Comedy and a Philosophy Bernard Shaw, 2021-09-19 Man and Superman A Comedy and a Philosophy Bernard Shaw Shaw began writing Man and Superman in 1901 and determined to write a play that would encapsulate the new century's intellectual inheritance Shaw drew not only on Byron's verse satire but also on Shakespeare the Victorian comedy fashionable in his early life and from authors from Conan Doyle to Kipling In this powerful drama of ideas Shaw explores the role of the artist the function of women in society and his theory of Creative Evolution As Stanley Weintraub says in his new introduction this is the first great twentieth century English play and remains a classic exposé of the eternal struggle between the sexes

Twentieth-century English History Plays Niloufer Harben, 1988-01-01 The book offers the clearest definition yet of the history play its scope and its limits Historical drama is an extremely popular genre among 20th century English playwrights Yet the sheer size and complexity of the subject has until now prevented critics from attempting a clear definition Dr Harben provides a new and original perspective taking into account modern ideas of and attitudes to history The author examines the varying approaches to history taken by modern historians and playwrights and provides a detailed analysis of the historical source material of selected plays The study is supported with a wealth of vivid and provocative illustrations Historical and dramatic criticism is related to theatrical interpretation and experience This book therefore should prove valuable and interesting to the reader with a specialist interest in the field as well as to the more general reader
