George Told Kate , **George Told Kate** Kay Choroa,1987 **Not Every Story has a Happy Ending** Mayra Castaneda,2021-12-06 People believe that every story is like a fairy tale and that every tale ends with a happy ending But we live in a much darker place Many things can change in a matter of seconds or minutes and for some of us those moments can change our lives forever People always say that things happen for a reason as a form of fate or that there is a design for each of our lives and that no matter what you do the outcomes will always be the same as there is no escaping from your destiny The stories that I have included in Not Every Story Has a Happy Ending are examples of how simple and innocent choices have horrible repercussions I am going to take you for a ride among a world of beauty friendships love and hope and then as the pages turn I will take you down a disturbing path of supernatural beings revenge macabre imagery torture and horror
