

GEORGE HERBERT  
AND THE  
SEVENTEENTH-  
CENTURY  
RELIGIOUS POETS

SELECTED AND EDITED BY  
MARIO A. DI CESARE

A NORTON CRITICAL EDITION

# George Herbert And The Seventeenth Century Religious Poets

**Stephanie Pocock Boeninger**

## **George Herbert And The Seventeenth Century Religious Poets:**

*George Herbert and the Seventeenth-century Religious Poets* George Herbert, 1978 This volume presents the major works of five poets George Herbert Richard Crashaw Andrew Marvell Henry Vaughan and Thomas Traherne While most of the selections are religious poetry the important secular verse of Marvell and Crashaw is also included Eighty poems by Herbert have been selected from *The Temple* and two early poems from Issak Walton's *Lives* are also included **George Herbert and the Seventeenth Century Religious Poets** Mario A. Di Cesare, 1978 *George Herbert* Joseph Summers, 2018-08-23 George Herbert has for centuries been admired by the religious for his piety and by lovers of poetry for his language and his wit In the present volume Professor Summers seeks to abolish this dualism of approach he is concerned throughout to demonstrate Herbert's religion as it is expressed in his poems and to interpret the poems in the light of his religion for they are a picture of meticulously observed spiritual experience He gives us a scholarly lucid and integrated study of a much loved poet who was at once a good man a profound Christian thinker and a most daring experimentalist in the craft of verse Professor Summers charts the many currents and cross currents of early seventeenth century religious thought that affected Herbert traces the stages of the poet's life and then proceeds to a thorough examination of the form and content of his work There are interesting chapters on his metrical counterpoint his dramatic colloquial style and the influence of music upon his poetry This is not only an authoritative study of the poet himself but a notable contribution to the problem so keenly discussed today of religious belief in relation to poetry Poetic Priesthood in the Seventeenth Century Tessie Prakas, 2022-07-28 Poetic Priesthood reads seventeenth century devotional verse as staging a surprising competition between poetry and the established church The work of John Donne George Herbert Richard Crashaw John Milton and Thomas Traherne suggests that the demands of faith are better understood by poets than by priests even while four of these authors were also ordained While recent scholarship has tended to emphasize the shaping influence of the liturgy on the poetry of this period this book argues that verse instead presents readers with a mode of articulating piety that relies on formal experimentation and that varies from the forms of the church rather than straightforwardly reproducing them In crafting this poetic aid to devotion these authors practiced an alternative and even more ample form of ministry than in their ecclesiastical activities In the wake of the Reformation the liturgy of the English church centered on rituals of communal prayer and praise but the poetry considered in this study suggests that such rituals in fact risk distracting worshippers from the pleasures and challenges of navigating an individual relationship with God Yet these poets do not make this suggestion by rejecting communal rituals outright Their verse invokes ecclesiastical practice as a basis for formal innovation that suggests how intimacy with the divine might look feel and sound connecting humans with their God more precisely and more individually than the liturgy can As they shift between explicit comment on the liturgy and more subtle departures from it in the interplay of verse form and denotation these authors claim the work of priesthood for poetry **The Wit of**

**Seventeenth-century Poetry** Claude J. Summers, Ted-Larry Pebworth, 1995 As the twelve original essays collected in this volume demonstrate to study the wit of seventeenth century poetry is necessarily to address concerns at the very heart of the period's shifting literary culture It is a topic that raises persistent questions of thematics and authorial intent even as it interrogates a wide spectrum of cultural practices These essays by some of the most renowned scholars in seventeenth century studies illuminate important authors and engage issues of politics and religion of secular and sacred love of literary theory and poetic technique of gender relations and historical consciousness of literary history and social change as well as larger concerns of literary production and smaller ones of local effects Collectively they illustrate the vitality of the topic both in its own right and as a means of understanding the complexity and range of seventeenth century English poetry **Music**

**at Midnight** John Drury, 2020-03-04 This powerfully absorbing biography of 17th century Welsh poet George Herbert brings essential personal and social context to his immortal poetry Financial Times Though he never published any of his English poems during his lifetime George Herbert has been celebrated for centuries as one of the greatest religious poets in the language In this richly perceptive biography author and theologian John Drury integrates Herbert's poems fully into his life enriching our understanding of both the poet's mind and his work As Drury writes in his preface Herbert lived a quiet life with a crisis in the middle of it Beginning with his early academic success Drury chronicles the life of a man who abandons the path to a career at court and chooses to devote himself to the restoration of a church in Huntingdonshire and lives out his life as a country parson Because Herbert's work was only published posthumously it has always been difficult to know when or in what context he wrote his poems But Drury skillfully places readings of the poems into his narrative allowing us to appreciate not only Herbert's frame of mind while writing but also the society that produced it He reveals the occasions of sorrow happiness regret and hope that Herbert captured in his poetry and that led T S Eliot to write What we can confidently believe is that every poem is true to the poet's experience It is hard to imagine a better book for anyone general reader or seventeenth century aficionado or teacher or student newly embarking on Herbert The Guardian UK *Protestant Poetics*

*and the Seventeenth-Century Religious Lyric* Barbara Kiefer Lewalski, 2014-07-14 Barbara Lewalski argues that the Protestant emphasis on the Bible as requiring philological and literary analysis fostered a fully developed theory of biblical aesthetics defining both poetic art and spiritual truth Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **The Latin Poetry of George**

**Herbert** George Herbert, 1965 A bilingual edition George Herbert is well known as one of the great religious metaphysical poets of the seventeenth century Very little is known about Herbert's Latin verse which shows unexpected sides of the man and the poet *Like Season'd Timber* Edmund Miller, Robert DiYanni, 1987 *Like Season'd Timber* explores new areas for the study of George Herbert Essays offering new light on Herbert's biography and his relation to the arts are followed by studies of the less familiar works and of Herbert's relation to his poetic contemporaries The last section of the book explores Herbert's influence on a number of major writers since the revival of interest in the early nineteenth century Contributors include such major scholars of seventeenth century literature as Joseph Holmes Summers Jerome Mazzaro and the late Amy M Charles and also a range of younger scholars with specialized backgrounds in the subjects of their particular essays *New Perspectives on the Seventeenth-century English Religious Lyric* John Richard Roberts, 1994 To what extent do religious lyrics also participate in and reflect the social political and cultural contexts of the period in which they were written These essays offer new insights into the religious poetry of Donne Herbert Crashaw Jonson Herrick Vaughan and Marvell In addition modern theoretical criticism is discussed and the editor has provided a selective though extensive bibliography of modern studies of the seventeenth century religious lyric **Ashgate Critical Essays on Women Writers in England, 1550-1700** Margaret P. Hannay, 2017-05-15 Mary Sidney Herbert Countess of Pembroke was renowned in her own time for her metrical translation of biblical Psalms several original poems translations from French and Italian and her literary patronage William Shakespeare used her *Antony and Cleopatra* as a source Edmund Spenser celebrated her original poems John Donne praised her Psalms and Lady Mary Wroth and Aemilia Lanyer depicted her as an exemplary poet Arguably the first Englishwoman to be celebrated as a literary figure she has also attracted considerable modern attention including more than two hundred critical studies This volume offers a brief introduction to her life and an extensive overview of the critical reception of her works reprints some of the most essential and least accessible essays about her life and writings and includes a full bibliography **George Herbert's Pastoral** Christopher Hodgkins, 2010 As poet and as country parson George Herbert engaged the pastoral in all of its varied senses In October of 2007 many of the world's leading Herbert scholars met at Sarum College in Salisbury England to locate Herbert's pastoral life and writings more particularly in early Stuart Wiltshire They explored the relations between the pastoral locale of Herbert's last years 1630-1633 in nearby Bemerton and the themes images and tenor of his writing How did the specific country place time and people shape the life and work of this especially lyrical country priest The fourteen essays in this collection address Herbert's pastoral poetry and practice cast new light on his actual relations with specific local personalities and places make fresh connections to the inward biblical and liturgical spaces of his work consider his outward links to garden and pasture and discover fictional and theological reverberations beyond Herbert's local pastoral world Christopher Hodgkins is Professor of English at the University of North Carolina Greensboro [The School of George Herbert](#) LaDonna Joy Friesen, 2001 **Biblical**

**Interpretation** John M. Court, 2003-01-01 This is a valuable resource book for historical studies on biblical interpretation comprising a variety of detailed essays including documented examples of important stages in the history of biblical exegesis It also contains a general introduction to the history of reading the Bible Falling into three parts from the New Testament to the Reformation from the Reformation to the modern period and readings of the Bible today and in the future the book is designed to challenge some present day assumptions of the uniformity of approaches to the Bible and of modes of exegesis It illustrates that basic continuities do exist and informs the student and non specialist of the long tradition of reading the Bible to which we are heirs with the aim of making us more competent interpreters ourselves The Country Parson ; The Temple George Herbert, 1981 George Herbert 1593 1633 was an Anglican priest poet and essayist truly one of the most profound spiritual masters in the English tradition His spirituality was a synthesis of Evangelical and Catholic piety **The Poets'**

**Jesus** Peggy Rosenthal, 2000 Peggy Rosenthal considers the world's poets as creators who dreamed or destroyed visions of Jesus which shaped the spiritual climate of their times and nations *A George Herbert Companion (Routledge Revivals)* Robert H. Ray, 2014-05-01 First published in 1995 this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand It includes key biographical information situates the poetry in its historical and cultural context and where appropriate explains theological concepts and traditions which have a direct bearing on the verse The aim throughout is to enhance understanding and appreciation without being exhaustive A George Herbert Companion will be of most use to general readers and undergraduate students coming to this poetry for the first time and will interest students of Anglican Caroline theology and hymnology Reformation Spirituality Gene E. Veith, 2013-01-16 George Herbert in his poetic skill and the depth of the spiritual experiences he explores may be the greatest of all religious poets This is a study of the specific religious experiences and beliefs that Herbert writes about both in his poetry and in his prose As such it also examines the spiritual landscape of seventeenth century England a period for all of its controversies still dominated by the understanding of God and the human condition articulated by Martin Luther and systematized by John Calvin Reformation spirituality which was different both from medieval Catholicism and late Protestantism is itself little understood by literary historians who have tended to look to medieval or Counter Reformation ideas and practices or to a simplistic distinction between Anglicans and Puritans as ways of understanding the religion of the time This study presents Reformation spirituality phenomenologically from the inside Just as Reformation spirituality reflects Herbert's poetry Herbert's poetry illuminates Reformation spirituality showing the experiential and mystical dimensions of an important religious tradition **Literary Drowning** Stephanie Pocock Boeninger, 2020-10-23 Literary depictions of drowning or burial at sea provide fascinating glimpses into the often conflicted human relationship with memory For many cultures and religious traditions properly remembering the dead involves burial a funeral and some kind of grave marker Traditional rituals of memorialization are disturbed by the drowned body which may remain lost at sea or be washed up unrecognized on a distant

shore The first book of its kind Literary Drowning explores depictions of the drowned body in twentieth century Irish and Caribbean postcolonial literature uncovering a complex transatlantic conversation that reconsiders memory forgetfulness and the role that each plays in the making of the postcolonial subject and nation Faced with fissures in cultural memory postcolonial writers often identify their situation and their nation s with that of the drowned body Floating aimlessly without a grave unmemorialized and perhaps unremembered the drowned corpse embodies the troubled memory of the postcolonial nation or individual Boeninger follows a trail of drowned bodies and literary influence from the turn of the century Irish playwright J M Synge through the poems and plays of St Lucian Nobel laureate Derek Walcott to the lesser known work of Guyanese British novelist and poet David Dabydeen and finally to the contemporary Irish plays of Marina Carr Each author while borrowing from those who came before changes the image of the drowned body to reflect different facets of the project of remembering postcolonially

### **George Herbert And The Seventeenth Century Religious Poets Introduction**

In the digital age, access to information has become easier than ever before. The ability to download George Herbert And The Seventeenth Century Religious Poets has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George Herbert And The Seventeenth Century Religious Poets has opened up a world of possibilities. Downloading George Herbert And The Seventeenth Century Religious Poets provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George Herbert And The Seventeenth Century Religious Poets has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George Herbert And The Seventeenth Century Religious Poets. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George Herbert And The Seventeenth Century Religious Poets. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George Herbert And The Seventeenth Century Religious Poets, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George Herbert And The Seventeenth Century Religious Poets has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About George Herbert And The Seventeenth Century Religious Poets Books

1. Where can I buy George Herbert And The Seventeenth Century Religious Poets books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
