Book News Inc Portland OR *George Grant* Hugh Donald Forbes, 2007-01-01 George Grant 1918 1988 is the most engaging and provocative writer to have dealt with Canadian politics in the last fifty years His *Lament for a Nation* 1965 is an undisputed classic of our nations political literature An instant best seller on account of its practical political argument it has endured as an interpretation of Canadian history and a justification for nationalism in this country Along with Grants other books it has also helped to clarify what is meant by the malaise of modernity said to characterize our time and thus has served to introduce more than a generation of students to the basic questions of political philosophy This study aims to guide the reader toward a clearer understanding of Grants thought Focusing on his six short books and some of his most revealing articles and addresses it serves as both an introduction to and an overview of George Grants career and his many contributions to the fields of political science philosophy religion and Canadian studies Hugh Donald Forbes relates Grants work to that of three disparate and controversial European thinkers Martin Heidegger Leo Strauss and Simone Weil exploring Grant outside of the strictly Canadian framework in which he is normally situated This volume offers fresh perspective on the work of an important political philosopher It will prove invaluable reading for students new to the subject as well as for those interested in a comprehensive study of an outstanding Canadian thinker **George Grant and the Subversion of Modernity** Arthur Davis, 1996-12-15 George Grant s mystique as a public philosopher is due in part to the seemingly contradictory political stances he took through the years His opposition to the Vietnam war and his linking of liberalism with technological progress and imperialism brought him favour among the political left during the 1960s Then in the following decade his opposition to abortion earned him allies on the political right despite his rejection of limitless capitalist growth and free trade with the US This collection of original essays reveals the complex philosophic artistic and religious sources underlying Grant s public positions of nationalism pacifism and conservatism The collection begins with Grant s previously unpublished writing on C line This is a bold and vigorous Grant writing on a topic about which he is passionate and deeply informed Grant s own work is followed by two pieces that explore his devotion to C line Nietzsche Heidegger Weil and Strauss also receive special attention here Many of the essays draw on manuscripts and notes left unpublished by Grant thus contributing new perspectives to the ongoing discussion of his work The focus of this book is the unknown George Grant namely the philosophic religious and artistic inspiration behind his well known public positions Here we discover the great modern thinkers who animated Grant and whose writings occupied him for much of his life George Grant and the Theology of the Cross Harris Athanasiadis, 2001-01-01 Beneath the philosophical social political ethical

national and moral issues that Grant tackled throughout his career was a fundamental concern with theodicy the problem of faith in God in a world of conflict suffering and tragedy **George Grant** T.F. Rigelhof,2001-01-01 George Grant's Lament for a Nation led some to call him a Red Tory and the dominant force behind the Canadian nationalist movement of the 1970s Today reading George Grant's books helps us to understand the full implications of American led technology driven globalization on everyday life **George Grant in Conversation** George Parkin Grant,David Cayley,1995 Historian Ramsay Cook called George Grant one of Canada's two most important political thinkers in the twentieth century In these lively conversations recorded not long before Grant's death David Cayley explores with Grant the deep roots of his faith his evolution as a thinker and his views on the future of Canada The Once and Future Canadian Democracy Janet Ajzenstat,2003 Annotation An inspiring case for parliamentary democracy and a sympathetic exploration of current discontents *Collected Works of George Grant: 1933-1950* George Parkin Grant,Henry Roper,2000-01-01 Included are Grant's early reviews a brief journal written as he recovered from tuberculosis in 1942 his earliest social and political writings and his DPhil thesis on the Scottish philosopher John Oman *Collected Works of George Grant* George P. Grant,2000-12-15 More than a decade after his death George Grant continues to stimulate challenge and inspire During his lifetime he influenced a broad cross section of Canadians urging them to think more deeply about matters of social justice and individual responsibility He wrote on subjects as diverse as technology abortion Canadian politics and nationalism and the war in Vietnam and was claimed equally by rightist and leftist causes Grant's legacy includes six books and more than two hundred articles as well as numerous broadcast transcripts extensive correspondence and a wealth of unpublished lectures essays and notes In this projected eight volume series Grant's published and unpublished writings including his complete correspondence will be brought together for the first time The texts are annotated and each volume includes an introduction to the period that it covers The series will not only make it possible to see the whole pattern of Grant's thought but will also invite a reconsideration of the nature and importance of his work Volume I covers Grant's intellectual development through his student years Included are his early reviews a brief journal written as he recovered from tuberculosis in 1942 and his earliest social and political writings about Canadian and international affairs The most important of Grant's formative years were those spent at Oxford after the war culminating in the writing of his DPhil thesis on the Scottish philosopher John Oman In this dissertation published here in full we see the main themes of Grant's thought worked out for the first time *Hegel and Canada* Susan Dodd,Neil G. Robertson,2018-02-05 Hegel has had a remarkable yet largely unremarked role in Canada's intellectual development In the last half of the twentieth century as Canada was coming to define itself in the wake of World War Two some of Canada's most thoughtful scholars turned to the work of G W F Hegel for insight Hegel and Canada is a collection of essays that analyses the real but under recognized role Hegel has played in the intellectual and political development of Canada The volume focuses on the generation of Canadian scholars who

emerged after World War Two James Doull Emil Fackenheim George Grant Henry S Harris and Charles Taylor These thinkers offer a uniquely Canadian view of Hegel s writings and correspondingly of possible relations between situated community and rational law Hegel provided a unique intellectual resource for thinking through the complex and opposing aspects that characterize Canada The volume brings together key scholars from each of these five schools of Canadian Hegel studies and provides a richly nuanced account of the intellectually significant connection of Hegel and Canada **Great Canadian Film Directors** George Melnyk,2007-06-15 Film directors articulate creative visions that provide insights into national cultures 18 essays highlight Canada s prominent Anglophone and Francophone filmmakers **Canada and the Ethics of Constitutionalism** Samuel V. LaSelva,2018-12-30 Canada is caught between two empires and between two constitutional systems However neither the British model of a single sovereign nor the American people s sacred fire of liberty matched the pluralistic identity of Canada so Canadians engaged in constitutional experimentation In Canada and the Ethics of Constitutionalism Samuel LaSelva argues that in order to understand the old Canada of Confederation and the new one that followed the Charter of Rights and Freedoms it is necessary to see how distinctive Canadian constitutionalism is and how that distinctiveness does not depend on borrowings from the British or American constitutional models LaSelva supports his argument by exploring different aspects of Canada s contribution to the ethics of constitutionalism including the limits of free expression the Charter s notwithstanding clause the origins and functions of judicial review the Quebec secession debate Aboriginal self government and the conception of Canada as a multicultural and multinational mosaic Through a careful consideration of how Canadian constitutional pluralism with its focus on the rights of others differs from American and British ideas Canada and the Ethics of Constitutionalism provides engaging answers to contested questions about how Canada was founded and what it has become Lament for a Nation George Grant,George Parkin Grant,Andrew Potter,2005 In his 1970 introduction to Lament for a Nation Professor George Grant modestly expressed doubt whether his study had an enduring importance beyond the particular circumstances occasioning its appearance **Northern Spirits** Robert C. Sibley,2008-02-08 Canadians have devoted considerable thought to Hegel a proposition born out by the work of John Watson George Grant and Charles Taylor three major Canadian political philosophers of the last century In Northern Spirits Robert Sibley examines how Watson Grant and Taylor found in Hegel the theoretical tools needed to respond to Canada s uncertain existence **Quest Biography 35-Book Bundle** Judith Fitzgerald,Michelle Labrèche-Larouche,Kate Braid,T.F. Rigelhof,Raymond Plante,Arthur Slade,John Wilson,Kathryn Bridge,Roderick Stewart,Sharon Stewart,Margaret Macpherson,lian goodall,Marguerite Paulin,Francine Legaré,Gary Evans,Deborah Cowley,Tom Shardlow,Heather Kirk,Anne Cimon,André Vanasse,Wayne Larsen,Tom Henighan,Nicholas Maes,Julie H. Ferguson,Valerie Knowles,D.T. Lahey,Edward Butts,Peggy Dymond Leavey,Rosemary Sadlier,Ray Argyle,Nathan Tidridge,Ged Martin,2013-12-24 This special bundle contains the first thirty five books in the Quest Biography series which profiles the lives of Canadians who have had a

profound effect on their country and the world. Some of these figures are truly famous while others were quietly influential. Among the wide variety of people we meet are prime ministers Mackenzie King, Macdonald, Laurier, and more artists Emily Carr, Tom Thomson, explorers David Thompson, Samuel de Champlain, politicians René Lévesque, Joey Smallwood, writers Robertson Davies, Gabrielle Roy, entertainers Emma Albani, Mary Pickford, activists Nellie McClung, Louis Riel, Harriet Tubman, and many many more. Let this series be your primer on the greatest figures in Canadian history. Includes Emma Albani, Emily Carr, George Grant, Jacques Plante, John Diefenbaker, John Franklin, Phyllis Munday, Wilfrid Laurier, William Lyon Mackenzie King, René Lévesque, Samuel de Champlain, John Grierson, Lucille Teasdale, Maurice Duplessis, David Thompson, Mazo de la Roche, Susanna Moodie, Gabrielle Roy, Louis Riel, James Wilson, Morrice Vilhjalmur Stefansson, Robertson Davies, James Douglas, William C. Van Horne, George Simpson, Tom Thomson, Simon Girty, Mary Pickford, Harriet Tubman, Laura Secord, Joey Smallwood, Prince Edward, Duke of Kent, John A. Macdonald, Marshall McLuhan.

Moving Images of Eternity William F. Pinar, 2019-03-26. William F. Pinar presents a comprehensive and original study that demonstrates the significance and pertinence of the scholarship of George Grant for teaching today. While there are studies of Grant's political philosophy, there has been no sustained study of his teaching. Pinar not only draws upon the collected works, he has also consulted Grant's PhD thesis at Oxford, as well as the philosopher's biography, collected letters, and the vast secondary literature. What emerges is a treatise that reveals Grant's timeliness and his prescience in identifying and critiquing key educational issues nearly half a century ago, from academic vocationalism and educational technology to privatization and the ascendancy of research issues that are eminently relevant today. Beyond the classroom, Grant's concerns extended to the impact of economic globalization, which he feared would erase distinctive national histories and cultures. As such, Grant foresaw the current issues of right-wing populism, notably in the UK and the US, as reactions against these historical tendencies. This volume is destined to become an indispensable reference work for students of Grant in particular and for students of education in general. This book is published in English. S'il existe des études portant sur la philosophie politique et la théologie de George Grant, il n'y avait jusqu'à maintenant aucune étude soutenue sur son enseignement et plus précisément sur la relation de son approche pédagogique. Celles-ci. Aucune étude ne pouvait de façon aussi poussée l'œuvre complète y compris ses présentations aux enseignants et sa thèse doctorale d'Oxford en philosophie ou sa biographie, sa correspondance et la vaste littérature secondaire. Comme livre de référence pour les adeptes de Grant, de même que comme un manuel pour les étudiants en éducation, cet ouvrage arrive point nommé. Pinar souligne la prescience de Grant qui identifiait et critiquait il y a déjà cinquante ans des questions d'ordre éducationnel, vocation académique, technologie pédagogique, privatisation de l'enseignement, ascendance de la recherche sur l'enseignement, qui sont d'actualité. Grant était aussi préoccupé par le destin de ce qu'il appelait la particularité au Canada et l'étranger et s'inquiétait que la mondialisation économique effacerait les histoires et cultures nationales distinctives. Un tatouage mondial universel et homogène les remplacerait, ce qui représenterait la pire tyrannie infligée à l'humanité. Grant avait vu venir le

populisme de droite que l'on voit actuellement prendre prise notamment au Royaume Uni et aux tats Unis comme r action ces tendances historiques Ce livre est publi en anglais *The Vanishing Tradition* Paul Gottfried,2020-07-15 This anthology provides a timely critical overview of the American conservative movement The contributors take on subjects that other commentators have either not noticed or have been fearful to discuss In particular this collection of searing essays hits hard at blatant cult of celebrity and intolerance of dissent that has come to characterize the conservative movement in this country As *The Vanishing Tradition* shows the conservative movement has not often retrieved its wounded instead dispatching them in order to please its friendly opposition and to prove its moderateness The movement has also been open to the influence of demanding sponsors who have pushed it in sometimes bizarre directions Finally the essayists here highlight the movement s appeal to permanent values as a truly risible gesture given how arduously its celebrities have worked to catch up with the Left on social issues This no holds barred critical examination of American conservatism opens debates and seeks controversy *How Canadians Communicate IV* David Taras,Christopher Robb Waddell,2012 Substantial changes have occurred in the nature of politicaldiscourse over the past thirty years Once traditional media dominatedthe political landscape but in recent years Facebook Twitter blogsand Blackberrys have emerged as important tools and platforms forpolitical campaigns While the Canadian party system has provedsurprisingly resilient the rhythms of political life are now verydifferent A never ending 24 hour news cycle has resulted in anever ending political campaign The implications of this new politicalstyle and its impact on political discourse are issues vigorouslydebated in this new volume of *How Canadians Communicate* as isthe question on every politician s mind How can we draw ageneration of digital natives into the current political dialogue With contributions from such diverse figures as Elly Alboim RichardDavis Tom Flanagan David Marshall and Roger Epp *How CanadiansCommunicate IV* is the most comprehensive review of politicalcommunication in Canada in over three decades one that posesquestions fundamental to the quality of public life *Leo Strauss and His Legacy* John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo *Canadian Scholars Bundle* Nicholas Maes,Judith Fitzgerald,T.F. Rigelhof,Deborah Cowley,2013-12-16 Presenting four titles in the Quest Biography series that profiles prominent people in Canada s history In these books we explore Canada s rich academic and philosophical history through the fascinating lives of some of its most influential figures Profiled are prescient media guru Marshall McLuhan physician Lucille Teasdale political philosopher George Grant and novelist and literary theorist Robertson Davies Includes George Grant Lucille Teasdale Marshall McLuhan Robertson Davies
