storytelling Divided into four chronological sections the book begins with the years surrounding the American Revolution and the birth of the new republic when painters such as Copley Peale and Samuel F B Morse incorporated stories within the expressive bounds of portraiture During the Jacksonian and pre Civil War decades from about 1830 to 1860 Mount Bingham Lilly Martin Spencer and others painted genre scenes featuring lighthearted narratives that growing audiences for art could easily read and understand *Bowker's Law Books and Serials in Print* ,1984 Writings on American History, 1902

Ernest Cushing Richardson,Anson Ely Morse,1904 *An Imperfect God* Henry Wiencek,2024-06-04 The first biography of America s Founding Father and premier president to address his relationship to slavery When George Washington wrote his will he made the startling decision to set his slaves free earlier he had said that holding slaves was his only unavoidable subject of regret In his groundbreaking *An Imperfect God* Henry Wiencek explores the Founding Father s engagement with slavery at every stage of his life as a Virginia planter soldier politician president and statesman Washington was born and raised among blacks and mixed race people he and his wife had blood ties to the slave community Yet as a young man he bought and sold slaves without scruple even raffled off children to collect debts Then on the Revolutionary battlefields where he commanded both black and white troops Washington s attitudes began to change He and the other framers enshrined slavery in the Constitution but even before he became president Washington had begun to see the system s evil Based on a meticulous examination of private papers court records and the voluminous Washington archives Wiencek documents for the first time the moral transformation culminating in Washington s determination to emancipate his slaves He acted too late to keep the new republic from perpetuating slavery but his repentance was genuine And it was perhaps related to the possibility as the oral history of Mount Vernon s slave descendants has long asserted that a slave named West Ford was the son of George and a woman named Venus George Washington s heroic stature as Father of Our Country is not diminished in this superb nuanced portrait presenting Washington in full as a man of his time and ahead of his time *Books in Print Supplement* ,1988 The Spirits of '76 Donald J.
